Turning This Thing Around Jul 29 2019 Turning This Thing Around is an inspiring memoir of overcoming personal struggles. This brutally honest, deeply personal account of redemption takes readers on a moving spiritual journey. Confronted with a myriad of obstacles—a debilitating arthritic disease, narcolepsy, anxiety and depression—the author was outwardly happy, but inwardly miserable. Pushed to the lowest point of his life, Maginn shares how he gradually turned things around and used his experiences to grow as a person. Supplemented by heartfelt poetry by the author and with quotes from Gandhi to Dr. Wayne Dyer to Eckhart Tolle, Turning This Thing Around has universal themes

that speak to nearly everyone, as we all must face challenges as part of being human. It is a self-help memoir of sorts: the author discusses not only what he overcame, but also how he did so—and how others can, too. Unlike many popular memoirs on the market, this is a story that more people can relate to. Maginn was not raised in an eccentric family (Jeannette Walls in *The Glass Castle*, memoirs by Augusten Burroughs), nor did he travel to Italy, India and Indonesia, as Elizabeth Gilbert did in *Eat, Pray, Love*. Rather, *Turning This Thing Around* is a story of a normal young man's resiliency when battling extraordinary circumstances.

**The One Who Got Away** Jun 19 2021 He has to get her back. Antony Kyle can't believe what's happening to him. First, Ella Webb—the head of security at his gaming company—quits on him. Then...she kisses him as if she's never wanted anyone more. They spend one incredible night together—a night that brands him to his core—and he wakes to find her gone. Gone. No,

not happening. Antony is not about to lose her now. Not when he's been obsessed with her for years. He can't have a taste and then lose...everything. She's done with his lies. Ella has been in love with her gorgeous, genius boss for far too long. And she's put up with his lies and secrets...for far too long! She'd fallen for his helpless act, thought that the man needed her, but now she has learned the truth. Antony Kyle is a secret spy, more than capable of looking after himself and taking out a whole army of bad guys. So, she gives in to the need that she's always felt for him, she allows herself one, unforgettable night with him, then she walks away. But he follows her. Antony can't lose Ella—not when he's finally had the woman he's wanted so desperately. But she's got a new job at Wilde—an elite protection and security firm—and he has to figure out a way to woo her back. So, he hires Wilde. Says that he needs protection. He pulls some strings (because the owner of Wilde happens to owe him about a

dozen favors), and Antony gets Ella assigned as his bodyguard. He thinks his plan is brilliant. He'll have Ella in close proximity again, and Antony is sure that he'll be able to convince her that they belong together. Though some groveling—and a whole lot of seduction—may just be involved in his master plan. Except...the danger turns out to be real. Someone is gunning for Antony, and he doesn't know if his enemy is from the spy world or the business world. He just knows that a big target is on his back. Now he and Ella have to unmask the threat that they never saw coming, before it's too late. As they fight to track the bad guy, Antony has to prove to Ella that he can be honest with her, and, if she gives him a shot...he just might be a man she can love. Because if he loses her again, Antony knows there will be no second chances. Author's Note: Their sexual tension can't be held in check. When Ella and Antony are close, they ignite. But with so many secrets and lies, can they find a happy ending? It will take a master

spy—and one very savvy new Wilde agent—to bring down the bad guy in this case. Wilde times are ahead again. Let's see where these two lovers lead as they fight for each other.

For years, he spent his days and his nights tracking some of the most brutal killers in the US. Now? He protects the rich and famous while working at Wilde. Less danger, more glamour...and a

whole lot more cash. His latest gig has taken him to the sandy beaches of Florida's Gulf Coast, and it's on one of those gorgeous beaches where he comes face to face with the woman who haunts his dreams. There are some people you can't leave behind. She was the last victim he saved at the Bureau. Penelope Kostas. The woman who survived a nightmare. He'd carried her out of hell in his arms, and Elijah had sworn to always protect her. But that promise had been given before his job at the Bureau had imploded. Before he'd broken every rule that mattered...for her. Only to have Penelope run from him. There are some promises you must keep. The serial killer who targeted Penelope was never apprehended, and Penelope fears that he could be hunting her once more. But this time, she will not be his victim. She wants Elijah to help her hunt him. To help her stop the killer before he can strike again. And she will pay any price for Elijah's help. anything for her...even kill to keep her safe. There are some desires that can't be controlled. Elijah still wants her just as badly. Penelope still needs him just as much. She stopped him from giving into the darkness that wanted to consume him, and now, he is ready for his second chance with her. Danger, desire—sure, they're part of the deal, but Elijah can handle any threat that comes their way. He will handle the threats because there is no way that he will ever lose Penelope again. Prepare

for action, twists, and a love that will not be denied. Things are going to be Wilde, and that is just Elijah's style...

She didn't know that her unnatural ability of forcing the truth out of people was just the beginning of her curse until her family is murdered in a horrific home explosion. Six months later she finds herself face to face with a Knight Protector and her life is turned into utter chaos. When David received his assignment on his twentieth birthday he was told that his destiny would be entwined with a woman soon to be born and that his aging would be halted. Since the moment Samantha was born, David protected her from her enemies. As every Knight before him, he does so in the shadows. But David must face the facts that something even deadlier than her enemies is occurring. No matter how much he denies it, he is falling in love with her. When her enemies begin to discover ways around his protection and murder her family he is forced to make a decision of what is more important to him; his family or his assignment. All it takes is one warning sign of danger to

convince him that he simply cannot live without Samantha and he takes a leap that will change their lives forever. Their only chance of survival is to discover what Samantha's destiny is and the journey leads them straight to the heart of the Knight family where they discover evil has infiltrated and it is up to them to stop the evil before it destroys the family and gains control of the very thing that God created the family to protect.
