The Woman Through the Keyhole Apr 05 2020 "I want the reader of my story to bear in mind that I had no devious forethoughts of lighting fire to the house. The act of which only administered when there was no other option to quell the terrifying images and aberrations that I've had to endure while living in that horrific nightmare. Perhaps if I were to tell you just some of my tale you'll realize that there was no other choice..." This short story tells the tale of woman who buys a mysterious house with a locked bedroom and her horrifying experience after she looks through its keyhole.

Atlas Oct 24 2021 An electrifying debut in the vein of Shirley Jackson's work and Daphne du Maurier's *Rebecca* about a British boy who, after his mother is abruptly called away to America, begins to suspect that perhaps she did not leave but was murdered--by the housekeeper who cares for him in the family's isolated country estate Nine-year-old Samuel lives alone in a once great estate in Surrey with the family's housekeeper, Ruth. His father is dead and his mother has been abroad for five months, purportedly tending to her late husband's faltering business. She left in a hurry one night while Samuel was sleeping and did not say goodbye. Beyond her sporadic postcards, Samuel hears nothing from his mother. He misses her dearly and maps her journey in an atlas he finds in her study. Samuel's life is otherwise regulated by Ruth, who runs the house with an iron fist. Only she and Samuel know how brutally she enforces order. As rumors in town begin to swirl, Samuel wonders

whether something more sinister is afoot. Perhaps his mother did not leave but was murdered--by Ruth. Artful, haunting and deliciously claustrophobic, *The Boy at the Keyhole* is an incandescent debut about the precarious dance between truth and perception, and the shocking acts that occur amid tightly knit quarters.

Doctor Strange and Philosophy Jul 21 2021 Explore the mind and world of the brilliant neurosurgeon-turned-Sorcerer Supreme Doctor Stephen Strange Marvel Comics legends Stan Lee and Steve Ditko first introduced Doctor Stephen Strange to the world in 1963—and his spellbinding adventures have wowed comic book fans ever since. Over fifty years later, the brilliant neurosurgeon-turned-Sorcerer Supreme has finally travelled from the pages of comics to the big screen, introducing a new generation of fans to his mind-bending mysticism and self-sacrificing heroics. In *Doctor Strange and Philosophy*, Mark D. White takes readers on a tour through some of the most interesting and unusual philosophical questions which surround Stephen Strange and his place in the Marvel Universe. Essays from two-dozen Philosophers Supreme illuminate how essential philosophical concepts, including existentialism, epistemology, metaphysics, and ethics, relate to the world of Doctor Strange. Fans will find answers to all their Strange questions: How does Doctor Strange reconcile his beliefs in science and magic? What does his astral self say about the relationship between mind and body? Why is he always so alone? And what does he mean when he says we're just “tiny momentary specks within an indifferent

universe”—and why was he wrong? You won't need the Eye of Agamotto to comprehend all that is wise within. *Doctor Strange and Philosophy* offers comic book fans and philosophers alike the chance to dive deeper into the world of one of Marvel's most mystical superheroes.

Peeking Through the Keyhole May 31 2022 Since the Second World War, rapid developments in the economy, family structure, technology, employment, and lifestyle have transformed the home. Avi Friedman and David Krawitz guide the reader through the trends and changes, many of them ill-conceived and wasteful, that have influenced residential design and construction over the last fifty years. Offering pragmatic suggestions for many problems, including the damage caused by suburban sprawl, the limits of standard single-family dwellings, and the widening gap between rich and poor, *Peeking Through the Keyhole* unravels the effects of technology and consumerism on the way we perceive and use domestic space.

Sweet Murder May 19 2021 What's a witch to do when the meanest man in the county drops dead in his coleslaw during her shift at the local barbecue joint? Noelle does what any good Southern girl would do: she flicks a wrist to clean up the mess, then thanks the stars for doing the world a favor. But that's just the beginning. She has the Magical Oversight Committee on her back because she can't keep her unruly little sister in line and the hunky new city-slicker sheriff would like to take her to dinner, except he suspects her of murder.

