Star Trek TV series! Aboard the Starship Shenzhou, Lieutenant Michael Burnham, a human woman raised and educated among Vulcans, is promoted to acting first officer. But if she wants to keep the job, she must prove to Captain Philippa Georgiou that she deserves to have it. She gets her chance when the Shenzhou must protect a Federation colony that is under attack by an ancient alien vessel that has surfaced from the deepest fathoms of the planet's dark, uncharted sea. As the menace from this mysterious vessel grows stronger, Starfleet declares the colony expendable in the name of halting the threat. To save thousands of innocent lives, Burnham must infiltrate the alien ship. But to do so, she needs to face the truth of her troubled past, and seek the aid of a man she has tried to avoid her entire life—until now.

Something Real Feb 06 2020 Seventeen-year-old Bonnie™ Baker has grown up on TV—she and her twelve siblings are the stars of one-time hit reality show Baker's Dozen. Since the show's cancellation, Bonnie™ has tried to live a normal life, under the radar and out of the spotlight. But it's about to fall apart . . . because Baker's Dozen is going back on the air. Bonnie™'s mom and the show's producers won't let her quit and soon the life that she has so carefully built for herself, with real friends (and maybe even a real boyfriend), is in danger of being destroyed by the show. Bonnie™ needs to do something drastic if her life is ever going to be her own—even if it means being more exposed than ever before. Heather Demetrios' *Something Real* is the winner of the Susan P. Bloom PEN New England Discovery Award.

The Discovery of Chinese Logic Nov 16 2020 This book analyzes the discovery of Chinese logic as a paradigmatic case of the epistemic shifts that have shaped interpretations of China's intellectual heritage. Reconstructing the transcultural genealogy of a modern discourse, it adds a neglected chapter to the global history of philosophy.

Star Trek: Discovery: Drastic Measures Nov 09 2022 An all-new novel based upon the explosive Star Trek TV series! It is 2246, ten years prior to the Battle at the Binary Stars, and an aggressive contagion is ravaging the food supplies of the remote Federation colony Tarsus IV and the eight thousand people who call it home. Distress signals have been sent, but any meaningful assistance is weeks away. Lieutenant Commander Gabriel Lorca and a small team assigned to a Starfleet monitoring outpost are caught up in the escalating crisis, and bear witness as the colony's governor, Adrian Kodos, employs an unimaginable solution in order to prevent mass starvation. While awaiting transfer to her next assignment, Commander Philippa Georgiou is tasked with leading to Tarsus IV a small, hastily assembled group of first responders. It's hoped this advance party can help stabilize the situation until more aid arrives, but Georgiou and her team discover that they're too late—Governor Kodos has already implemented his heinous strategy for extending the colony's besieged food stores and safeguarding the community's long-term survival. In the midst of their rescue mission, Georgiou and Lorca must now hunt for the architect of this horrific tragedy and the man whom history will one day brand "Kodos the Executioner"....

Counterstrike: The Last World War, Book 2 Sep 14 2020 COUNTERSTRIKE When the alien war engulfing a distant planet spilled to Earth through a network of hidden portals, humankind was plunged into an apocalyptic, generations-old conflict between the Plysserians and the Chodrecai. Now, months after Earth's most powerful military forces formed a tenuous alliance with the Plysserians and countered a devastating, three-pronged Chodrecai offensive, alien survivors continue to wreak havoc on a shell-shocked Earth. Martial law and civil unrest run rampant. Resistance cells and pockets of Chodrecai sympathizers are gathering strength. And two U.S. Marines—Sergeant Major Simon DiCarlo and Sergeant Belinda Russell— remain trapped on the alien planet of Jontashreena. Now, as

human and Plysserian scientists and engineers race to unlock the intergalactic portals and harvest alien technology, Earth prepares for the most explosive battle for its existence. Joining the war effort are recruits like young Colin Laney, who will advance from Marine boot camp to the forefront of a massive invasion on alien terrain—with the fate of two worlds hanging in the balance.

