Around the World in Eighty Days (Annotated with Biography of Verne and Plot Analysis) Sep 07 2022 Around the World in Eighty Days was published in 1873 and features Phileas Fogg as the protagonist. Fogg, a noble Londoner who lived on Savile Row, had made a wager at the Reform Club, for £20,000 (worth over a million pounds in 21st century value) that he could travel around the world in eighty days. Fogg is a very careful and precise man who has just fired his manservant for bringing him shaving water that was two degrees colder than he asked for. Fogg has a new valet, Jean Passepartout, a young Frenchman, who is looking forward to a quiet life with Phileas. Around the World in Eighty Days is Verne at his most fun - there was plenty of comic relief in the novel. He was able to use his own experience of recent travels to provide background for the narrative. The book was finished under a punishing deadline Verne set for himself - not unlike Fogg's deadline for circumnavigating the world. The book was the most successful in terms of sales during the author's lifetime, selling 108,000 copies before his death. This annotated edition includes a biography and critical essay.

Conversational Spanish Dialogues for Beginners and Intermediate Students Jun 23 2021 It can be very frustrating when you cannot communicate with Spanish speaking people and trivial things can be a cause of major annoyance, especially when you cannot explain yourself using Spanish. The best way to improve your Spanish is by reading a book from which you can learn realistic Spanish conversation. This book contains 100 Spanish short stories for beginners and intermediate students and allows new Spanish speakers to hone their reading skills and learn dialogue and typical expressions used in daily life. The first 40 conversations are most suitable for beginners, the conversations are casual, and each story is followed by simple learning questions. The next 40 short stories based on dialogue are more for intermediate students and those who are interested in reading good short stories with entertaining content. The last 20 short stories are longer and are more for advanced students and those who need to expand their Spanish vocabulary. The book offers the best of both worlds, combining a conversational Spanish learning book for beginners and an entertaining Spanish short story book for intermediate students. Learning Spanish dialogue has never been more fun! Get your copy now!

***Spanish Dramatists of the Golden Age Apr 09 2020** The 16th and 17th centuries were the most fruitful periods for Spanish literature. The Golden Age of Spanish drama extends from the close of the 15th century to the death of Calderon in 1681. During that time, Spanish playwrights looked to Italy for inspiration, but from the beginning they sought to avoid slavish imitation of classical and Italian drama. Instead, these playwrights attempted to give Spanish drama its own identity. This reference includes alphabetically arranged essays for 19 of the most important Spanish dramatists of the Golden Age. Each essay provides extensive biographical information, a critical discussion of the playwright's dramatic production, a critical analysis of one major play, and a bibliography of primary and secondary sources. The volume closes with a selected general bibliography on the most important drama of this period.*

Sport in the Iberian Peninsula Dec 30 2021 *This is the first book in English to offer an overview of the development of the sport industry in Spain and Portugal, examining the social, economic, cultural, and political impact sport has had in this region and on world sport more broadly. Drawing on sources in Spanish and Portuguese, the book presents important new perspectives and empirical material not previously available to English-speaking audiences. With a strong focus on management, development, economics, governance and law, set in a broader historical and socio-cultural context, the book explains the unique characteristics of the sport industry in the Iberian Peninsula. It takes a deep dive into Spanish and Portuguese football - in many ways the centre of gravity of Iberian sport - and into sport tourism, a hugely significant component of the broader economy of the region. The book also considers important emerging themes in Iberian sport, from the development of women's sport to the global profile of Cristiano Ronaldo and Rafael Nadal, and considers the wider influence of Iberian sport across the wider Hispanic diaspora. This is fascinating and illuminating reading for anybody with an interest in sport business and management, global sporting cultures, international business, or Hispanic or Latin American studies.*

You also get access to one audio mp3 file that contains 10 of the more extensive stories.

Vuelta Skelter Aug 06 2022 Tim Moore completes his epic (and ill-advised) trilogy of cycling's Grand Tours. Julian Berrendero's victory in the 1941 Vuelta a Espana was an extraordinary exercise in sporting redemption: the Spanish cyclist had just spent 18 months in Franco's concentration camps, punishment for expressing Republican sympathies during the civil war. Seventy nine years later, perennially over-ambitious cyclo-adventurer Tim Moore developed a fascination with Berrendero's story, and having borrowed an old road bike with the great man's name plastered all over it, set off to retrace the 4,409km route of his 1941 triumph - in the midst of a global pandemic. What follows is a tale of brutal heat and lonely roads, of glory, humiliation, and then a bit more humiliation. Along the way Tim recounts the civil war's still-vivid tragedies, and finds the gregarious but impressively responsible locals torn between welcoming their nation's only foreign visitor, and bundling him and his filthy bike into a vat of antiviral gel.