To top it off, her possessed miniature donkey is being particularly calamitous and the old hens at the local beauty parlor are laying bets on her love life. A skydiving best friend and a bossy, living-impaired aunt become the least of her worries when the killer decides to bump up the plan by bumping her off. Can she figure it out in time to save all that she holds dear, or will Noelle be next on the list of folks who've turned up dead? If you like laugh-out-loud southern wit, magic, and murder, you'll fall in love with this witchy cozy mystery series!

Principles and Practice of Keyhole Brain Surgery Nov 24 2021 A step-by-step guide to modern techniques of keyhole brain surgery Developed 20 years ago by leading innovators in the field, the keyhole concept of brain surgery has become an integral part of the practice of neurosurgery. This timely and comprehensive book covers the thinking, philosophy, and techniques of modern keyhole brain surgery, including a realistic assessment of its benefits and limitations. Written by expert practitioners and highlighted by vivid surgical illustrations and procedural videos, *Principles and Practice of Keyhole Brain Surgery* functions as an experienced mentor working side by side with neurosurgeons as they master the techniques. Special Features: Introduces the basic principles of the keyhole approach, including the practical, technical, and logistical aspects of planning procedures and operating through small openings Beautifully illustrated with over 1,000 endoscopic images, diagrams, surgical drawings, and operative photographs, many showing step-by-step procedures Details the pivotal role of the endoscope in keyhole brain surgery and its

ability to provide multiple angles of visualization, including a useful catalog of clinical situations where the endoscope has proven most effective Demonstrates contemporary keyhole approaches (e.g., the eyebrow/sub-frontal approach) in procedures for supratentorial intra-axial brain tumors, tumors of the cribriform plate and orbit, parasellar masses, craniopharyngiomas, tumors of the middle fossa and cavernous sinus, and many other conditions in the cranial base Offers more than 100 procedural videos on the Thieme MediaCenter, narrated by the authors and aligned to the chapters in the book for an unparalleled learning resource Providing all the information necessary to achieve surgical goals through well placed, smaller openings—with the added benefits of shorter procedures, fewer wound complications, and better patient outcomes—Principles and Practice of Keyhole Brain Surgery is essential for every neurosurgeon in practice today.

The Shape of the Keyhole Jan 15 2021

Keyhole Factory Jun 19 2021 Set in an alternate present that is a slightly, if dangerously, skewed version of our own, *Keyhole Factory* tracks the interwoven destinies of disparate characters up to and beyond the end of the world-as-we-know-it, brought on by a global super-virus. Beginning with a biting satire of an academic poetry conference, the novel moves on to encompass the stories of a poet-astronaut, a microbiologist contemplating an exit strategy from her high-level job designing biological weapons, a sports-car-driving killer who stages the aesthetic murders of utopian commune-dwellers, and a lone pirate

radio disc jockey who may be the last person left alive broadcasting her story to nobody. Allowing form and content to shape each other, William Gillespie pries open the confusion in a moment of total crisis through a narrative web-work technique derived from deranged fiction pioneer Harry Stephen Keeler. Part imaginative free-for-all and part deeply felt examination of isolation and survival, the individual lives in Keyhole Factory shine through the chaos in all their beauty and tragedy. With his signature wit and originality, Gillespie spins a glittering fever-dream that questions our assumptions about the way we interpret events and our relation to the planet, without ever losing sight of the underlying experience of what it feels like to be a human being in the world we live in today.

The Wind Through the Keyhole Mar 29 2022 For readers new to The Dark Tower, The Wind Through the Keyhole is a stand-alone novel, and a wonderful introduction to the series. The Dark Tower is soon to be a major motion picture starring Matthew McConaughey and Idris Elba, due in cinemas August 18, 2017. The No. 1 Sunday Times bestseller The Wind through the Keyhole is a perfect bridge between the fourth and fifth novels in Stephen King's epic masterpiece. A story within a story which features both the younger and older gunslinger, it is also a wonderful introduction to The Dark Tower series. As Roland Deschain, and his ka-tet leave the Emerald city, a ferocious storm halts their progress along the Path of the Beam. While they shelter from the starkblast, Roland tells a story about his younger days, when he was sent by his father to investigate evidence of a