Everyone Dies in the End Nov 28 2021 At seventeen, Sherman Andrews has been accepted in the Missouri Scholars' Academy. Sherman has had a ten-year plan since he was eight, and he is determined to become an award-winning investigative journalist. He is going places, unlike his low-brow plumber father or his absent mother. While researching his first project, a chance discovery of a mysterious photograph of four men, dated 1935, leads to Sherman uncovering records of deaths, disappearances, and cover-ups on an almost unbelievable scale. Too late, Sherman realizes the organization responsible is still around, and they're prepared to take drastic measures to keep him quiet. Sherman must decide if he wants to flee for his life, or risk everything to become the reporter he's always wanted to be. There are only two people he can trust to help him. One is Charlie, the cute, chubby student librarian at the historical society. The other is Denton, who claims that the organization is led by a shadowy man who died in 1966...and 1935...and 1864. The fact that Denton has been forcibly committed to a mental hospital is just an unfortunate misunderstanding. Something evil is about to reappear. And Sherman, with his Dictaphone, his ironed socks, and his ten-page resume, may be the only one who can prevent a tragedy. Interspersed with flashbacks to the original 1935 adventures, Everyone Dies is a lighthearted coming of age story about love, growing up, and what it's like to be buried alive.

Star Trek: Discovery: The Enterprise War Jun 04 2022 An all-new novel based upon the explosive Star Trek TV series! A shattered ship, a divided crew—trapped in the infernal nightmare of conflict! Hearing of the outbreak of hostilities between the United Federation of Planets and the Klingon Empire, Captain Christopher Pike attempts to bring the USS Enterprise home to join in the fight. But in the hellish nebula known as the Pergamum, the stalwart commander instead finds an epic battle of his own, pitting ancient enemies against one another—with not just the Enterprise, but her crew as the spoils of war. Lost and out of contact with Earth for an entire year, Pike and his trusted first officer, Number One, struggle to find and reunite the ship’s crew—all while Science Officer Spock confronts a mystery that puts even his exceptional skills to the test...with more than their own survival possibly riding on the outcome...

Architects of Infinity Aug 14 2020 An original novel set in the universe of Star Trek: Voyager, from the New York Times bestselling author! As the Federation Starship Voyager continues to lead the Full Circle Fleet in its exploration of the Delta Quadrant, Admiral Kathryn Janeway remains concerned

about the Krenim Imperium and its ability to rewrite time to suit its whims. At Captain Chakotay's suggestion, however, she orders the fleet to focus its attention on a unique planet in a binary system, where a new element has been discovered. Several biospheres exist on this otherwise uninhabitable world, each containing different atmospheres and features that argue other sentient beings once resided on the surface. Janeway hopes that digging into an old-fashioned scientific mystery will lift the crews' morale, but she soon realizes that the secrets buried on this world may be part of a much larger puzzle—one that points to the existence of a species whose power to reshape the galaxy might dwarf that of the Krenim. Meanwhile, Lieutenants Nancy Conlon and Harry Kim continue to struggle with the choices related to Conlon's degenerative condition. Full Circle's medical staff discovers a potential solution, but complications will force a fellow officer to confront her people's troubled past and her own future in ways she never imagined... ™, ®, & © 2018 CBS Studios, Inc. The Last World War Aug 26 2021 Independence Day meets Stargate in the skies over America, Europe, Russia, and Asia, and on the ground throughout the cities of the world. It started small, with an unprepared band of Marine reservists encountering deadly extraterrestrial visitors in the backwoods of Missouri. But this fatal First Contact rapidly escalates into a global crisis as mankind discovers that two warring species of aliens have invaded our world through a network of hidden interdimensional portals. The apocalyptic conflict between the hastily labeled "Blues" and "Grays" has already devastated their home planet. Now Earth has become the final battleground in a cataclysmic war whose origins are barely understood. Forced into a hasty alliance with the alien Blues, humanity has no choice but to brave the awesome Gray onslaught in every corner of the Earth. From the mean streets of Atlanta to the mountains of Afghanistan, from Washington, DC, to the alien's war-torn homeworld, all of humanity must unite to survive.

