Mike and the Bike Jul 09 2020 This volume in the Kids of Canada series follows two children as they learn that sometimes the best way to get what you want is to share. Mike likes Jenny's bike, but he doesn't know how to ride one. He's too afraid to tell her that, so he tries to learn how to ride it on his own. That only makes trouble for them both. Mike and the Bike is a book for beginning readers that shows how young people can overcome their fears--

together.

Never Date Your Ex Sep 03 2022 She's the one woman I'd give anything to forget--and now I'm stuck living with her. I'm making a fresh start in Lake Tahoe, until my stubborn sister decides to move Mira into our cabin. I'll be damned if I move out on Mira's account.

Nothing has changed in the years since I last saw Mira. Her tempting body and smart mouth taunt me daily. The only hope I have at keeping my sanity is the knowledge that Mira is hiding something. Sooner or later I'll discover her secret, and knowing her, it'll be damning. But first, I have to ignore the urge to kiss and touch and make Mira mine again. --EXCERPT-- I grab her waist, guiding her back against the shelves. She kisses my cheekbone, nibbles my earlobe. "We can't do this here." That nibble shoots straight to my groin. "I beg to differ. I think we can manage." Once the walls come down, emotions run hot. Grab *Never Date Your Ex*, a sexy, second-chance romance! Keywords:

second chance romance, New Adult, second chances, enemies to lovers, suspense, first love, feel-good, casino romance, men of lake tahoe, romantic comedy, rom-com, steamy romance, second-chance romance, new adult romance, enemies-to-lovers, vacation read, beach read, workplace romance, alpha hero, high school crush, unrequited love

Meditations on the Lord's Prayer Mar 17 2021

Beguiled Feb 02 2020 When novelists Deeanne Gist and J. Mark Bertrand first met in a Houston critique group, they never expected where friendship would take them. She wrote romance; he wrote crime novels. But growing respect for each other's work culminated in the decision to try blending their talents into this wonderfully engaging story merging romance and mystery. Rylee Monroe walks dogs in old-money Charleston, a part of the city recently targeted by a daring thief. Logan Woods works the crime beat for the local paper but dreams of a life as a nonfiction writer. When the string of

robberies takes a strange twist, Logan sees the making of a once-in-a-lifetime book that seems to circle around this charming, eye-catching dogwalker. But pursuing the truth means ignoring that he seems to be falling for her. And what is she hiding in her past that could crack the story wide open?

House of Darke Sep 10 2020 Zade, Tina, Pip and Meadow are four teenagers enjoying an end-of-summer bike ride - that is until a mist descends, leaving them stranded at a picnic area in the middle of the countryside. What can they do? The grey fog is dense and they can't see a metre in front of them. They abandon their bikes and set off to seek help. Finding shelter by way of the secluded country house owned by the wealthy and charming Lord

Epacseon Darke, they had no idea what would happen next. Welcome to House of Darke - enjoy your stay!

Development Through the Lifespan May 31 2022 Laura Berk's *Development Through the Lifespan* is relied upon in classrooms worldwide for its clear, engaging writing style, exceptional

multicultural and cross-cultural focus, cutting-edge consideration of the interrelationships between heredity and environment, rich examples, and long-standing commitment to presenting the most up-to-date scholarship. This new edition continues to offer students research-based practical applications that they can relate to their personal and professional lives. Laura Berk, renowned professor and researcher, has revised the text with new pedagogy, a heightened emphasis on the interplay between heredity and environment, and an enhanced focus on many social policy issues, while emphasizing the lifespan perspective throughout. The latest theories and findings in the field are made accessible to students in a manageable and relevant way. Berk's signature storytelling style invites students to actively learn beside the text's "characters." Students are provided with an especially clear and coherent understanding of the sequence and underlying processes of human development, emphasizing the interrelatedness of all domains-physical, cognitive, emotional, social-throughout the text narrative and in special features. Berk also helps students connect their learning to their personal and professional areas of interest. Her voice comes through when speaking directly about issues students will face in their future pursuits as parents, educators, health care providers, social workers, and researchers. As members of a global and diverse human community, students are called to intelligently

approach the responsibility of understanding and responding to the needs and concerns of both young and old. While carefully considering the complexities of human development, Berk presents classic and emerging theories in an especially clear, engaging writing style, with a multitude of research-based, real-world, cross-cultural, and multicultural examples. Strengthening the connections among developmental domains and of theory and research with applications, this edition's extensive revision brings forth the most recent scholarship, representing the changing field of human development. Berk* 0205957609 / 9780205957606 *Development Through the Lifespan Ah, Music!* Feb 13 2021 What is Music? Music is rhythm. Music is melody. Music is feeling... and oh, so much more. In this richly layered compendium, Alike shares her keen insight about music and all its themes and variations. *Ah, Music!* is about composers and instruments. It's about artists and performers. It's about history -- from the earliest music through

classical, modern, jazz, and popular times. It's about diversity and pleasure. If you have a love of music in your bones, or if you are just learning, or if you are about to play in your first recital, it's about you. Ah, music!

Oskar Schindler Apr 05 2020 Spy, businessman, bon vivant, Nazi Party member, Righteous Gentile. This was Oskar Schindler, the controversial man who saved eleven hundred Jews during the Holocaust but struggled afterwards to rebuild his life and gain international recognition for his wartime deeds. David Crowe examines every phase of Schindler's life in this landmark biography, presenting a savior of mythic proportions who was also an opportunist and spy who helped Nazi Germany conquer Poland. Schindler is

best known for saving over a thousand Jews by putting them on the famed "Schindler's List" and then transferring them to his factory in today's Czech Republic. In reality, Schindler played only a minor role in the creation of the list through no fault of his own. Plagued by local efforts to stop the movement of Jewish workers from his factory in Kraków his new one in Brüz, and his arrest by the SS who were investigating corruption charges against the infamous Amon Gö Schindler had little say or control over his famous "List." The tale of how the "List" was really prepared is one of the most intriguing parts of the Schindler story that Crowe tells here for the first time. Forced into exile after the war, success continually eluded Schindler and he died in very poor health in 1974. He remained a controversial figure, even in death, particularly after Emilie Schindler, his wife of forty-six years, began to criticize her husband after the appearance of Steven Spielberg's film in 1993. In Oskar Schindler, Crowe steps beyond the mythology that has grown up around the story of Oskar Schindler and looks at the life and work of this man whom one prominent Schindler Jew described as "an extraordinary man in extraordinary times."
