Media Experiences May 03 2020 **Media Experiences: Engaging with Drama and Reality** Television travels across people and popular culture, exploring the pathways to engagement and the various ways in which we shape and are shaped by the media landscapes in which we move. This exploration includes the voices and bodies, sights and sounds of audiences as they experience entertainment through television drama, reality TV, at live events, and within digital television itself as actors, participants and producers. It is about the people who create the drama, live events and reality entertainment that we experience. This book traverses the relationships between producers and audiences in shared places of a media imagination. Annette Hill's research draws on interviews and observations with over 500 producers and audience members to explore cultures of viewing across different genres, such as Nordic noir crime drama *The Bridge*, cult conspiracy thriller *Utopia*, and reality television audiences and participants in global formats *MasterChef* and *Got to Dance*. The research highlights how trends such as multi-screening, catch up viewing, amateur media and piracy work alongside counter-trends in retro television viewing where people relish the social ritual of watching live television, or create a social media blackout for immersive viewing. **Media Experiences** bridges the divide between industry and academia, highlighting how producers and audiences co-create, shape and limit experiences within emerging mediascapes.

Queenie May 27 2022 ONE OF TIME'S 100 BEST BOOKS OF THE YEAR ONE OF NPR'S BEST BOOKS OF 2019 NAMED ONE OF THE MOST ANTICIPATED BOOKS OF 2019 BY WOMAN'S DAY, NEWSDAY, PUBLISHERS WEEKLY, BUSTLE, AND BOOK RIOT! "[B]rilliant, timely, funny, heartbreaking." —Jojo Moyes, #1 New York Times bestselling author of *Me Before You* *Bridget Jones's Diary* meets *Americanah* in this disarmingly honest, boldly political, and truly inclusive novel that will speak to anyone who has gone looking for love and found something very different in its place. Queenie Jenkins is a twenty-five-year-old Jamaican British woman living in London, straddling two cultures and slotting neatly into neither. She works at a national newspaper, where she's constantly forced to compare herself to her white middle class peers. After a messy break up from her long-term white boyfriend, Queenie seeks comfort in all the wrong places...including several hazardous men who do a good job of occupying brain space and a bad job of affirming self-worth. As Queenie careens from one questionable decision to another, she finds herself wondering, "What are you doing? Why are you doing it? Who do you want to be?"—all of the questions today's woman must face in a world trying to answer them for her. With "fresh and honest" (Jojo Moyes) prose, Queenie is a remarkably relatable exploration of what it means to be a modern woman searching for meaning in today's world.

The Drama of Celebrity Oct 27 2019 Why do so many people care so much about celebrities? Who decides who gets to be a star? What are the privileges and pleasures of fandom? Do celebrities ever deserve the outsized attention they receive? In this fascinating and deeply researched book, Sharon Marcus challenges everything you thought you knew about our obsession with fame. Icons are not merely famous for being famous; the media alone cannot make or break stars; fans are not simply passive dupes. Instead, journalists, the public, and celebrities themselves all compete, passionately and expertly, to shape the stories we tell about celebrities and fans. The result: a high-stakes drama as endless as it is unpredictable. Drawing on scrapbooks, personal diaries, and vintage fan mail, Marcus traces celebrity culture back to its nineteenth-century roots, when people the world over found themselves captivated by celebrity chefs, bad-boy poets, and actors such as the "divine" Sarah Bernhardt (1844-1923), as famous in her day as the Beatles in theirs. Known in her youth for sleeping in a coffin, hailed in maturity as a woman of genius, Bernhardt became a global superstar thanks to savvy engagement with her era's most innovative media and technologies: the popular press, commercial photography, and speedy new forms of travel. Whether you love celebrity culture or hate it, *The Drama of Celebrity* will change how you think about one of the most important phenomena of modern times.

