Digest and Index of Decisions of the National Labor Relations Board

Speechless
Jan 04 2023 A factory worker is fired because her boss disagrees with her political bumper sticker. A stockbroker feels pressure to resign from an employer who disapproves of her hours political advocacy. A flight attendant is grounded because her airline doesn't like what she's writing in her personal blog. Is it legal to fire people for speech that makes employers uncomfortable, even if the content has little or nothing to do with their job or workplace? For most American workers, the alarming answer is yes. Speechless takes on the state of free expression in the workplace, exploring its history, explaining how and why Americans have come to take freedom of speech for granted, and demonstrating how employers can legally punish employees for speaking their minds. Bruce Barry shows how constitutional law erects formidable barriers to free speech in workplaces, while employment law gives employers wide latitude to suppress speech with impunity--even speech that is unrelated to the job or the company. Employers, with rights of ownership over not just what they manage but how they manage, can decide just how much speech they will tolerate. Workers have little choice but to accept conditions of employment elsewhere. Barry argues that a toxic combination of law, conventional economic wisdom, and accepted managerial practice has created an American workplace in which freedom of speech, the most crucial of civil liberties in a healthy democracy--is something you do after work, on your own time, and even then (for many), only if your employer approves. Barry proposes changes both to law and to management practice that would expand employees' expressive rights without jeopardizing the legitimate interests of employers. In defense of freer speech in and around the workplace, Barry argues that a healthy democracy depends in part on the experience of liberty at work. Workplaces are key venues for shared experience and public discourse, so workplace speech rights matter deeply for advancing citizenship, community, and democracy in a free society.

Freedom of Expression
Oct 21 2021 "The texts in this volume represent earlier contributions to an ongoing conversation about the meaning of "the freedom of speech, and of the press," collectively selected to help the reader situate and understand what has gone on before and to advance contemporary argument in a more informed way."--Introduction, page v.

Professional Issues in Speech-Language Pathology and Audiology, Fifth Edition
Sep 19 2021 The fifth edition of Professional Issues in Speech-Language Pathology and Audiology is a singularly comprehensive resource for students in speech-language pathology and audiology as they prepare for their professional careers. It also serves as a timely source of information for both practitioners

faculty, serving as an updated "state of the professions" desk reference. The book is divided into major sections: overview of the professions; employment issues; setting-specific issues; and working productively. The information presented in each section provides the reader with a better understanding and a new perspective on how professional issues have been affected by both internal and external influences in recent years including technological advances, demographic shifts, globalization, and economic factors. Chapter authors are recognized subject matter experts, providing a blend of both foundational and cutting-edge information in areas such as evidence-based practice, ethics, finding a job, interprofessional practice, service delivery in healthcare and education, technology, cultural competence, supervision, and leadership. Students reading this book will appreciate how the professions have evolved over time while acquiring a sense of where they stand now as they prepare to enter the professional world. Each of the topics covered in the book will continue to play important roles in the future of audiology and speech-language pathology, providing early career professionals with the requisite knowledge to achieve success in any setting.

Fifth Edition:

- * New coeditor Mark DeRuiter, PhD, MBA, CCC-A, CCC-SLP
- * 5 new chapters including Professional Accountability (Shelly Chabon and Becky Cornett); Safety in the Workplace (Donna Fisher-Smiley and Cynthia Richburg); Interprofessional Education and Interprofessional Practice (Alex Johnson); Counseling (Michael Flahive); and Advocacy (Tommie Robinson and Janet Deppe)
- * New authors Tricia Ashby, Bob Augustine, Stacy K. Betz, Janet Deppe, Cathy DeRuiter, Mark DeRuiter, Robin Edge, Susan Felsenfeld, Liza Finestack, Michael Flahive, Carolyn Higdon, Kelly M. Holland, Shirley Huang, Susan Ingram, Marie Ireland, Jeffrey Johnson, Pui Fong Kan, Lemmietta McNeilly, Lissa Power deFur, Gail Richard, Steve Ritch, Lisa Scott, and Tina Veale
- * Critical thinking questions at end of each chapter for classroom discussion and examination
- * Updated table of chapter content relevant to the Council for Clinical Certification standards for ASHA Certificate of Clinical Competence
- * Updated acronyms glossary
- * Updated figures and tables
- * Updated and expanded references

Disclaimer: Please note that ancillary content (such as documents, audio, and video, etc.) may not be included as published in the original print version of this book.

The Code of federal regulations is the codification of the general and permanent rules published in the Federal register by the executive departments and agencies of the federal government.

Administrative Law Nov 21 2021
In this new edition, author Steven J. Cann once again enlivens the topic of United States administrative law through the use of recent and "classic" legal cases making it accessible and interesting to students. Administrative Law, Fourth Edition is an engaging casebook that presents a unique problem-solving framework that contrasts democracy with the administrative state. This novel approach places the often complex subject matter of U.S. administrative law in a more comprehensible context. The Fourth Edition has been completely updated and revised and includes many new cases to reflect changes in the law since the year 2000.

The Best Ever Guide to Demotivation for Speech Therapists **Aug 31 2022** If you're looking to gain respect from your employees, increase your income and get more out of your friends, for you the Best Ever Guide to Demotivation for Speech Therapists is the book you're looking for. While The Best Ever Guide to Demotivation for Speech Therapists appears to be parody of motivational books, employers have used this book to get their employees to work harder and increase their standing in the community. Rather than showing you ways to motivate your employees so they'll want to work harder, this book shows you how to use fear and intimidation to MAKE them work harder, and that your friends give you the respect you think you deserve. Some of the ways you can use demotivation to get what you want include: *** Every Speech Therapist knows that meetings are a complete waste of time. Make yourself more efficient by turning up at every meeting fifteen minutes late, leaving early, and popping in and out while it's in progress. *** Maintain the distance between yourself, the Speech Therapist, and your friends by never smiling or saying hello to anybody. While this may appear rude, it's better than having to deal with their problems. *** Nobody gets a better deal at restaurants than Speech Therapists. Before dividing up the bill, calculate your share and see if it's cheaper to split the bill evenly, or for everybody to pay their own share. Do this every

save the maximum amount possible. *** Install phones in every bathroom stall and above the so your employees can continue working while they do their business. ***
