American Harvest Jun 24 2019 An epic story of the American wheat harvest, the politics of food, and the culture of the Great Plains For over one hundred years, the Mockett family has owned a seven-thousand-acre wheat farm in the panhandle of Nebraska, where Marie Mutsuki Mockett's father was raised. Mockett, who grew up in bohemian Carmel, California, with her father and her Japanese mother, knew little about

farming when she inherited this land. Her father had all but forsworn it. In *American Harvest*, Mockett accompanies a group of evangelical Christian wheat harvesters through the heartland at the invitation of Eric Wolgemuth, the conservative farmer who has cut her family's fields for decades. As Mockett follows Wolgemuth's crew on the trail of ripening wheat from Texas to Idaho, they contemplate what Wolgemuth refers to as "the divide," inadvertently peeling back layers of the American story to expose its contradictions and unhealed wounds. She joins the crew in the fields, attends church, and struggles to adapt to the rhythms of rural life, all the while continually reminded of her own status as a person who signals "not white," but who people she encounters can't quite categorize. *American Harvest* is an extraordinary evocation of the land and a thoughtful exploration of ingrained beliefs, from evangelical skepticism of evolution to cosmopolitan assumptions about food production and farming. With exquisite lyricism and humanity, this astonishing book attempts to reconcile competing versions of our national story.

God Country Vol. 1 Nov 02 2022 SOUTHERN BASTARDS meets American Gods in a high-stakes fantasy series that masterfully blends high-octane action and jaw-dropping worldbuilding. In *GOD COUNTRY*, readers meet Emmett Quinlan, an old widower rattled by dementia. Emmett isn't just a problem for his children, his violent outbursts are more than the local cops can handle. When a tornado levels his home, as well as the surrounding West Texas town, a restored Quinlan rises from the wreckage. God, Country, Notre Dame Mar 02 2020 I have traveled far and wide, far beyond the simple parish I envisioned as a young man. My obligation of service has led me into diverse yet interrelated roles: college teacher, theologian, president of a great university, counselor to four popes and six presidents. Excuse the list, but once called to public service, I have held fourteen presidential appointments over the years, dealing with the social issues of our times, including civil rights, peaceful uses of atomic energy, campus unrest, amnesty for Vietnam offenders, Third World development, and immigration reform. But deep beneath it all, wherever I have been, whatever I have done, I have always and everywhere considered myself essentially a priest. —from the Preface

God, Country and Tattoos Dec 11 2020 From *Dancing with the Devil to Living for the Lord* He served in the America Armed Forces. Now a soldier of the cross and fights still, to turn America back to God. In *God, Country, and Tattoos: A Cry for Freedom*, Dennis Dwyer (biker, award-winning tattoo artist and seminarian), recounts the history of the tattoo arts and expounds on America's Bible-based origins. America has changed over the last four decades, and not for the good. From the unique vantage point of his tattoo parlor, and by exchanging personal journeys and

stories with thousands of people from across America and the world, Dwyer takes a loving look back at America's history, while viewing the future with a tear in his eye. Still, Dwyer sees hope for America. America has hope, if we act now, sharing America's incredible history and rich spiritual foundation with younger generations. "God, country, and tattoos: each of these three, through the tension each creates in the others, has shaped my life, forming the foundation upon which I stand," the author writes. You will be inspired and moved as you read of Dwyer's broken past, new birth in Christ, and his plea to America to return to God in, God, Country, and Tattoos: A Cry for Freedom. Dennis Dwyer is an Eagle Scout, Navy veteran, avid student of American history, and a patriot who loves America and the biblical principles upon which she was founded. In his over 40 years as a world-traveling professional tattooist, he has made over 40,000 "marks." He has served as Executive Director of APT (Alliance of Professional Tattooists), co-directed the Tattoo Tour for 10 years, and owned and operated Ancient Art Tattoo of Tucson for 25 years. He has performed associate pastoral work in his church for ten years and now studies at Phoenix Seminary.

James Oliver Curwood May 28 2022 Now he would become an avid conservationist in the early days of that movement, a change that would lead indirectly to his death 13 years later.

God's Country May 04 2020 Here is a compelling and controversial new book that explores the enormous political influence that some religious groups currently wield. God's Country focuses particularly on the issue of personal privacy rights and the strategies and rhetoric these religious groups are using to diminish those rights among select segments of society. Author Sandy Rapp, a grassroots activist, shares her experiences in one-on-one debates with religious fundamentalists who have been on opposite sides of the social issues for which she has so passionately fought in recent years. God's Country poses some provocative questions that are certain to spark debate among enlightened religious professionals, professors, and students of political science, government, women's history, human sexuality, and religion.