From History's Shadow Sep 26 2021 An original novel set in the universe of Star Trek: The Original Series! 2268: Following the encounter with the mysterious Gary Seven in the twentieth century, the crew of the U.S.S. Enterprise is startled by two intruders who have transported through space and time from Earth circa 1968. Incredibly, one of the infiltrators is a Vulcan, who asserts that he’s lived among Earth's population for over a decade. The other represents a little-known race, and reveals to Captain James T. Kirk that she has spent that last twenty years working to bring about humanity’s destruction. It is then that Gary Seven’s young protégé, Roberta Lincoln, arrives seeking Kirk’s help... 1947: In the wake of the infamous “Roswell Incident” involving a crashed alien craft and beings from another world, Captain James Wainwright finds himself recruited as one of the first members of Majestic 12, a secret organization with two goals: Collect evidence of extraterrestrial activity on Earth, and develop strategies to combat alien invaders. And it is this very mission that will consume Wainwright’s life for the next two decades, driven by the knowledge that the danger is as real as the aliens living among us...

Elusive Salvation Dec 18 2020 "Based upon Star Trek created by Gene Roddenberry."

The Autobiography of James T. Kirk Mar 09 2020 The Autobiography of James T. Kirk chronicles the greatest Starfleet captain's life (2233-2371), in his own words. From his youth spent on Tarsus IV, his time in the Starfleet Academy, his meteoric raise through the ranks of Starfleet, and his illustrious career at the helm of the Enterprise, this in-world memoir uncovers Captain Kirk in a way Star Trek

fans have never seen.

Star Trek: Kirk Fu Manual May 03 2022 In unabashed celebration of Captain James T. Kirk's singular fighting skills, *Star Trek: Kirk Fu Manual* is every Starfleet cadet's must-have training guide for surviving the final frontier. As captain of the legendary U.S.S. Enterprise, James T. Kirk engaged in his share of fisticuffs, besting opponents with a slick combination of moves and guile that remains unmatched. Is there anyone you'd rather have watching your back as you take on Klingons, alien gladiators, genetically engineered supermen, and even the occasional giant walking reptile? *Kirk Fu* is a series of unarmed combat techniques developed by one of Starfleet's most celebrated starship captains over several years of encounters with alien species on any number of strange new worlds. A blend of various fighting styles, *Kirk Fu* incorporates elements of several Earth-based martial arts forms as well as cruder methods employed in bars and back alleys on planets throughout the galaxy. It is as unorthodox in practice as it is unbelievable to behold. Including excerpts from Kirk's own notes and personal logs, the *Star Trek: Kirk Fu Manual* is the perfect training guide for surviving the depths of space. With proper training and practice, every Starfleet cadet can become one with *Kirk Fu*.

What Lies Beneath Dec 30 2021 An abandoned English village holds generations of dark secrets that are about to be uncovered in this gothic thriller by the author of *A Dark Dividing*. Some fifty years ago, Priors Bramley was emptied of its residents—all for the sake of a Cold War experiment with chemical weapons that went wrong. Since then, the cordoned off town has been known as The Poisoned village. But the locals don't know the half of it. Now, as *The Poisoned Village* is set to be reopened, its secrets are set to be unleashed. Tracing the contagion leads inexorably to the long-abandoned Cadence Manor, once home to generations of secretive, powerful bankers and their elegant wives. What happened there in the years before the World War I? What murderous madness infected

the family? And what is the source of the eerie music that, even now, can be heard drifting down the crumbling village streets?

Best Destiny May 11 2020 Events in a distant part of the Federation delay James T. Kirk's retirement from Starfleet and send him to Faramound--a world that takes Kirk on a journey back to his troubled youth. Reprint.

Knowledge and the Wealth of Nations: A Story of Economic Discovery Jan 19 2021 "What The Double Helix did for biology, David Warsh's Knowledge and the Wealth of Nations does for economics."

