**Dark Tides** Feb 21 2022 Number One bestselling author Philippa Gregory's new historical novel tracks the rise of the Tidelands family in London, Venice and New England. Midsummer Eve, 1670. A turbulent time to seek the truth . . . A wealthy man waits outside a poor London warehouse to meet with Alinor, the woman he failed twenty-one years before. He has everything to offer: money, land, status. He believes she has the only thing he cannot buy: his son and heir. Meanwhile in New England, Alinor's brother Ned cannot find justice in the New World, as the King's revenge stretches across the Atlantic and turns the pioneers against each other and against the American Indians. Then, a beautiful widow, Livia, arrives from Venice. She claims Alinor as her mother-in-law and has come with the news that Alinor's son Rob has drowned in the dark tides of the lagoon. But is this true or could this woman be an imposter . . . ? From London to New England and Venice, the dark tides always rise, and with them come secrets and enemies . . . 'A gripping read spanning London, Venice and New England, all beautifully observed by Gregory' Woman & Home Praise for Tidelands, the first in the Fairmile series: 'A gripping and intelligent portrait of a woman fighting to survive in a hostile world' The Times 'The first in a planned series . . . Fallen Tide Sep 06 2020 Coral branches rarely wear a wristwatch. That was Jesse McDermitt's first thought when he found a partially denuded human arm, teeming with crab, lobster, and fish life, during his morning ocean swim. The discovery of a drifting mega-yacht the following day while fishing the Gulf Stream, causes quite a stir among the many alphabet agencies of the federal government, not to mention one shaggy canine. A severed leg and two whole bodies are discovered aboard. The find links the disappearance of the yacht's owners to the arm Jesse found twenty miles to the north, near his home in the back country of the Florida Keys. Black marketers from Eastern Europe have set up a base of operations too close to Jesse for comfort. The rescue of the yacht-owners takes on national security importance, but it's even more important to one of Jesse's closest friends. High speed boats and planes race across the Gulf Stream, causing the Cuban Air Force to become nervous. Will Jesse and his crew reach the victims in time?

**Orphans of the Tide** Dec 02 2022 Winner of the Branford Boase Award 2021, a breathtaking fantasy adventure for fans of His Dark Materials that The Times calls 'Unputdownable'. The City was built on a sharp mountain that jutted improbably from the sea, and the sea kept trying to claim it back. That grey morning, once the tide had retreated, a whale was found on a rooftop. When a mysterious boy washes in with the tide, the citizens believe he's the Enemy - the god who drowned the world - come again to cause untold chaos. Only Ellie, a fearless young inventor living in a workshop crammed with curiosities, believes he's innocent. But the Enemy can take possession of any human body and the ruthless Inquisition are determined to destroy it forever. To save the boy, Ellie must prove who he really is - even if that means revealing her own dangerous secret . . . **Secrets of the Tide** Jun 03 2020 This postgraduate level text and reference treatise introduces readers to tides, tidal currents, storm-surges and sea level trends in coastal regions. The book is based on tidal waters of Maryland, Virginia, Chesapeake Bay and the Atlantic regions known to the author, and also provides international examples from the UK and different locations around the world, which allows readers to compare and contrast tidal regimes and to perform tidal analysis from data in their own environment. It is an important book for teachers, researchers, planners and engineers responsible for coastal defences as well as new infrastructure and waterway modification in ports and harbours. The wealth of informative detail and data provided makes this text worthwhile for readers who need a wider understanding of this increasingly important topic for coastal zone residents. MATLAB scientific programming language, simple-to-use Graphical User Interface (GUI) programs are introduced for students, researchers and engineering consultants, available at no cost from MATLAB Central file exchange (http://www.mathworks.com/matlabcentral). GUI programs provide the tools for analysing water level or water current observations, deriving the major tidal constituents, and showing first hand how tide and tidal current predictions are made in addition to producing unrivalled colour graphic visualisations. GUI is the author's tidal analysis and is particularly suited for the investigation of storm surge in coastal waters. Professor Boon has studied tidal behaviour in world coastal zones and here assembles information for public and private use from his capacity as advisor to state and federal authorities and corporate organisations. Introduces tides, tidal currents, storm-surges and sea level trends in coastal regions Provides examples from the US, the Atlantic, the UK and different locations around the world MATLAB scientific programming language and simple-to-use Graphical User Interface (GUI) programs are introduced for students, researchers and engineering consultants