God and My Country Jun 04 2020 MACKINLAY KANTOR Pulitzer Prize-winning author of Andersonville GOD AND MY COUNTRY A Novel By MacKinlay Kantor BASIS FOR THE MOVIE FOLLOW ME, BOYS MacKinlay Kantor, the master of the warm and human story, the writer who can make us believe the good in the worst of us, has woven a compelling, appealing novel about the life of a simple American man who held in his care the destinies of hundreds of boys. Here for the first time a major writer portrays the Scoutmaster in a small town in a role as vital as the greatest of schoolmasters, doctors, priests, or ministers. With rare insight and sympathy, MacKinlay Kantor has created the memorable Lem Siddons, who gave forty years of his wisdom, the fund of his laughter, the knowledgeable touch, the sweetness and love that were his, to

generations of Boy Scouts. Not every boy who passed khaki-clothed along his life won the world's respect or the Scoutmaster's pride. There were some misfits, fallers-by-the-wayside . . . sure. But Lem Siddons knew his reward every waking moment of his life and in his dreams as well. His story is one you will remember as that of the closest of your friends: his love for the delicate and freckled Vida that grew with a lifetime, his son Downey who wanted to crowd the years. All the good Kantor writing is here, the lucid and homespun prose that makes tears well in your eyes even as a song rises in your heart. MacKinlay Kantor has set the scene for God and My Country in a small town very much like Webster City, Iowa, where he was born, and has dedicated the book to his Scoutmaster of those days. It is a perfect example of MacKinlay Kantor's special genius for capturing the full flavor of a small American town, and of its people. "There's a Mr. Chips' quality to this deceptively simple story. MacKinlay Kantor has told quietly, in realistic terms, the story of one man whose influence permeate a whole Iowa town and rural area. No drum heating for the American vision here, but true democracy emerges in boys at every social and human level. A microcosm of America that strengthens one's faith."—Virginia Kirkus "God and My Country is a song from the heart of America which I would love to sing."—Burl Ives

God's Country and the Woman Aug 31 2022 This early work by James Oliver Curwood was originally published in 1915 and we are now republishing it with a brand new introductory biography. In Curwood's tender novel "God's Country and the Woman", the Canadian wilderness hero, Phillip Weyman, agrees to help Josephine Adare, her family, and friends against the wiles and lechery of an outlaw gang, while the Russett and Barton Lumber Companies clash. James Oliver 'Jim' Curwood was an American action-adventure writer and conservationist. He was born on 12th June, 1878, in Owosso, Michigan, USA. In 1900, Curwood sold his first story while working for the Detroit News-Tribune, and after this, his career in writing was made. By 1909 he had saved enough money to travel to the Canadian northwest, a trip that provided the inspiration for his wilderness adventure stories. The success of his novels afforded him the opportunity to return to the Yukon and Alaska for several months each year – allowing Curwood to write more than thirty such books. Curwood's adventure writing followed in the tradition of Jack London. Like London, Curwood set many of his works in the wilds of the Great Northwest and often used animals as lead characters (Kazan, Barea; Son of Kazan, The Grizzly King and Nomads of the North). Many of Curwood's adventure novels also feature romance as primary or secondary plot consideration. This approach gave his work broad commercial appeal and helped drive his appearance on several best-seller lists in the early 1920s. His most successful work was his 1920 novel, *The River's End*. The book sold more than 100,000 copies and was the fourth best-selling title of the year in the United States, according to *Publisher's Weekly*. He contributed to various literary and popular magazines throughout his career, and his bibliography includes more than 200 such articles, short stories and serializations. In 1927, while on a fishing trip in Florida, Curwood was bitten on the thigh by what was believed to have been a spider and he had an immediate allergic reaction. Health problems related to the bite escalated over the next few months as an infection set in. He died soon after in his nearby home on Williams Street, on 13th August 1927. He was aged just forty-nine, and was interred in Oak Hill Cemetery (Owosso), in a family plot. Curwood's legacy lives on however, and his home of Curwood Castle is now a museum.

A Light Shines in God's Country Dec 31 2019 Travel with author Irene Burns, from the nostalgic 1950's to the present, as she shares recollections of her marriage to high school sweetheart, Don, and the raising of their family. Join the Burns household through the years-to cozy evenings, where supper was served from a wood-burning stove... warm evenings, where family devotions were at 7:00 in the evening, with Don at the piano, followed by the reading of scriptures and prayer. Smile, enjoy a belly laugh-at the lovable, but precocious Goatie, the family goat, with an

acquired taste for plastic flowers and the landlady's purloined cabbages! Get blessed, as life with the Burns family shows you how Jesus: Has a plan of salvation / Makes all the difference in a life / Can protect you from all harm and hurt / Answers prayers, often in most unusual ways / Brings miracles of healing and provision, even in the least likely of circumstances. Come away restored in your Christian faith, assured of God's promise from Psalm 46:1, that God is truly your "refuge and strength, a very present help in trouble"! Book jacket.