—Boston Globe A stimulating and inviting tour of modern economics centered on the story of one of its most important breakthroughs. In 1980, the twenty-four-year-old graduate student Paul Romer tackled one of the oldest puzzles in economics. Eight years later he solved it. This book tells the story of what has come to be called the new growth theory: the paradox identified by Adam Smith more than two hundred years earlier, its disappearance and occasional resurfacing in the nineteenth century, the development of new technical tools in the twentieth century, and finally the student who could see further than his teachers. Fascinating in its own right, new growth theory helps to explain dominant first-mover firms like IBM or Microsoft, underscores the value of intellectual property, and provides essential advice to those concerned with the expansion of the economy. Like James Gleick's Chaos or Brian Greene's The Elegant Universe, this revealing book takes us to the frontlines of scientific research; not since Robert Heilbroner's classic work The Worldly Philosophers have we had as attractive a glimpse of the essential science of economics.

The New Countess Mar 21 2021 The year is 1905 and King Edward VII has invited himself and his mistress to a shooting weekend with the Dilbernes. Now Isobel, the Countess, must turn a run-down mansion into a palace fit for a king. Just as well the family fortunes have been restored, but money

can't solve everything... not even a kidnapping. The servants refuse to condone the King's morals; Isobel's daughter, Lady Rosina – now widowed and wealthy – insists on publishing a scandalous book, and the mis-spent pasts of Viscount Arthur and his Irish-American wife Minnie rear up to blacken the family name. When fate deals a hand in the middle of the shooting party, Isobel must consider not only her leading position in Society, but her entire future. Fay Weldon brings an aristocratic Edwardian household to fabulous, vibrant life in this gorgeously witty tale of manners and morals, commoners and countesses, from one of Britain's best loved authors.

Dark Passions Book One Oct 16 2020 Klingons and Cardassians rule the Alpha Quadrant in an uneasy alliance that hides a viper's nest of backstabbing plots and counterplots. Annika Hansen has become a trained operative for the Obsidian Order. Her latest target: Kira Nerys, the duplicitous Intendant of Bajor, whose ruthless ambition has brought her to a position of power second only to the Regent himself, the fierce Klingon warrior known as Worf. To get close to her prey, Annika must worm her way into the Intendant's notoriously fickle affections. Easy enough to accomplish, perhaps, but it remains to be seen who is truly manipulating whom....

Star Trek: Discovery: Wonderlands Oct 08 2022 An all-new novel based upon the explosive Star Trek TV series! In a desperate attempt to prevent the artificial intelligence known as Control from seizing crucial information that could destroy all sentient life, Commander Michael Burnham donned the "Red Angel" time-travel suit and guided the USS Discovery into the future and out of harm's way. But something has gone terribly wrong, and Burnham has somehow arrived in a place far different from anything she could have imagined--more than nine hundred years out of her time, with Discovery nowhere to be found, and where the mysterious and cataclysmic event known as "the Burn" has utterly decimated Starfleet and, with it, the United Federation of Planets. How then can she possibly exist

day-to-day in this strange place? What worlds are out there waiting to be discovered? Do any remnants of Starfleet and the Federation possibly endure? With more questions than answers, Burnham must nevertheless forge new friendships and new alliances if she hopes to survive this future long enough for the Discovery crew to find her.... Star Trek: Discovery: Dead Endless Sep 07 2022 A novel based upon the explosive Star Trek TV series! The U.S.S. Discovery's specialty is using its spore-based hub drive to jump great distances faster than any warp-faring vessel in Starfleet. To do this, Lieutenant Paul Stamets navigates the ship through the recently revealed mycelial network, a subspace domain Discovery can briefly transit but in which it cannot remain. After responding to a startling distress call originating from within the network, the Discovery crew find themselves trapped in an inescapable realm where they will surely perish unless their missing mycelial fuel is found or restored. Is the seemingly human man found alone and alive inside the network the Starfleet officer he claims to be, or an impostor created by alien intruders who hope to extract themselves from the mycelial plane at the expense of all lives aboard Discovery?