murderous shape-changer. At the scene of the crime he had tried to comfort a terrified young boy called Bill Streeter by reciting a story from The Magic Tales of the Eld that his mother used to read to him at bedtime, 'The Wind through the Keyhole'. 'A person's never too old for stories,' he said to Bill. 'Man and boy, girl and woman, we live for them.' And stories like these, they live for us. JOIN THE QUEST FOR THE DARK TOWER... THE DARK TOWER SERIES: THE DARK TOWER I: THE GUNSLINGER THE DARK TOWER II: THE DRAWING OF THE THREE THE DARK TOWER III: THE WASTE LANDS THE DARK TOWER IV: WIZARD AND GLASS THE DARK TOWER V: WOLVES OF THE CALLA THE DARK TOWER VI: SONG OF SUSANNAH THE DARK TOWER VII: THE DARK TOWER THE WIND THROUGH THE KEYHOLE: A DARK TOWER NOVEL

The Wind Through the Keyhole Jan 03 2020 In his New York Times bestselling *The Wind Through the Keyhole*, Stephen King returns to the spectacular territory of the Dark Tower fantasy saga to tell a story about gunslinger Roland Deschain in his early days. *The Wind Through the Keyhole* is a sparkling contribution to the series that can be placed between Dark Tower IV and Dark Tower V. This Russian doll of a novel, a story within a story, visits Roland and his ka-tet as a ferocious, frigid storm halts their progress along the Path of the Beam. Roland tells a tale from his early days as a gunslinger, in the guilt-ridden year following his mother's death. Sent by his father to investigate

evidence of a murderous shape-shifter, Roland takes charge of Bill Streeter, a brave but terrified boy who is the sole surviving witness to the beast's most recent slaughter. Roland, himself only a teenager, calms the boy by reciting a story from the Book of Eld that his mother used to read to him at bedtime, "The Wind through the Keyhole." "A person's never too old for stories," he says to Bill. "Man and boy, girl and woman, we live for them." And stories like *The Wind Through the Keyhole* live for us with Stephen King's fantastical magic that "creates the kind of fully imagined fictional landscapes a reader can inhabit for days at a stretch" (The Washington Post).

The Boy at the Keyhole Oct 04 2022 A haunting, impossible-to-put-down thriller set almost entirely in a large and forbidding English mansion, in 1961. England, 1961. Samuel's mother has been away for 113 days. Now it's just Samuel and Ruth, the housekeeper, alone in the once-great house. His mother is abroad, purportedly tending to her late husband's faltering business. Samuel yearns for her return, but knows she must have had her reasons for leaving in the middle of the night, without saying goodbye. Although Samuel receives occasional postcards from his mother, her absence weighs heavily on his mind. And when his friend plants a seed of suspicion about Ruth, who rules the house with an iron fist, a dangerous idea is born. What if Ruth is responsible for his mother's disappearance? Samuel is soon obsessed with finding answers. Is Ruth the one person in his life who truly cares for him? Or is she a killer with a murderous plan? And

will Samuel be able to uncover the truth before it's too late? Artful and deliciously claustrophobic, *The Boy at the Keyhole* is a story of truth and perception, and of the shocking acts that occur behind closed doors. 'A fiendishly efficient, gorgeously written, nasty little thrill of a ride of a psychological thriller . . . A true tour-de-force of a debut novel' Lyndsay Faye, Author of *The Gods of Gotham*

Saving Sunni Oct 31 2019 Compared to the rest of her poly family, Jessie Chambers, sunni to the local BDSM community-needs to grow up. While her serious sister slave, sage, struggles through college, their master, Sir Rune, insists that sunni needs a job. sunni finds a position at the local goth/kink store, The Fringe Element, and is immediately embraced by its quirky owner. Things start to get complicated when sunni's ex tracks her down, claiming he's found God wants to be together again, and a video of sunni and Sir Rune doing a dramatic scene at the Keyhole ends up on television. sunni must find a way to restore her relationships, keep her master from being deported, take over running the store, and stop everyone else from trying to "save sunni."

