Southeastern Florida Adventure Guide Jan 12 2021 The most detailed guide to the southern Atlantic coast of the Sunshine State a magnet for hundreds of thousands of tourists. The Adventure Guide to Southeast Florida takes you beyond the high-rise condos and urban sprawl to find natural, beautiful South Florida at its best. As with all Adventure Guides, the emphasis is on outdoor activities kayaking, canoeing, deep-sea fishing, scuba diving, turtle- and manatee-watching, and dozens of other ways to have fun. Many sidebar interviews with local experts and guides offer insights on everything from canoeing the Loxahatchee River to swimming with dolphins to seeking out great horned owls! Accommodations, restaurants and sightseeing too. Maps. Adventure Guides are the perfect travel companion for the modern explorer. Whether you're looking to backpack around your home state or boost the number of stamps in your passport by traveling overseas, these books will heighten your travel experience. Our team of knowledgeable authors offers comprehensive introductions that cover history, geography, climate, when to go, transportation, planning and culture. Region-by-region, the books then delve into the heart of the area, with driving tours and side trips to the best museums, historic sites and shops. But the focus is on activities, and you'll learn about the best spots for diving, snorkeling, horseback riding, hiking, biking, rock climbing and more. Extensive listings of recommended tour operators, too. Select places to stay and eat, as well as regional festivals and celebrations. Get soaked by crashing waves along a deserted beach; canoe through mangroves looking for birds; watch as a yellow-bellied turtle snuggles up to a snoozing gator; or reel in a six-foot sailfish. Interviews with the experts -- scuba divers, sky divers, pilots,

fishermen and park rangers -- add local flavor. These useful guides are highly recommended... Library Journal. This guide targets travelers eager to explore the destination. Extensively researched, the focus is on outdoor activities - hiking, biking, rock climbing, horseback riding, parasailing, scuba diving, backpacking, and waterskiing, among others - and all the details you need, including prices, are included. The best local outfitters are listed, along with contact numbers, addresses and recommendations. A comprehensive introductory section provides background on history, geography, climate, culture, when to go, transportation and planning. The guide then takes a region-by-region approach, plunging into the very heart of each area and the adventures offered, giving a full range of accommodations, shopping, restaurants for every budget, and festivals. All books have town and regional maps

Implementing Oracle Integration Cloud Service May 04 2020 Understand everything you need to know about Oracle's Integration Cloud Service and how to utilize it optimally for your business About This Book The only guide to Integration Cloud Service in the market Focused on practical action to deliver business value A professional's guide to an expensive product, providing comprehensive training, and showing how to extract real business value from the product Who This Book Is For This book is ideal for any IT professional working with ICS, any Oracle application or cloud solution developer or analyst who wants to work with ICS to deliver business value. What You Will Learn Use ICS to integrate different systems together without needing to be a developer Gain understanding of what a number of technologies and standards provide - without needing to understand the fine details of those standards and technologies Understand the use of connectors that Oracle provide from technology based connections such as file and database connections to SaaS solutions ranging from Salesforce to Twitter Enrich data and extend SaaS integration to route to different instances Utilize a number of tools to help develop and check that your integrations work before connecting to live systems Introduce and explain integration concepts so that the integrations created are maintainable and sustainable for the longer term Provide details on how to keep up to date with the features that Oracle and partners provide in the future Get special connections developed to work with ICS In Detail Businesses are built on data, and applications that access that data. In modern businesses the same cloud-based data stores and applications might be accessed by hundreds of different applications from thousands of different devices via APIs. To make this happen, APIs must be wired together i.e. integrated. Oracle Integration Cloud Service provides a complete method for integrating enterprise applications in the cloud. Integration Cloud Service (ICS) provides a cloud hosted means to integrate systems together using a graphical means to define and represent integrations. This book will be a comprehensive, hands-on guide to building successful, high-availability

integrations on ICS. This book sets out to demonstrate how ICS can be used to effectively implement integrations that work both in the cloud and on premise. It starts with a fast, practical introduction to what ICS can do for your business and then shows how ICS allows you to develop integrations not only quickly but in a way that means they are maintainable and extensible. Gradually it moves into more advanced integrations, showing how to achieve sophisticated results with ICS and work with external applications. Finally the book shows you how to monitor cloud apps and go beyond ICS to build even more powerful integrated applications. By the end of the book, you will have the knowledge on how to use ICS to solve your own integration needs and harness the technologies in a maintainable and sustainable manner. Style and approach This book will take a pragmatic approach and will be a business-focused guide to delivering business value with ICS.

Amon Aug 19 2021 For much of the mid-twentieth-century, Amon G. Carter Sr. was the man who invented the cowboy at least the larger-than-life Texas version that captured the imagination of the public, presidents, movie stars, and moguls. Carter donned his cowboy persona to build Fort Worth, from the Star-Telegram up, and much of the rest of West Texas. Jerry Flemmons brings to life the mythic huckster and newspaper giant who ushered the likes of Gary Cooper, Charles Lindbergh, Will Rogers, and Ike through the back door of his Fort Worth mansion and feted them at his Shady Oak Farm with rodeos and parties.
