Brave by Faith May 03 2022 Learn from the book of Daniel how to live confidently for Christ today. What does it look like to live with joy in a society that does not like what Christians believe, say or do? It's tempting to grow angry, keep our heads down, retreat or just give up altogether. But this isn't the first time that God's people have had to learn how to live in a pagan world that opposes God's rule. In this realistic yet positive book, renowned Bible teacher Alistair Begg examines the first seven chapters of Daniel to show us how to live bravely, confidently and obediently in an increasingly secular society. Readers will see that God is powerful and God is sovereign, and even in the face of circumstances that appear to be prevailing against his people, we may trust him entirely. We can be as brave as Daniel if we have faith in Daniel's God! "The message of Daniel is incredibly relevant for us in our generation. Not because it maps out a strategy for how to deal with our new lack of status ... or because Daniel was a great man and we need to follow his example. The reason is that it will help us to believe in Daniel's God." Alistair Begg, author.

Pathway to Freedom Jan 07 2020 God's code of conduct is as relevant and insistent today as it's always been. The landscape of contemporary society reveals that we neither know nor care much about the Law of God. There is: A general lawlessness in the lives of professing Christians. An absence of the fear of God in public worship and private living. A growing confidence in ourselves and doubt concerning God and His Word. Amidst this moral crisis, the message of the Ten Commandments can give us order, direction, and hope. With dynamic implications for how each of us lives every day, Pathway to Freedom will challenge you to think long and hard about the significance of God's Law. "We have entered into a time of moral crisis in our culture and in the church as well. Stories about divorce, adultery, and the individualized picking and choosing of doctrines abound. Pathway to Freedom is forthright and necessary teaching that today's church cannot afford to ignore. How now shall we live? The beginning of the answer must be in obedience to God's moral law summarized in the Ten Commandments." —CHARLES COLSON, PRISON FELLOWSHIP MINISTRIES, WASHINGTON, D.C.

Luke Feb 17 2021 Who was Luke? Was he one of Paul's companions? Was he a doctor? We do know that he was educated and cultured, writing for people far away from where Jesus lived. In his Gospel, we find the foundation of our Christmas stories and the best-loved parables, those of the Prodigal Son and the Good Samaritan. We see Jesus' concern for the poor and the marginalized,

especially women and children. And it's Luke who tells us of the repentant thief on the cross and of the risen Jesus accompanying the people on the road to Emmaus. In these twenty-six studies, we discover Luke's aim - to present the good news of Jesus as clearly and unambiguously as he can.

This book is suitable for all researchers, but is particularly designed for those practitioner-based researchers from the fields of education, social work, nursing, criminal justice and community work. This fresh new idea for those conducting small-scale research comes from a team of practising researchers who possess a broad range of experiences and knowledge of research design, execution and completion. They write in a user-friendly style that those researchers new to the subject will find easy to follow and understand. It will act both as a roadmap to planning, execution and completing research and also as a dip-in reference guide. Using features such as activity boxes to highlight key concepts and short summary boxes to indicate fundamental elements of the research area under discussion, this accessible book will be of great value to all who read it.

Habits of Grace Mar 09 2020 The Christian life is built on three seemingly unremarkable practices: reading the Bible, prayer, and fellowship with other believers. However, according to David Mathis, such “habits of grace” are the God-designed channels through which his glorious grace flows—making them life-giving practices for all Christians. Whether it’s hearing God’s voice (the Word), having his ear (prayer), or participating in his body (fellowship), such spiritual rhythms of the Christian life have the power to awaken our souls to God’s glory and stir our hearts for lifelong service in his name. What’s more, these seemingly simple practices grant us access to a host of spiritual blessings that we can only begin to imagine this side of eternity—and the incredible joy that such blessings bring to God’s children today.