Viva La Vuelta! Nov 09 2022 A history of the Vuelta a Espana that recounts the story of the Spanish cyclists, whose lives reflect the changes their country has undergone. The story of the Vuelta is also an account of a race trying to establish itself in an international calendar where the Tour de France and Giro d'Italia had the advantage of a clear head-start.

Hesitancy and Experimentation in Enlightenment Spain and Spanish America May 23 2021 Published in memory of Ivy L. McClelland, a pioneer-scholar of Spain's eighteenth century, this volume of original essays contains, besides an Introduction to her career and internationally influential writings, three previously unpublished essays by McClelland and nine studies by other scholars, all of which are focused on elucidating the Enlightenment and its characteristic manifestations in the Hispanic world. Among the Enlightenment writers and artists, works and genres, themes and issues discussed, are: Nicolás Moratín and epic poetry, Lillo's The London Merchant and English and French influences on eighteenth-century Spanish drama, José Marchena and literary historiography, oppositions and misunderstandings within Spanish society as reflected in El sí de las niñas, Goya and the visual arts, Quintana's Pelayo and historical tragedy,

Enlightenment discourse, the Periodical Press, theatre as propaganda, the ideology and politics of Empire, the roots of revolt in late viceregal Quito, women's experience of Enlightenment in Spain, social and cultural difference in colonial Peru, ideological debate and uncertainty during the Age of Reason, eighteenth-century Spain on the nineteenth-century stage, and public opinion in Spain on the eve of the French, and European, Revolution. First published as a Special Issue of the Bulletin of Spanish Studies (LXXXVI [November-December 2009], Nos 7-8), this book will be of value and stimulus to all scholars concerned to investigate and interpret the culture, theatre, ideology, society and politics of the Enlightenment in Spain, Europe and Spanish America.

Cycling the Canal de la Garonne Jul 13 2020 This guidebook presents a cycle ride along the Canal de la Garonne in the south of France. The 290km route is covered in 7 stages from bustling Bordeaux to the splendid rose city of Toulouse, with a 135km excursion from to Lacanau on the Atlantic coast. Optional side trips explore the countryside and historical towns and villages, including Agen, Moissac, Marmande and Montauban. Mainly flat and easy cycling, including 193km along the main canal towpath, this is an easy route suitable for lone cyclists, families, groups and those using e-bikes. It is perfect for those planning a cycling holiday, and for people boating on the canal or holidaying nearby who want to get out and explore. A detailed route description is accompanied by 1:50,000 maps, with fascinating information about the places encountered along the route and notes on the region's history and the building of the canal. The guidebook also contains practical information on travel, choosing the right bike and equipment, facilities and cycle shops.

Vuelta Skelter Jul 05 2022 Julian Berrendero's victory in the 1941 Vuelta a España was an extraordinary exercise in sporting redemption: the Spanish cyclist had just spent 18 months in Franco's concentration camps. Seventy nine years later, perennially over-ambitious cyclo-adventurer Tim Moore developed a fascination with Berrendero's story, and having borrowed an old road bike with the great man's name plastered all over it, set off to retrace the 4,409km route of his 1941 triumph - in the midst of a global pandemic

Nossa and Nuestra América Nov 04 2019 Is Brazil part of Latin America or an island unto itself? As Nossa and Nuestra América: Inter-American Dialogues demonstrates, this question has been debated by Brazilian and Spanish American intellectuals alike since the early nineteenth century, though it has received limited scholarly attention and its answer is less obvious than you might think. This book charts Brazil's evolving and often conflicted relationship with the idea of Latin America through a detailed comparative investigation of four crucial Latin American essayists: Uruguayan critic José Enrique Rodó, Brazilian writer-diplomat Joaquim Nabuco, Mexican humanist Alfonso Reyes, and Sérgio Buarque de Holanda, one of Brazil's preeminent historians. The author argues that Brazil plays a necessary and necessarily problematic role in the intellectual construction of Latin America. Nossa and Nuestra América will be of interest to scholars and students of Latin American and Luso-Brazilian literature and ideas, and to anyone interested in rethinking comparative approaches to literary texts written in Portuguese and Spanish.