**A Turn of the Tide** Mar 13 2021 In Thorne Manor there is one locked door. Behind it lies a portal to the twenty-first century, and nothing is going to stop Miranda Hastings from stepping through. After all, she is a Victorian writer of risqué pirate adventures—traveling to the future would be the greatest adventure of them all. When Miranda goes through, though, she lands in Georgian England...and in the path of Nicolas Dupuis, a privateer accused of piracy. Sheltered by locals, Nico is repaying their kindness by being their “pirate Robin Hood,” stealing from a corrupt lord and fencing smuggled goods on the village’s behalf. Miranda embraces Nico’s cause, only to discover there’s more to it than he realizes. Miranda has the second sight, and there are ghosts at play here. The recently deceased former lord is desperate to stop his son from destroying his beloved village. Then there’s the ghost of Nico’s cabin boy, who he thought safe in a neighboring city. Miranda and Nico must solve the mystery of the boy’s death while keeping one step ahead of the hangman. It may not be the escapade Miranda imagined, but it is about to be the adventure of a lifetime.

**A Dark and Twisted Tide** Sep 18 2021 'Bolton is a gripping storyteller, with fine, haunted characters' PETER JAMES Police sergeant Lacey Flint thinks she's safe. She thinks her new job with the river police, and her new life on a house boat, will keep her away from danger. But she's wrong. When Lacey discovers a body in the water, and sinister offerings appear in her home, she fears someone is trying to expose her darkest secret. And the river is the last place she should be.

**Black Tide** May 27 2022 A secret mission. A horror beyond imagination. In the last months of World War Two, the German Navy premiered a new and terrifying weapon. A submarine of incredible range that could strike anywhere, anytime. And it did, prowling the shipping lanes night and day, and striking fear into the Allies. It was just what Hitler needed to turn the tide of war. Until it disappeared without a trace. Now, more than seven decades later, the wreck of a previously unknown U-Boat has been found off the South American coast. A submarine so well preserved that it shouldn't exist. Eager to learn its secrets, a team of marine archaeologists arrive at a unique seafloor habitat to study the wreck up close. But something has survived on the empty sub. A dark and terrifying presence. Answering the panicked researcher's distress call, CUSP sends John Decker to assess the situation. What he finds on the cold and lonely ocean floor is unlike anything he has seen before. A horror from the blackest days of the war. And it doesn't want them to leave. At least, not alive. This is book six in the John Decker series, but it can be read as a standalone novel.

**Tidelands** Apr 25 2022 'Gregory is an experienced storyteller and doesn't let you down. Tidelands is a gripping and intelligent portrait of a woman fighting to survive in a hostile world' THE TIMES THE BRAND NEW SERIES FROM THE SUNDAY TIMES NUMBER ONE BESTSELLING AUTHOR England 1648. A dangerous time for a woman to be different . . . Midsummer’s Eve, 1648, and England is in the grip of civil war between renegade King and rebellious Parliament. The struggle reaches every corner of the kingdom, even to the remote Tidelands – the marshy landscape of the south coast. Alinor, a descendant of wise women, crushed by poverty and superstition, waits in the graveyard under the full moon for a ghost who will declare her free from her abusive husband. Instead she meets James, a young man on the run, and shows him the secret ways across the treacherous marsh, not knowing that she is leading disaster into the heart of her life. Suspected of possessing dark secrets in superstitious times, Alinor’s ambition and determination mark her out from her neighbours. This is the time of witch-mania, and Alinor, a woman without a husband, skilled with herbs, suddenly enriched, arouses envy in her rivals and fear among the villagers, who are ready to take lethal action into their own hands. ‘The first in a planned series . . . The author crafts her material with effortless ease. Her grasp of social mores is brilliant, the love story rings true and the research is, as ever, of the highest calibre' Elizabeth Buchan, Daily Mail ‘Vivid and beguiling – Philippa Gregory at her best’ woman&home 'A compelling novel that shines a light on the struggles of 17th century women' Daily Mirror 'The novel's power lies in Gregory’s evocative portrayal of the tidelands and the everyday lives of those who are bound to them' Sunday Express 'Philippa Gregory returns with an English Civil War novel that excels in everything she does best.
