Mordin on Time Apr 11 2021 In Mordin On Time, Nick Mordin sets out his method for answering the most fundamental question facing punters in any race, namely: which is the fastest horse? He was timing the sections of races with a stop watch, estimating wind strength and direction, adjusting for movements of running rails, using projected times and calculating average times years before the best-selling American books on speed rating were published. This new edition incorporates much new material, including standard times for all Irish racecourses (plus the major French ones). Mordin On Time enables the reader to construct their own speed ratings wherever they live.

Back to Basics Audio May 13 2021 Back-to-Basics Audio is a thorough yet approachable handbook on audio theory, practice, and allied electrical systems. Electrical principles are first discussed in elementary terms as a basis for understanding audio components and equipment, covered in a hands-on style in the rest of the book. The publication is a bridge between engineers, salespeople, and technicians. Finally, elements of home theater audio and projection are addressed in practical terms.

The Cruel Trade Oct 30 2022 When a remote valley deep in East Africa is discovered, a handsome tribe, descended from the Queen of Sheba, is found living there. The Sultan of Zanzibar is keen to establish his presence. Tippu Tip, the Sultan's Machiavellian minister, orders a heavily armed expedition, led by the unwilling Captain Khalil, to seize the valley as a stepping-stone towards the sultan's ambition of ruling the whole of Africa. The Cruel Trade tells the story of a fascinating and brave expedition as it crosses the untamed savannah. A tale of betrayal and fear, but also courage and great love, this dramatic story gives an illuminating insight into a turning point in the long and bloody history of East African slavery.

Winter's Child Jul 15 2021 It's one month after their wedding, and the future looks bright for Judge Deborah Knott and Sheriff Deputy Dwight Bryant--until a disturbing call from Dwight's 8-year-old son Cal calls him back to Virginia. When he arrives, he is shocked to find that his ex-wife has left the boy alone for almost 24 hours. Worse, as Dwight tries to confront her, she takes the child and leaves town without a word. As Dwight embarks on an all-points search, Deborah hurries to his side. But will they be able to work together to decipher the ex-wife's motives--and, more importantly, will they find young Cal before he comes to harm?

Ovid Selected Works Aug 28 2022 The compilers, J.C and M.J. Thornton, have used the translations of the sixteenth and seventeenth centuries, which they believe render more faithfully than those of any other age the even clarity of Ovid's style. The volume commences with Marlowe's free translation of *The Elegies*, which has a youthful zest about it that might well have saved it from oblivion even without Marlowe's later fame. Next comes *The Letters of the Heroines*, translated by George Turberville, followed by Francis Wolferton's rendering of the three books of *The Art of Love*, which has had few translators. Wolferton's version is here revised and presented in a way that does not seek to bowdlerize the serious purpose of the book, while retaining the polite urbanity of the original. Arthur Golding's version of *The Metamorphoses*, which conveys in the swing of the lines and vividness of the language the enthusiasm and enjoyment of the translation, is also included and reminds one that Shakespeare plucked his 'odoriferous flowers of fancy' from its pages. Other selections from this very representative volume include John Gower's translation of *The Festivals*, Zachary Caitlin's, John Gower's, and Wye Saltonstall's *Letters from Exile*, and Thomas Underdown's *Invective against Ibis*.

A House to Remember Nov 18 2021 What happened at 10 Rillington Place was so shocking and gruesome that even today everyone over a certain age still remembers the case with a shudder. In 1950, Timothy Evans was hanged for the violent murder of his baby daughter; he was also assumed to have murdered his wife. Then, less than three years later, another tenant, John Christie, was found to have killed at least six women, hiding their bodies in the garden, under floorboards and in a concealed kitchen alcove. Christie followed Evans to the gallows. It seemed unlikely that two murderers were living at 10 Rillington Place, and the evidence that emerged in the Christie case eventually led to Evans receiving a pardon. But there was also circumstantial evidence that Evans had indeed killed his wife and child. Crime student Edna Gammon firmly believes that Evans was guilty. In *A House To Remember*, she explains why.