Through the Keyhole Nov 05 2022 Scandal existed long before celebrity gossip columns, often hidden behind the closed doors of the Georgian aristocracy. But secrets were impossible to keep in a household of servants who listened at walls and spied through keyholes. The early mass media pounced on these juicy tales of adultery, eager to cash in on the public appetite for sensation and expose the shocking moral corruption of the

establishment. Drawing on a rich collection of original and often outrageous sources, this book brings vividly to life stories of infidelity in high places – passionate, scandalous, poignant and tragic. It reveals how the flood of print detailing sordid sexual intrigues created a national outcry and made people question whether the nobility was fit to rule. Susan C. Law is a journalist and historian. Her work has been published in a wide range of newspapers and magazines, including The Times Higher Education Supplement, BBC History Magazine and London Evening Standard. Dr Law completed her PhD in History at Warwick University, and has spent many years researching the 18th and 19th century aristocracy, servants, family life and country houses.

Book Overview **LET'S GET REAL** - This book is for women who would like to change their lives and make them better. It is also about perceptology, a coined term I have given this study of one's perception. Our situations change as we go through life, therefore our perception of them changes also. Having heard intimate secrets in intimate surroundings

with many women over the years, in my hairdressing career, I understand what is bothering many women today. With the aid of the subconscious mind, we can explore our early perceptions and see them in a different light. Some of these perceptions from our early life are stuck in our subconscious and are looking for solutions to be free. This is a workbook to help women find a way to let go of the negative things they have been carrying around since childhood. Using this method will allow them to see what's real and what's not. It is my intent to give you a plan and a pathway to follow to achieve the happiness in your life you deserve. Because the only thing you can really change in life is yourself, this book can help you do that. This book will take you from your earliest perceptions, to a different view of those perceptions. Help yourself see through the keyhole and look beyond, to what's really going on, on the other side of the door. Let's get real can help you do just that.

The Keyhole Opera Oct 12 2020 Bruce Holland Rogers has been writing fiction full-time since 1991. His works range from literary and experimental to SF, fantasy, and mystery, and many of the stories in *The Keyhole Opera* began as subscription stories and went on to be published in magazines and anthologies.

The Meaning of Home Sep 30 2019 We are so familiar with the features of our homes, the myriad little decorative details, that we have forgotten how to see them. We might look at a church, read a book or watch a film and attempt to understand its symbolism and its references, but we rarely look at our homes in the same light. Yet from the most ordinary

apartment to the most extravagant mansion, every home is a deep well of echoes. Windows to wardrobes, fireplaces to door knockers, Edwin Heathcote attempts to fathom the elements of our everyday domestic lives. *The Meaning of Home* explores how we build our houses on the souls of our ancestors: how ritual and symbolic elements transmute over time into practical features, and how often this symbolic charge ensures that those features last long after their practical uses are forgotten. After reading this scintillating book, home will never look quite the same again.

The Woman at the Keyhole Aug 02 2022 "[The Woman at the Keyhole is one] of the most significant contributions to feminist film theory since the 1970s." -- SubStance "... this intelligent, eminently readable volume puts women's filmmaking on the main stage.... serves at once as introduction and original contribution to the debates structuring the field. Erudite but never obscure, effectively argued but not polemical, *The Woman at the Keyhole* should prove to be a valuable text for courses on women and cinema." -- The Independent When we imagine a "woman" and a "keyhole," it is usually a woman on the other side of the keyhole, as the proverbial object of the look, that comes to mind. In this work the author is not necessarily reversing the conventional image, but rather asking what happens when women are situated on both sides of the keyhole. In all of the films discussed, the threshold between subject and object, between inside and outside, between virtually all opposing pairs, is a central figure for the reinvention of cinematic narrative.

Never Lost Again May 07 2020 As enlightening as *The Facebook Effect*, *Elon Musk*, and *Chaos Monkeys*—the compelling, behind-the-scenes story of the creation of one of the most essential applications ever devised, and the rag-tag team that built it and changed how we navigate the world *Never Lost Again* chronicles the evolution of mapping technology—the "overnight success twenty years in the making." Bill Kilday takes us behind the scenes of the tech's development, and introduces to the team that gave us not only Google Maps but Google Earth, and most recently, Pokémon GO. He takes us back to the beginning to Keyhole—a cash-strapped startup mapping company started by a small-town Texas boy named John Hanke, that nearly folded when the tech bubble burst. While a contract with the CIA kept them afloat, the company's big break came with the first invasion of Iraq; CNN used their technology to cover the war and made it famous. Then Google came on the scene, buying the company and relaunching the software as Google Maps and Google Earth. Eventually, Hanke's original company was spun back out of Google, and is now responsible for Pokémon GO and the upcoming *Harry Potter: Wizards Unite*. Kilday, the marketing director for Keyhole and Google Maps, was there from the earliest days, and offers a personal look behind the scenes at the tech and the minds developing it. But this book isn't only a look back at the past; it is also a glimpse of what's to come. Kilday reveals how emerging map-based technologies including virtual reality and driverless cars are going to upend our lives once again. *Never Lost Again* shows us how our worldview changed