Drastic Measures May 23 2021 This is a True Crime Case OPINION Book - key word OPINION - ON A HIGH-PROFILE TRUE CRIME CASE WHICH ENTERED ONTO THE PUBLIC STAGE ON AUGUST 13, 2018. Like most books written in the TRUE CRIME genre - this true crime case opinion

book includes opinions and theories on sensitive subject matters including but not limited to abuse, violence, and mental illness. Therefore, if you or a loved one has been a victim of violent crime, domestic violence, or child abuse please **DO NOT READ THIS BOOK**. If you choose to ignore this trigger warning and you experience any signs or symptoms of mental or emotional disturbance, please seek professional help immediately. **DRASTIC MEASURES ~ THE CASE OF CHRISTOPHER WATTS** is written to share opinions I have formed after extensive research of this case over the last three years, including speaking directly with Christopher Watts' mother - Cindy Watts - multiple times following the tragedy which occurred on August 13, 2018 at the Watts' family home in Frederick, Colorado. While I am supportive of Cindy Watts - and her right to speak - this book is not written at her direction or on her behalf. However, this book is written with **EXPRESS PERMISSION** from Cindy Watts, who has directly stated her blessings for any book I write - or audiobook/video that I create. This true crime case opinion book is written to explore my **OPINIONS** on the case itself, primarily to include my thoughts specific to Cindy's relationship with her daughter-in-law Shanann (pronounced "shan-uhn" - Shannon - by her birth family), and the dynamics of her daughter-in-law's relationships with Cindy's son and their two children. I will also explore my opinion on whether it is reasonable to believe that Christopher Watts may have been telling the truth when he insisted that he did not murder his children, Bella and Ce Ce Watts. And I will include my opinion on whether the threshold of the legal standard "**BEYOND A REASONABLE DOUBT**" would have been crossed by the prosecution had this case proceeded to trial. Over the last three years, since the public was initially told that poor little Bella and Ce Ce were murdered in what should have been the safety of their own home, there has been a narrative promoted on this case portraying Christopher Watts as nothing but an evil monster, while his wife always was and will forever be a saint. People who openly question the

narrative in the comment sections on social media are oftentimes harassed, threatened, and intimidated right along with those of us who have been targeted for abuse and harassment from the start, before many of us had even heard of this case. The attackers are an organized group of ruthless criminals, in my opinion, who are using multiple fake profiles, and who openly boast they will not stop harassing us, and our families, and our employers, etc. until they succeed in "DESTROYING" our lives. Clearly, their goal is to frighten all of us into silence, including Christopher Watts' mother, Cindy Watts. In my opinion, Christopher Watts is not evil - nor is his mother, who has been unfairly maligned and targeted for abuse and harassment since the day her son's case first hit the headline news. Also, in my opinion, contrary to the narrative being pushed by the attackers, Cindy Watts' daughter-in-law was probably not a saint. Maybe that's my opinion because I know the rest of the story. And, in my opinion, THE REST OF THE STORY deserves to be told. ~

Agents of Influence Jul 25 2021 An epic new Star Trek saga by New York Times bestselling author Dayton Ward set during the original Five-Year Mission! For years, Starfleet Intelligence agents have carried out undercover assignments deep within the Klingon Empire. Surgically altered and rigorously trained in Klingon culture, they operate in plain sight and without any direct support, while collecting information and infiltrating the highest levels of imperial power. Their actions have given Starfleet valuable insight into the inner workings of Klingon government and its relentless military apparatus. After three of Starfleet's longest serving agents fear exposure, they initiate emergency extraction procedures. Their planned rendezvous with the USS Endeavour goes awry, threatening to reveal their activities and the damaging intelligence they've collected during their mission. Tasked by Starfleet to salvage the botched rescue attempt, Captain James T. Kirk and the crew of the USS Enterprise must discover the truth behind a secret weapons experiment while avoiding an interstellar incident with the

potential to ignite a new war between the Federation and one of its oldest adversaries.

