Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment. This book explores the features and capabilities of the camera in a way that far surpasses the user's manual. It guides readers through the camera features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles. Darrell's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The information in this book goes beyond the camera itself and also covers basic photography technique.

**Nook Simple Touch GlowLight Survival Guide: Step-by-Step User Guide for the Nook**

***Simple Touch GlowLight eReader: Getting Started, Using Hidden Features, and Downloading FREE eBooks*** May 25 2022 While the Nook Simple Touch Glowlight is somewhat similar to the original Nook, its infrared touchscreen and Glowlight make for a completely different reading experience. With the new Glowlight, you can read in pitch black conditions without straining your eyes, as with an LCD screen. The Nook Simple Touch Glowlight Survival Guide provides you with tips and tricks you can use upon unboxing your new eReader. This guide sorts through all of the unnecessary clutter of the official manual and gives you task-based instructions. Instead of learning which buttons perform which functions, you will learn how to use those buttons to navigate your Nook to buy, read, and mark up your eBooks. Instead of presenting an arbitrary table of gestures you can use on the touchscreen, this book shows you where those gestures are needed by integrating them into the tasks you are doing. Additionally, each set of step-by-step instructions is accompanied by a set of detailed screenshots to help you to confirm that you are on the right track. This Nook guide includes: Getting Started: - Button Layout - Performing First-Time Setup - Connecting the Nook to a PC or Mac - Setting Up Wi-Fi - Looking Up Words in the Built-In Dictionary - Buying eBooks through the Barnes and Noble Store - Subscribing to Magazines and Newspapers - Cancelling Subscriptions - Adding bookmarks and notes - Viewing periodicals Advanced topics: - Using the Wishlist - Lending eBooks - Downloading thousands of free eBooks - Managing eBook Shelves - Archiving eBooks - Setting the Screensaver - Transferring downloaded eBooks to the Nook - Shortcuts and tips - Conserving Battery Life - Registering Your Nook - Book browsing tips - Troubleshooting - Live Nook support telephone numbers *InfoWorld* Jul 03 2020 InfoWorld is targeted to Senior IT professionals. **Portal Jan 27 2020** What would you give to change your past? Joseph Turner's life was irrevocably altered by a mistake he made fifteen years ago. As a result, the girl he loved died while he was powerless to save her. He never forgave himself. Now, he has the opportunity to change that event and shape the past to his own design. Haunted by his mistakes, Joseph invents the world's first working time machine--and he's going back to make things right. Unfortunately, each time he steps through the portal, things get worse. But he will find a way to save her--no matter what the consequences. And if he succeeds, the last fifteen years will have never happened. The only person who can stop him is Tim Jarrell, Joseph's best friend who's running through the years to reach him before it's too late. Two men fight to control yesterday. Only one will succeed. The race has begun. The past...is history.

***Mastering the Nikon Z6 II / Z7 II* by Darrell Young provides a wealth of experience-based information and insights for owners of the new Z6 II or Z7 II camera. Darrell is determined to help the user navigate past the confusion that often comes with complex and powerful professional camera equipment.**

**This book explores the features and capabilities of the cameras in a way that far surpasses the user's manual. It guides readers through the cameras' features with step-by-step setting adjustments; color illustrations; and detailed how, when, and why explanations for each option. Every button, dial, switch, and menu configuration setting is explored in a user-friendly manner, with suggestions for setup according to various shooting styles.**

**Darrell's friendly and informative writing style allows readers to easily follow directions, while feeling as if a friend dropped in to share his knowledge. The information in this book goes beyond the camera itself and also covers basic photography technique.**

***Nook Simple Touch Survival Guide: Step-by-Step User Guide for the Nook Simple Touch eReader: Getting Started, Downloading FREE eBooks, and Surfing the Web Using the Hidden Web Browser* Dec 28 2019 While the Nook Simple Touch is somewhat similar to the original Nook, its infrared touchscreen makes for a completely different reading experience. The Nook Simple Touch Survival Guide provides you with tips and tricks you can use upon unboxing your new eReader. This guide sorts through all of the unnecessary clutter of the official manual and gives you task-based instructions. Instead of learning which buttons perform which functions, you will learn how to use those buttons to navigate your Nook to buy, read, and mark up your eBooks. Instead of presenting an arbitrary table of gestures you can use on the touchscreen, this book shows you where those gestures are needed by integrating them into the tasks you are doing. Additionally, each set of step-by-step instructions is accompanied by a set of detailed screenshots to help you to confirm that you are on the right track. By reading this book, you will unlock hidden secrets, such as downloading FREE eBooks and surfing the web using the hidden web browser on your Nook Simple Touch. The reference material given in this guide is constantly updated, never stagnant. The next time Barnes and Noble releases a software update, simply re-download this eBook to get the latest version. This Nook guide includes: Getting Started: - Button Layout - Performing First-Time Setup - Connecting the Nook to a PC or Mac - Setting Up Wi-Fi - Looking Up Words in the Built-In Dictionary - Buying eBooks through the Barnes and Noble Store - Subscribing to Magazines and Newspapers - Cancelling Subscriptions - Adding bookmarks and notes - Viewing periodicals Advanced topics: - Using the Wishlist - Lending eBooks - Downloading thousands of free eBooks - Managing eBook Shelves - Archiving eBooks - Setting the Screensaver - Transferring downloaded eBooks to the Nook - List of Nook-friendly websites that save you time typing in long URL addresses - Shortcuts and tips - Conserving Battery Life - Registering Your Nook - Book browsing tips - Using the Hidden Web Browser - Troubleshooting - Live Nook support telephone numbers**

**The Ridiculously Simple Guide to MacOS Catalina Jul 27 2022 Note: This is the Color Edition of "MacOS Catalina: Getting Started with MacOS 10.15 For MacBooks and iMacs"**

**If you have purchased the notebook or computer or are just curious about seeing more about what MacOS can do for you, then you'll see it in this book. This book is intended for people who want to get started quickly). For that reason, it's not as comprehensive as other guides. If you want to know about some feature buried deep under the hood that you'll never use, then there are other books for you--I'm sure they'll make good doorstops when you finish. If you just want a simple guide that tells you what you need to know, so you can use your computer already, then this book is for you. It will also cover how to successfully make the transition from Mac to Windows. Each chapter starts with bullet points on what will be covered, so if it's something you already know, you can skip right ahead; if you only need to know how to use new features, the book is also formatted in a way that these stand out. Are you ready to start enjoying the new MacOS? Then let's get started!**