dramatically as a result of vision, imagination, and implementation. It's a crazy story. And it all started with a really good map.

Theroux The Keyhole Sep 03 2022 Come round to Louis Theroux's house, where the much-loved documentary-maker finds himself in unexpected danger . . . Louis's latest TV series about weirdness – the one involving the American far right, home-grown jihadis, and SoundCloud rappers – has been unexpectedly derailed by the onset of a global pandemic. Now he finds himself locked down in a location even more full of pitfalls and hostile objects of inquiry: his own home. *Theroux the Keyhole* is an honest and hilarious diary of a man attempting to navigate the perils of work and family life in Covid World. Why is his wife so intolerant of his obsession with Joe Wicks's daily workouts? Can he reinvent himself as a podcast host? Why has the internet gone nuts for his old journalistic compadre Joe Exotic? And will his teenage sons ever see him as anything other than 'cringe'? This is Louis at his insightful best, as he faces unforeseen new challenges and wonders why it took a pandemic for him to learn that what really matters in life is right in front of him.

From the Inside of the Keyhole Aug 22 2021 Adventure, excitement, escape, and incarceration are keywords from the psychiatric autobiography, *From the Inside of the Keyhole*. This challenge to a diagnosis of manic depression or bipolar disorder will have you riding on the crest of a wave as you wonder what will happen next. Diagnosed with manic depressive psychosis at sixteen years of age, author Margaret Griffiths takes you on a

journey that will expose you to the detrimental effects of psychiatric drugs and the mysteries of life in a mental institution. You will find poignancy and heartbreak, interspersed with anger, frustration, hope, and achievement; you will be touched by the logic of unreality. Is it possible for a peaceful, rational individual to emerge from a plethora of drugs, frequent seclusions, and recurrent internment? From the Inside of the Keyhole is set mainly in Queensland, Australia, with a short period in Singapore and Hong Kong, but the message it carries is relevant around the globe. Check out the strategies, developed by the author, which may free you from the effects of emotional turmoil, lack of sleep, and the need for psychiatric drugs.

Looking Through the Keyhole Feb 02 2020

Through the keyhole Dec 06 2022 In 1857, a group of young people who had participated in an orgy in a private mansion was sentenced for contempt of public decency (outrage public à la pudeur) because a curious voyeur was able to watch them from the outside through a keyhole. In 1893, students who organised the Quat'z'Arts ball declared a 'war of the nude' against the courts by demanding that certain forms of public nudity be considered chaste. In the 1960s, a passionate debate ensued on whether women bathing topless on French beaches constituted indecent exposure. For Marcela Iacub, the crux of each of these debates hinges on where the public ends and the private begins, and what one can reveal and what one ought to hide. Through an analysis that blends the law, architecture, literature

and psychiatry, this book tells the story of public decency. We discover how the law has long exerted control over sexuality by distributing the visible world between illegal and legal domains with regard to certain behaviours, thus transforming real spaces into institutional and political spaces. Today, the term pudeur has disappeared from the French penal code to be replaced by Sex. But, far from being an epic story of hard-won freedom, Iacub demonstrates that the transformation techniques used by the State in the last two centuries have rendered sexuality into a spectacle and have conditioned our spaces, our clothes, our comportment and even some of our mental illnesses. In so doing, Iacub offers us a politico-legal history of the gaze.