Enough of Him Jun 23 2019 To keep that part of me silent. That is what is unbearable. That is why I must be free. Based on a true story, *Enough of Him* explores the life of Joseph Knight, an African man enslaved by plantation owner Sir John Wedderburn and brought to Scotland to serve in his Perthshire mansion. Highly favoured by Wedderburn and yet still enslaved, Knight balances on the knife edge between obligation and a soul-deep yearning for freedom. He forges a bond with Annie, a young Scottish servant working in the household, and the two of them fall in love. But the walls of Ballindean do not keep secrets - their affair unsettles Lady Wedderburn, whose bitter loneliness is only deepened by the close bond her husband has with Knight. Joseph will endure bondage no longer. What happens when Joseph's dreams clash with those of the man who owns him? What becomes of us all when past brutalities bleed into our present realities? Written by Glasgow-based writer May Sumbwanyambe, this compelling domestic drama is a thrilling exploration of power and its attendant tensions: between those who are enslaved and those who are free, servants and masters, and husbands and wives. This edition was published to coincide with the world premiere Scottish tour by the National Theatre of Scotland, in October 2022.

At the Intersection of Disability and Drama Sep 18 2021 "Cripples ain't supposed to be happy" sings Anita Hollander, balancing on her single leg and grinning broadly. This moment--from her multi-award-winning one-woman show, *Still Standing*--captures the

essence of this theatre anthology. Hollander and nineteen other playwright-performers craftily subvert and smash stereotypes about how those within the disability community should look, think, and behave. Utilizing the often-conflicting tools of Critical Disability Studies and Medical Humanities, these plays and their accompanying essays approach disability as a vast, intersectional demographic, which ties individuals together less by whatever impairment, difference, or non-normative condition they experience, and more by their daily need to navigate a world that wasn't built for them. From race, gender, and sexuality to education, dating, and pandemics, these plays reveal there is no aspect of human life that does not, in some way, intersect with disability.

Television and the Drama of Crime Jul 29 2022 "Crime series are prime time viewing. They are significant in understanding the rhetorics of crime and law enforcement in our society. Richard Sparkes explores the relations between watching "cop shows" (like "Hill St Blues", "Miami Vice", "Bulman" and "The Sweeney") and the extent and intensity of public fear and alarm about crime. He examines the arguments about the effects of television violence; analyses the prevalence of certain predominant images and kinds of story, and their appeal to the audience; and relates them to the wider social and political agenda. He draws upon and successfully interweaves social theory, social psychology, cultural and media studies, narrative theory and criminology in providing an important account of the meanings of crime and law enforcement in contemporary culture."-- back cover.

A Critical Introduction to Twentieth-Century American Drama: Volume 1, 1900-1940 Aug 18 2021 This is the first of two volumes in which Christopher Bigsby offers extended critical readings of the work of the leading dramatists and theatre groups in twentieth-century America. In this century drama has emerged as one of the most exciting expressions of American creativity, and during the 1930s became a primary means of addressing the cultural, political and economic changes of the period. But it has received surprisingly little attention. This is a chronological and selective study related to American culture as a whole and providing a picture of a vigorous theatre in the process of discovering its own special strengths. Volume 1 begins with the companies who first broke away from the stifling world of melodrama and naturalism - the Provincetown and Washington Square Players. Christopher Bigsby describes the emergence of important individuals and companies throughout the period to 1940, giving extended critical accounts of some playwrights, particularly Eugene O'Neill, Elmer Rice, Clifford Odets. Thornton Wilder and Lillian Hellman, and distinguishing between the aims and policies of the various companies, including the Theatre Guild and the Group Theatre. The development of left-wing theatre from 1914 is separately discussed, followed by a chapter on the brief flowering of the Federal Theatre which popularised theatre for a mass audience via its successful Living Newspaper productions. A chapter on black drama includes works by and about black Americans during this period. Some of the important figures and productions are illustrated, and there are useful appendices listing performances by major theatre companies.

Grime Kids Nov 08 2020 An explosive insider account of grime, from subculture to international phenomenon. ***** A group of kids in the 2000s had a dream to make their voice heard - and this book documents their seminal impact on today's pop culture. DJ Target grew up in Bow under the shadow of Canary Wharf, with money looming close on the skyline. The 'Godfather of Grime' Wiley and Dizzee Rascal first met each other in his bedroom. They were all just grime kids on the block back then, and didn't realise they were to become pioneers of an international music revolution. A movement that permeates deep into British culture and beyond. Household names were borne out of those housing estates, and the music industry now jumps to the beat of their gritty reality rather than the tune of glossy aspiration. Grime has shaken the world and Target is revealing its explosive and expansive journey in full, using his own unique insight and drawing on the input of grime's greatest names.

