Explore: beautiful stories that develop rich, natural vocabulary along with emotional competencies and values; Big Questions that encourage children to investigate real-life topics from different angles; support for early literacy and basic math skills; playful activities and class projects that promote collaboration and turn learning into fun!

Daily Higher-Order Thinking, Grade 4 Jan 03 2020 Critical thinking skills are more important than ever in academic and real-world situations. Daily Higher-Order Thinking provides you with daily activities that build and grow students' problem-solving skills in engaging formats such as logic and visual puzzles, brainteasers, creative writing, picture comparison, word play, and "what if" questions. Daily 20-minute practice lessons help students apply critical thinking skills across subject areas. The lessons develop students' higher-order thinking skills and allow them to integrate their learning and make deeper connections between their learning and the real world. Use Daily Higher-Order Thinking for warm-up exercises, extension activities, early finisher tasks, and small-group center activities to develop your students' critical and creative thinking skills. How it works: - Monday-Friday: Full-page daily activities focus on a specific behavioral verb each day. The verb is defined at the top of the page so students become aware of when and how they are using the thinking skill. - Each full-page activity gives students an opportunity to practice a higher-order thinking skill in the context of a different curriculum area. - Questions/tasks are open-ended and can be used to promote peer-to-peer discussions as students share and discuss answers, while also fostering critical thinking skills. - An answer key provides sample responses for each day's activities. Evaluate students' responses based on your own expectations and on what content your students have encountered. Grade 4 activities include: logic puzzles, creative writing, picture comparisons, and "what if" questions. Daily lessons practice higher-order thinking skills such as: - Analyzing - Predicting - Designing - Composing - Organizing - Evaluating - Imagining - Strategizing

The Reading Teacher's Book of Lists Dec 02 2019 The essential handbook for reading teachers, now aligned with the Common Core The Reading Teacher's Book of Lists is the definitive instructional resource for anyone who teaches reading or works in a K-12 English language arts-related field. Newly revised and ready for instant application, this top seller provides up-to-date reading, writing, and language content in more than 240 lists for developing targeted instruction, plus section briefs linking content to research-based teaching practices. This new sixth edition includes a guide that maps the lists to specific Common Core standards for easy lesson planning, and features fifty brand-new lists on: academic and domain-specific vocabulary, foundation skills, rhyming words, second language development, context clues, and more. This edition also includes an expanded writing section that covers registers, signal and transition words, and writers' craft. Brimming with practical examples, key words, teaching ideas, and activities that can be used as-is or adapted to students' needs, these lists are ready to differentiate instruction for an individual student, small-group, or planning multilevel instruction for your whole class. Reading is the center of all school curricula due to recent state and federal initiatives including rigorous standards and new assessments. This book allows you to skip years of curating content and dive right into the classroom armed with smart, relevant, and effective plans. Develop focused learning materials quickly and easily

Create unit-specific Common Core aligned lesson plans Link classroom practice to key research in reading, language arts and learning Adapt ready-made ideas to any classroom or level It's more important than ever for students to have access to quality literacy instruction. Timely, up to date, and distinctively smart, The Reading Teacher's Book of Lists should be on every English language arts teacher's desk, librarian's shelf, literacy coach's resource list, and reading professor's radar.

What I Like About Me Nov 05 2022 "Funny and heartfelt. I loved it." Melina Marchetta You know those movies where teenagers have the summer of their lives? This summer is probably not going to be that. Here lies Maisie Martin, dead from embarrassment, aged sixteen. The last thing Maisie Martin thought she'd be doing this summer is entering a beauty pageant. Not when she's spent most of her life hiding her body from everyone. Not when her Dad is AWOL for Christmas and her best friend starts going out with the boy she's always loved. But Maisie's got something to prove. And she's not going to let anything or anyone - including herself - hold her back.

SHORTLISTED FOR THE READINGS YOUNG ADULT BOOK PRIZE 2019 PRAISE FOR WHAT I LIKE ABOUT ME "Teens are gonna LOVE this book. Such a sweet coming of age tale." Clementine Ford, bestselling author of *Fight Like a Girl* "I wish I could have read this when I was fifteen - it would have changed everything." Claire Christian, author of *Beautiful Mess* "Heartfelt and unexpectedly deep under its sparkling exterior, this novel features an authentic teen voice, a diverse cast of genuinely likeable characters, a distinctly (and refreshingly) Australian ambience, and a charming protagonist." Readings "Coming of age in the new age requires fresh narratives in unsure times, and Guillaume chooses to uplift rather than shoot teenagers in a barrel. She teaches body positivity, support networks and shuns not talking about your problems. And that's laudable." Artshub (starred review)