The Keyhole Aug 29 2019 What happens when Amanda finds a locked room in the barn and looks through the keyhole? And what happens when she sees a cat in the room? And what happens when she discovers that the room is full of her grandfather's memories about a cat named Toots? Amanda can actually see a picture of each memory when she looks through the keyhole. It's like looking at the TV, but there is no sound. Amanda asks her grandfather to explain each event. The keyhole opens up a treasure trove of adventure stories about a young Canadian boy and a cat, growing up during the depression years of the 30's. The stories are narrated in a series of conversations between Amanda and her grandfather. McCavour blends a series of life learning experiences and an accurate description of cat behavior into an exciting adventure for readers and cat lovers of all ages.

Keyhole Approaches in Neurosurgery Feb 13 2021 Technological progress in neurosurgery - preoperative investigation of the exact anatomy of the patient, detailed planning of the procedure, and use of endoscopes and videosurgery – have made approaches for intracranial microsurgical procedures smaller compared to historically standard neurosurgical approaches. Building on the previous works "Endoscopic Anatomy for Neurosurgery" and "Keyhole Concept in Neurosurgery," this book offers a systematic overview of keyhole approaches in the daily work of a neurosurgeon. The approaches, strategies, indications and technical details described here are complemented by anatomical pictures, schemes, and artists' illustrations, and analyzed with regard to geometric boundaries and the topography of the target structures.

Blood Beyond the Keyhole Jul 01 2022

Theroux The Keyhole Jul 09 2020 A funny, revealing and insightful take on the madness of living and working during a pandemic from the always entertaining Louis Theroux.

The Wind Through the Keyhole Jan 07 2023 When they encounter a terrible storm on their way to the Outer Baronies, Roland Deschaine and his ka-tet--Jake, Susannah, Eddie, and Oy the Bumbler--take shelter and Roland passes the time by sharing two stories from his past.

Gotta Get Theroux This Aug 10 2020 From much-loved documentary maker Louis Theroux comes a funny, heartfelt and entertaining account of his life and weird times in TV. The

Sunday Times Bestseller. 'Honest and soul-searching' - Sunday Express _____ In 1994 fledgling journalist Louis Theroux was given a one-off gig on Michael Moore's TV Nation, presenting a segment on apocalyptic religious sects. Gawky, socially awkward and totally unqualified, his first reaction to this exciting opportunity was panic. But he'd always been drawn to off-beat characters, so maybe his enthusiasm would carry the day. Or, you know, maybe it wouldn't . . . In Gotta Get Theroux This, Louis takes the reader on a joyous journey from his anxiety-prone childhood to his unexpectedly successful career. Nervously accepting the BBC's offer of his own series, he went on to create an award-winning documentary style that has seen him immersed in the weird worlds of paranoid US militias and secretive pro-wrestlers, get under the skin of celebrities like Max Clifford and Chris Eubank and tackle gang culture in San Quentin prison, all the time wondering whether the same qualities that make him good at documentaries might also make him bad at life. As Louis woos his beautiful wife Nancy and learns how to be a father, he also dares to take on the powerful Church of Scientology. Just as challenging is the revelation that one of his old subjects, Jimmy Savile, was a secret sexual predator, prompting him to question our understanding of how evil takes place. Filled with wry observation and self-deprecating humour, this is Louis at his most insightful and honest best. _____ 'Funny, engaging' - Sunday Times 'Gripping' - Daily Mail 'Absorbing and surprisingly candid' - Telegraph Magazine

Open And Shut Case, An: The Story Of Keyhole Or Minimally Invasive Surgery Mar 05 2020 Keyhole surgery has been made possible through the rapid development of various medical technologies, first pioneered in the 1970s. Revolutionary in the way it reduced the risk, surgical complications, healing time and scarring compared to open surgery, keyhole surgery soon became the preferred method throughout many surgical specialities. Here, John Wickham, the 'godfather' of robotic surgery, reflects on a life spent in research, discovery and struggle for innovation in order to make keyhole surgery widespread, accessible and available to patients. An Open and Shut Case tracks the evolution of surgery in the later parts of the 20th century, from initial surgical training in the 1960s to the rapid growth in the field of minimally invasive techniques throughout the 1970s and 80s in many specialities, precursors to the techniques used today. It concludes with a look at the effect of the National Health Service on the practice of medicine and nursing in the UK throughout this time. Perfect for surgeons and those interested in the history of surgery and surgical techniques, it also focusses on lessons learnt, both good and bad, when dealing with the management of public health.