Everything I Know About Love Apr 13 2021 THE SUNDAY TIMES BESTSELLER NOW A MAJOR BBC ONE TV SERIES 'There is no writer quite like Dolly Alderton working today and very soon the world will know it' Lisa Taddeo, author *Three Women* 'The book we will thrust into our friends' hands. Alderton feels like a best friend and your older sister all rolled into one and her pages wrap around you like a warm hug' Evening Standard Award-winning journalist Dolly Alderton survived her twenties (just about) and in *Everything I Know About Love*, she gives an unflinching account of the bad dates and squalid flat-shares, the heartaches and humiliations, and most importantly, the unbreakable female friendships that helped her to hold it all together. Glittering with wit, heart and humour, this is a book to press into the hands of every woman who has ever been there or is about to find themselves taking that first step towards the rest of their lives. 'Alderton is Nora Ephron for the millennial generation' Elizabeth Day 'Steeped in furiously funny accounts of one-night stands, ill-advised late-night taxi journeys up the M1, grubby flat-shares and the beauty of female friendships, as Alderton joyfully booze-cruises her way through her twenties' Metro 'Deeply funny, sometimes shocking, and admirably open-hearted and optimistic' Daily Telegraph 'A sensitive, astute and funny account of growing up millennial' Observer 'I loved its truth, self awareness, humour and most of all, its heart-spilling generosity' Sophie Dahl 'Alderton proves a razor-sharp observer of the shifting dynamics of long term female friendship' Mail on Sunday 'It's so full of life and laughs - I gobbled up this book. American Theatre: A Chronicle of Comedy and Drama 1914-1930 Oct 08 2020 The American Theatre series discusses every Broadway production chronologically--show by show and season by season. It offers plot summaries, production details, names of leading actors and actresses--the roles they played, as well as any special or unusual aspects of individual shows. This second volume in the series, covers what is probably the richest period in American theater, the years 1914 through 1930. Bordman includes most of Eugene O'Neill's work, along with playwrights as diverse as Elmer Rice and George Kaufman. Among the era's stars one finds John and Ethel Barrymore, Helen Hayes, Katherine Cornell, and Lynn Fontaine and Alfred Lunt. Considering the sheer number of productions, American theater climbed to its all-time high in the 1920s; by mid-decade, nearly 300 new plays appeared on Broadway each year. America saw more theatrical activity--in every sense of the word-- than any time before or since.

Transnational Television Drama Mar 13 2021 This history of British and American television drama since 1970 charts the increased transnationalisation of the two production systems. From *The Forsyte Saga* to *Roots* to *Episodes*, it highlights the close relationship that drives innovation and quality on both sides of the Atlantic.

***New Russian Drama* Dec 10 2020** New Russian Drama took shape at the turn of the new millennium—a time of turbulent social change in Russia and the former Soviet republics. Emerging from small playwriting festivals, provincial theaters, and converted basements, it evolved into a major artistic movement that startled audiences with hypernaturalistic portrayals of sex and violence, daring use of non-normative language, and thrilling experiments with genre and form. The movement's commitment to investigating contemporary reality helped revitalize Russian theater. It also provoked confrontations with traditionalists in society and places of power, making theater once again Russia's most politicized art form. This anthology offers an introduction to New Russian Drama through plays that illustrate the versatility and global relevance of this exciting movement. Many of them address pressing social issues, such as ethnic tensions and political disillusionment; others engage with Russia's rich cultural legacy by reimagining traditional genres and canons. Among them are a family drama about Anton Chekhov, a modern production play in which factory workers compose haiku, and a satirical verse play about the treatment of migrant workers, as well a documentary play about a terrorist school siege and a postdramatic "text" that is only two sentences long. Both politically and aesthetically uncompromising, they chart new paths for performance in the twenty-first century. Acquainting English-language readers with these vital works, *New Russian Drama* challenges us to reflect on the status and mission of the theater.

