**A Kingdom of Flesh and Fire** Oct 04 2022 From #1  
New York Times bestselling author Jennifer L.

Armentrout comes a new novel in her Blood and Ash series... Is Love Stronger Than Vengeance? A Betrayal... Everything Poppy has ever believed in is a lie, including the man she was falling in love with. Thrust among those who see her as a symbol of a monstrous kingdom, she barely knows who she is without the veil of the Maiden. But what she does know is that nothing is as dangerous to her as him. The Dark One. The Prince of Atlantia. He wants her to fight him, and that's one order she's more

than happy to obey. He may have taken her, but he will never have her. A Choice.... Casteel Da'Neer is known by many names and many faces. His lies are as seductive as his touch. His truths as sensual as his bite. Poppy knows better than to trust him. He needs her alive, healthy, and whole to achieve his goals. But he's the only way for her to get what she wants—to find her brother Ian and see for herself if he has become a soulless Ascended. Working with Casteel instead of against him presents its own risks. He still tempts her with every breath, offering up all she's ever wanted. Casteel has plans for her. Ones that could expose her to unimaginable pleasure and unfathomable pain. Plans that will force her to look beyond everything she thought she knew about herself—about him. Plans that could bind their lives together in unexpected ways that neither kingdom is prepared for. And she's far too reckless, too hungry, to resist the temptation. A Secret... But unrest has grown in Atlantia as they await the return of their Prince. Whispers of war have become stronger, and Poppy is at the very heart of it all. The King wants to use her to send a message. The Descenters want her dead. The wolveren are growing more unpredictable. And as her abilities to feel pain and emotion begin to grow and strengthen, the Atlantians start to fear her. Dark secrets are at play, ones steeped in the blood-drenched sins of two kingdoms that would do anything to keep the truth hidden. But when the earth begins to shake, and the skies start to bleed, it may

already be too late.

Cursed Nov 12 2020 A compelling novel from Jennifer L. Armentrout, the New York Times bestselling author of the *Covenant* and *Lux* series. Dying sucks - and high school senior Ember McWilliams knows firsthand. After

a fatal car accident, her gifted little sister brought her back. Now anything Ember touches dies. And that, well, really blows. Ember operates on a no-touch policy with all living things - including boys. When Hayden Cromwell shows up, quoting Oscar Wilde and claiming her curse is a gift, she thinks he's a crazed cutie. But when he tells her he can help control it, she's more than interested. There's just one catch: Ember has to trust Hayden's adopted father, a man she's sure has sinister reasons for collecting children with abilities even weirder than hers. But when Ember learns the accident that turned her into a freak may not have been an accident at all, she's not sure who to trust. Someone wanted her dead, and the closer she gets to the truth, the closer she is to losing not only her heart, but her life. For real this time.