The Blue Notebook Feb 07 2021 Many writers and artists have undertaken the difficult task of recreating the image of Lenin for their contemporaries and future generations. *The Blue Notebook* by the well-known Soviet author Emmanuil Kazakevich (1913-1962) has become one of the most popular books about Lenin. A notebook in a blue cover actually did exist. In it Lenin jotted down notes for his famous book *State and Revolution* which he worked on in the difficult days preceding the Great October Socialist Revolution. At the time Lenin was in hiding at Razliv Station, from where he directed the preparations for the armed uprising. "He was a passionate traveler, a hunter, a crack shot, a top-notch driver, the life of the party, witty and full of fun... Moreover, he was a truly courageous soldier." This portrait of Kazakevich was drawn by his contemporary and colleague, the writer Alexander Tvardovsky. During the Second World War Kazakevich, commander of a platoon, was asked to join the staff of the brigade newspaper. After working on the paper for a short while he asked to be transferred back to the front lines. "The front lines are important to me not only as a patriot, but as a writer," he said. Emmanuil Kazakevich was born in the Ukraine in 1913, the son of a teacher. His first book, a volume of poetry, was published in 1932. He translated the works of Pushkin, Lermontov, and Mayakovsky into Yiddish. Kazakevich's first prose work, *The Star*, is a harsh, yet sensitive war story which gained him world fame. This was followed by *Spring on the Oder*, *Heart of a Friend*, *Two in the Steppe*, *The House on the Square*, *By the Light of Day* and *The Blue Notebook*, the author's last work. Kazakevich was twice awarded the State Prize for Literature.

Bologna (Italy) - Wink Travel Guide Nov 06 2020 Although it is well known by Italians, it is less so among foreign visitors. Bologna is the capital and largest city of Emilia-Romagna (a region in northern Italy). Bologna is famed for the oldest university in the Western world, lively student population, exquisite food, typical brick terracotta-roofed architecture and porticos, theatre and nightlife. It is considered second only to Venice in beauty by many Italians and certainly has one of the largest and best preserved historic centers among Italian cities. Its architecture is noted for its palette of terracotta reds, burnt oranges, and warm yellows, hence the name of *Bologna la rossa* (Bologna the red). *Wink Travel Guides* introduce you to the best world travel destinations, in a clear and concise way, illustrated by photos.

Portrait Revolution Aug 04 2020 Based on the popular international collaborative art project, *Julia Kay's Portrait Party*, this book features hundreds of portraits in multiple mediums and styles teamed with tips and insights on the artistic process. The human face is one of the most important subjects for artists, no matter their chosen medium. Pulling from 50,000 works of portraiture created by the artists of the international online collaborative project *Julia Kay's Portrait Party*, *Portrait Revolution* presents a new look at this topic—one that doesn't limit itself to one medium, one style, one technique, or one artist. By presenting portraits in pencil, pen, charcoal, oils, watercolors, acrylics, pastels, mixed media, digital media, collage, and more, Julia Kay and co. demonstrate the limitless possibilities available to aspiring artists or even to professional artists who are looking to expand creatively. Along with works in almost every conceivable medium, *Portrait Revolution* shines a spotlight on different portrait-making techniques and styles (featuring everything from realism to abstraction). With tips, insights, and recommendations from accomplished portrait artists from around the globe, this all-in-one inspiration resource provides everything you'll need to kick-start your own portrait-making adventure.