Destiny's Road Nov 04 2019 On Planet Destiny, Jemmy Blocher kills a laborer and flees for his life along the long road forged by the mysterious Cavorite and its crew, who disappeared more than 250 years earlier

Available Light Feb 17 2021 The past comes back to haunt Captain Jean-Luc Picard in this brand new thriller set in the universe of Star Trek: The Next Generation. Section 31, the covert organization which has operated without accountability in the shadows for more than two centuries, has been exposed. Throughout the Federation, the rogue group's agents and leaders are being taken into custody as the sheer scope of its misdeeds comes to light. Now Starfleet Command must decide the consequences for numerous officers caught up in the scandal—including Admirals William Ross, Edward Jellico, Alynna Nechayev, and Captain Jean-Luc Picard who, along with many others, are implicated in the forced removal of a Federation president. Meanwhile, deep in the distant, unexplored region of space known as the Odyssean Pass, Picard and the crew of the Starship Enterprise must put aside personal feelings and political concerns as they investigate a massive mysterious spacecraft. Adrift for centuries in the void, the ship is vital to the survival of an endangered civilization which has spent generations searching for a world to sustain what remains of its people. Complicating matters is a band of marauders who have their own designs on the ancient ship, with only the Enterprise standing in their way....

Star Trek: Discovery: Fear Itself Jul 05 2022 An original novel based upon the explosive new Star Trek TV series on CBS All Access. Lieutenant Saru is a Kelpien, a member of a prey species born on a world overrun by monstrous predators...and a being who very intimately understands the nature of fear. Challenged on all sides, he is determined to surpass his origins and succeed as a Starfleet officer

aboard the U.S.S. Shenzhou. But when Saru breaks protocol in order to prove himself to his crewmates, what begins as a vital rescue mission to save a vessel in distress soon escalates out of control. Forced into a command role he may not be ready for, Saru is caught between his duty and the conflicting agendas of two antagonistic alien races. To survive, he will need to seek a path of peace against all odds, and risk compromising the very ideals he has sworn to uphold....

Girl (In Real Life) Jul 13 2020 What's it like to grow up online and have every tantrum, every spot - even your first period - broadcast to hundreds of thousands of followers? Most parents try to limit their kids' online exposure. But not Eva's. Her parents run a hugely successful blog, Happily Eva After - and Eva is the star of the show. But Eva is getting sick of being made to pose in stupid mum-and-daughter matching outfits for sponsored posts. The freebies aren't worth the teasing at school. And when an intensely humiliating "period party" post goes viral, Eva is outraged. She's going to find a way to stop the vlog, even if she has to sabotage it herself.

The Viscount and the Vixen Dec 06 2019 Love begets madness. Viscount Locksley watched it happen to his father after his cherished wife's death. But when his sire arranges to marry flame-haired fortune hunter Portia Gadstone, Locke is compelled to take drastic measures to stop the stunning beauty from taking advantage of the marquess. A marriage of mutual pleasure could be convenient, indeed . . . as long as inconvenient feelings don't interfere. Desperation forced Portia to agree to marry a madman. The arrangement will offer the protection she needs. Or so she believes until the marquess's distractingly handsome son peruses the fine print . . .and takes his father's place! Now the sedate—and, more importantly, secure—union Portia planned has been tossed in favor of one simmering with wicked temptation and potential heartbreak. Because as she begins to fall for her devilishly seductive husband, her dark secrets surface and threaten to ruin them both—unless Locke is

willing to risk all and open his heart to love.

Near Death Sep 02 2019 A brilliant neuroscientist, obsessed with death since his own childhood near death experience, resorts to drastic measures to prove the existence of the afterlife. Milan, Italy today. It is the most serious crisis that the world has ever faced. Bewildered, young and old, believers and atheists are asking all the same, distressing questions: What will they do now that the greatest dream of humanity has turned into a nightmare? What will happen when the countdown clock winds to zero? Boston, a few months before. It is the most complex investigation that Cyrus O'Malley has ever faced. The FBI special agent looks at photos of the victims for the umpteenth time and wonders why, after being strangled, the serial killer has drilled a tiny hole through their skull. For Cyrus, the case becomes an obsession. To solve it, he will be forced to give up everything he holds dear. England, 1988. It is the most overwhelming feeling that Alex Weller has ever had. In ecstasy, at the pivot point between life and death, the boy sees a river of light flowing in front of him and on the other side there is his father, joyfully urging him to join him. But Alex cannot move, and suddenly he is back at the site of the terrible car accident that has just killed his parents. Since that time, Alex has had only one goal: to understand and relive that experience. Even if he is forced to kill.