She and I Aug 06 2020 'Not only beautifully written but gripping and full of soul' SARAH PEARSE, author of *THE SANATORIUM* Best friends share everything. But murder is different. Isn't it? Keeley and Jude are closer than blood. They share everything: clothes, secrets, drinks - and blame. So when they wake up after a New Year's party to find Keeley's boyfriend stabbed to death beside them, they agree to share one more thing: the story they'll tell the police. But who is their story really meant to protect? As the murder investigation begins to send uncomfortable ripples through their community, the history of the girls' claustrophobic relationship comes under scrutiny, will the girls find there's such a thing as sharing too much? A Drama in Time Dec 30 2019 Published to weave together the untold stories of The New School's legacy Illustrated with over 400 images from the School's archive *A Drama in Time* is an illustrative and beautifully designed mosaic narrative that weaves together the many histories of one of America's most progressive universities. Founded by political dissidents in 1919, the School has become a byword for academic freedom and progressive thought. Now encompassing five schools, including Parsons School of Design, The New School is a center for notable designers, writers, musicians, artists and political activists. The book design is reflective of the change-making, status-quo pushing attitude of the school: dynamic and unexpected while remaining elegant. Contents: A character study of a university and a fresh take on the classic hero's journey, the book is a non-linear collection of stories designed to live on their own, and as a whole to give the reader an understanding of The New School's legacy and vision. Each story contains a mix of a title, body copy, photos with captions, pull-out quotes by recognizable members of our community, historical and modern courses, and related events/happenings/publications that cross time periods and schools. The Festival of New: 1-6 October 2019. The book will be launched during a campus-wide Festival open to the public celebrating the school's Centennial with talks, performances, exhibitions, parties and more.

Superhoe Sep 06 2020 'I'm a singer-slash-rapper. I'm not the sort of girl that will be working in fucking Wetherspoons for eight pounds an hour.' Sasha Clayton is twenty-four and living with her mum, stepdad, and irritating little sister, in Plaistow, East London. She's gone from being the most popular girl at school, to spending most of her time on her own in her bedroom scrolling through social media. She may not have a job or a flat, and, admittedly her boyfriend's not answering her calls - but she's got talent and a dream. When she releases her first EP everything's going to change. *Nicôle Lecky's play Superhoe* was first staged in the Jerwood Theatre Upstairs at the Royal Court Theatre, London, in January 2019, performed by its author and directed by Jade Lewis. It was the first collaboration between Talawa Theatre Company and the Royal Court.

Crime Nov 28 2019 Detective Inspector Ray Lennox has fled to Miami to escape the aftermath of a mental breakdown induced by occupational stress and cocaine abuse, and a harrowing child-sex murder case back in Edinburgh. But his fiancée Trudi is only interested in planning their wedding, and soon Lennox cast adrift, alone in Florida. A coke-fuelled binge brings him into contact with another victim of sexual predation, ten-year-old Tianna, and Lennox flees across the state with his terrified charge, determined to protect her at any cost. But can Lennox trust his own instincts? And can he handle Tianna, while still trying to get to grips with the Edinburgh murder?

Drama/Theatre/Performance Feb 09 2021 What is implied when we refer to the study of performing arts as 'drama', 'theatre' or 'performance'? Each term identifies a different tradition of thought and offers different possibilities to the student or practitioner. This book examines the history and use of the terms and investigates the different philosophies, politics, languages and institutions with which they are associated. Simon Shepherd and Mick Wallis: analyze attitudes to drama, theatre and performance at different historical junctures trace a range of political interventions into the field(s) explore and contextualise the institutionalisation of drama and theatre as university subjects, then the emergence of 'performance' as practice, theory and academic disciplines guide readers through major approaches to drama, theatre and performance, from theatre history, through theories of ritual or play, to the idea of performance as paradigm for a postmodern age discuss crucial terms such as action, alienation, catharsis, character, empathy, interculturalism, mimesis, presence or representation in a substantial 'keywords' section. Continually linking their analysis to wider cultural concerns, the authors here offer the most wide-ranging and authoritative guide available to a vibrant, fast-moving field and vigorous debates about its nature, purpose and place in the academy.