Looking Through a Keyhole a Memoir Sep 10 2020 Spencer shares her inspiring journey to independence after she loses her vision.

Endoscopic and Keyhole Cranial Base Surgery Jun 07 2020 The first two sections of this

text address endoscopic and keyhole surgical procedures for cranial base and deep brain structures. These sections provide a comprehensive, state-of-the-art review of this minimally invasive field and will serve as a valuable resource for clinicians, surgeons and researchers with an interest in cranial base surgery. The philosophy, techniques, indications and limitations of endoscopic and keyhole cranial base surgery are covered in detail. This reference includes a discussion of the basic principles of these approaches as well as the preoperative planning, intraoperative pearls, and reconstruction techniques. The thorough descriptions of the practical and technical aspects are accompanied by extensive illustrations, figures and operative images. Extending beyond the technical details of these procedures, this text provides a third section that focuses on a thorough analysis and comparison of the endoscopic, keyhole and traditional open approaches to specific intracranial regions. Utilizing a “target-based” approach, the utility of each surgical technique is evaluated in regard to accessing pathology of the anterior, middle and posterior fossa cranial base as well as the deep central regions of the brain. All chapters are written by experts in their fields and include the most up to date scientific and clinical information. Endoscopic and Keyhole Cranial Base Surgery will be a valuable resource to specialists in optimizing surgical results and improving patient outcomes.

Becoming Sage Mar 17 2021 With a failed marriage behind her, Jill Marten was looking to start a new chapter in her life. She had no idea that running into her old friend, Jessie, would unlock a whole new world. When she accepts Jessie's invitation to a party, in order to "try something completely different," it awakens a need to discover her place in a new community. Jessie, also known as sunni, is a submissive slave who is in a loving relationship with her Master, Sir Rune. When Rune and sunni ask Jill to be a part of their family, Jill begins her journey into submission, bondage, and polyamory, even as she questions everything that she has been taught about love and relationships. She begins to face her own desires and fears as she struggles with feelings of jealousy, inadequacy, and

self-worth. Once she opens the door to a life she never imagined, a peek through the keyhole is no longer enough, and she must learn what it means to become sage. Kasi Alexander's debut novel, *Becoming sage*, is the first installment in *The Keyhole Series*. An active member of the BDSM community, Kasi brings a true-to-life realism to her writing. This is not traditional erotica, but the series offers an intimate look into the lives of the men and women who live the BDSM lifestyle, in particular, the Master/slave dynamic

Keyhole country; a story about things you would certainly see if you went through the keyhole Jan 27 2022

Zippel Feb 25 2022 Paul returns home from school one day to discover a tiny ghost is living in the keyhole of his front door. He names him Zippel, and the little ghost is curious about everything, from food and clothes to how the toilet flushes! But Paul's parents want to change the locks - can Paul find Zippel a new home in time? Filled with colourful pictures from best-loved illustrator Axel Scheffler, *Zippel* is a charming story about finding friends in the most unexpected of places.

The Outsider Sep 22 2021 Now a major HBO and Sky Atlantic limited series starring Ben Mendelsohn. 'If you read only one thriller this summer, make it this one' Daily Mail A horrifying crime. Water-tight evidence points to a single suspect. Except he was seventy miles away, with an iron-clad alibi. Detective Anderson sets out to investigate the impossible: how can the suspect have been both at the scene of the crime and in another

town?

A peep through the keyhole; or, Matt Tuffin's troubles Apr 29 2022

Women and museums 1850–1914 Dec 02 2019 This book recovers the significant contribution made by women to museums, not just in obvious roles such as workers, but also as donors, visitors, volunteers and patrons. It suggests that women persistently acted to domesticate the museum, by importing domestic objects and domestic regimes of value, as well as by making museums more welcoming to children, and even by stressing the importance of housekeeping at the museum. At the same time, women sought 'masculine' careers in science and curatorship, but found such aspirations hard to achieve; their contribution tended to be kept within clear, feminised areas. The book will be of interest to those working on gender, culture, or museums in the period. It sheds new light on women's material culture and material strategies, education and professional careers, and leisure practices. It will form an important historical context for those working in contemporary museum studies.