Credit Analysis and Lending Management Apr 23 2022 *Credit Analysis and Lending Management* is a new Australasian text that focuses on the core lending functions of financial institutions, covering asset management, credit risk assessment and analysis, lending policy formulation and management, and the rise of new product development and marketing in the financial services sector. The value of any financial institution is measured by its ability to effectively manage and reduce its credit risk. This text details the structure of the credit organisation, including loan markets. Relevant financial statements are presented to develop students' interpretative and analytical understanding of financial statements. Features: * Developments in loan marketing and new loan products are profiled and assessed (see chapter 17.) * Problem loan management is discussed as a growing professional issue (see chapter 16). * Detailed case studies at the end of the text present a diverse set of professional scenarios that can be used for assignment, assessment and group work activities. * 'Industry insight' boxes profile current professional issues and identify industry developments. * 'A day in the life of...' boxes highlight the diversity of professional roles in the banking industry.

And Yet... Aug 16 2021 "This collection of essays brings together some of the finest pieces Hitchens published over the last two decades for the first time in one book, addressing with characteristic wit and erudition the subjects he is best known for, including: the case against God, faith and religious observance; the case for intervention in Iraq; indictments of towering political figures like Bill and Hillary Clinton, Tony Blair, and Henry Kissinger; and celebrations of the writers and thinkers whose work meant most to him" --

Eastern Inferno Sep 16 2021 "Remarkable personal journals . . . revealing the combat experience of the German-Russian War as seldom seen

before . . . a harrowing yet poignant story" (*Military Times*). Hans Roth was a member of the anti-tank panzerjager battalion, 299th Infantry Division, attached to the Sixth Army, as the invasion of Russia began. As events transpired, he recorded the tension as the Germans deployed on the Soviet frontier in June 1941. Then, a firestorm broke loose as the Wehrmacht tore across the front, forging into the primitive vastness of the East. During the Kiev encirclement, Roth's unit was under constant attack as the Soviets desperately tried to break through the German ring. At one point, after the enemy had finally been beaten, a friend serving with the SS led him to a site—possibly Babi Yar—where he witnessed civilians being massacred. After suffering through a brutal winter against apparently endless Russian reserves, his division went on the offensive again when the Germans drove toward Stalingrad. In these journals, attacks and counterattacks are described in you-are-there detail. Roth wrote privately, as if to keep himself sane, knowing his honest accounts of the horrors in the East could never pass Wehrmacht censors. When the Soviet counteroffensive of winter 1942 begins, his unit is stationed alongside the Italian 8th Army, and his observations of its collapse, as opposed to the reaction of the German troops sent to stiffen its front, are of special fascination. Roth's three journals were discovered many years after his disappearance, tucked away in the home of his brother. After his brother's death, his family discovered them and sent them to Rosel, Roth's wife. In time, Rosel handed down the journals to Erika, Roth's only daughter, who had emigrated to America. Roth was likely working on a fourth journal before he was reported missing in action in July 1944. Although his ultimate fate remains unknown, what he did leave behind, now finally revealed, is an incredible firsthand account of the horrific war the Germans waged in Russia.

Stochastic Tools in Mathematics and Science May 25 2022 "Stochastic Tools in Mathematics and Science" covers basic stochastic tools used in physics, chemistry, engineering and the life sciences. The topics covered include conditional expectations, stochastic processes, Brownian motion and its relation to partial differential equations, Langevin equations, the Liouville and Fokker-Planck equations, as well as Markov chain Monte Carlo algorithms, renormalization, basic statistical mechanics, and generalized Langevin equations and the Mori-Zwanzig formalism. The applications include sampling algorithms, data assimilation, prediction from partial data, spectral analysis, and turbulence. The book is based on lecture notes from a class that has attracted graduate and advanced undergraduate students from mathematics and from many other science departments at the University of California, Berkeley. Each chapter is followed by exercises. The book will be useful for scientists and engineers working in a wide range of fields and applications. For this new edition the material has been thoroughly reorganized and updated, and new sections on scaling, sampling, filtering and data assimilation, based on recent research, have been added. There are additional figures and exercises. Review of earlier edition: "This is an excellent concise textbook which can be used for self-study by graduate and advanced undergraduate students and as a recommended textbook for an introductory course on probabilistic tools in science." *Mathematical Reviews*, 2006