In God's Country Dec 23 2021 Though much has been written about the political implications of the religious revival which has engulfed America in recent years, a question remains unanswered: what pushes its people into 'declaring for Jesus'? Douglas Kennedy spent a long hot summer cruising through that expanse of the American South known as 'The Bible Belt' exploring that question. In a remarkable journey into one of the strangest corners of the United States, Kennedy finds himself spending time in Miami with a one-time member of the Mafia turned charismatic preacher, discovering Christian heavy metal music in Nashville, and visiting Death Row in South Carolina with an evangelist who ministers to the condemned. Repeatedly discovering the extraordinary within the ordinary, **IN GOD'S COUNTRY** is a profound, yet brilliantly entertaining exploration of life in late twentieth century America.

For God, Country, and Coca-Cola Apr 26 2022 From its invention as a cocaine-laced patent medicine in the Gilded Age to its globe-drenching ubiquity as the ultimate symbol of consumer capitalism in the twenty-first century, Coca-Cola's dramatic history unfolds as the ultimate business saga. In this fully revised and expanded edition of *For God, Country & Coca-Cola*, Mark Pendergrast looks at America's cultural, social, and economic history through the bottom of a green glass Coke bottle and tells the captivating story of the world's most recognizable consumer product.

God Country #5 Sep 07 2020 A new storm rumbles on the horizon. Those left standing in its wake will long remember the day the God of War came to West Texas. The time for talking is done. The battle for Valofax begins here.

Going to God's Country Aug 26 2019

God and Country Jan 24 2022 In this important exploration of one of the most misunderstood phenomena of our day, former fundamentalist Christian Monique El-Faizy argues that evangelicals have become the new establishment, constituting over 40% of our population by some estimates. The 2004 Presidential election opened the eyes of many so-called blue state Americans to the reach of evangelical Christianity, yet much of the media and Hollywood still fail to understand the paradigm shift that has placed evangelicals in the American mainstream. With the intimate perspective of a former insider, *God and Country* takes readers past the edges of the evangelical community into its heart, presenting an in-depth look at megachurches, Christian rock, Christian publishing, and the day-to-day lives of evangelical Americans. El-Faizy shows how, by mimicking many elements of secular America and creating strong communities, evangelical leaders lure converts by the thousands. But while the public face of the movement has softened, the conservative old guard still drives the political agenda. Evangelicals see every aspect of their life through the prism of their faith; their belief is central to every decision, personal, social or political. To dismiss or miscast such an influential population would be a grave mistake. Intelligent, clear-headed and piercing, *God and Country* is essential reading for anyone interested in our nation's future.

What Matters Most: God, Country, Family and Friends Jul 06 2020 The essays by journalist Frank Miele in this collection span from 2003 to 2018. "What Matters Most" is Volume 6 of the Heartland Diary USA series. Most of these essays originally appeared in the Daily Inter Lake in Kalispell, Montana, where Miele worked for 34 years, including 18 years as managing editor. Miele gained a wide following for his weekly conservative "Editor's 2 Cents" commentaries, which are now collected in the Heartland Diary series. The author, who is now a columnist for Real Clear Politics, is best known for his conservative commentary. but some of his best loved columns were written about the people he has known and loved. This collection includes many of those columns from his 18 years as managing editor of the Daily Inter Lake in Kalispell, Montana, plus others written to celebrate the great country we live in, the faith of our fathers and the spirit of kindness that characterizes all true Christians and all true Americans. A very few of the columns in this collection may touch upon political themes, but for the most part the book will appeal to those on the right and the left, and teach us how much we have in common at a time when the elites want to rip us apart.

For God, Country, and Coca-Cola Apr 14 2021 For God, Country and Coca-Cola is the unauthorized history of the great American soft drink and the company that makes it. From its origins as a patent medicine in Reconstruction Atlanta through its rise as the dominant consumer beverage of the American century, the story of Coke is as unique, tasty, and effervescent as the drink itself. With vivid portraits of the entrepreneurs who founded the company—and of the colorful cast of hustlers, swindlers, ad men, and con men who have made Coca-Cola the most recognized trademark in the world—this is business history at its best: in fact, “The Real Thing.”

Trespassing in God's Country Jan 12 2021 George Theriault has been flying in northern Canada since the summer of 1934. When he established his own air service in in 1954, his skills as a bush pilot and sportsman made him one of the most popular outfitters in northern Ontario. This series of stories chronicles his many adventures from Alaska to Labrador, including seal and whale hunting with native people. .

Back to God's Country and Other Stories Sep 19 2021 *Back to God's Country* opens on an idyllic note at the peaceful Canadian mountain home where the innocent child-of-nature Dolores LeBeau lives with her doting father Baptiste LeBeau and a legion of animal friends. When a handsome naturalist Peter Burke stops in at their mountain paradise he is charmed by Dolores and the pair are soon announcing their engagement to Baptiste. But the always changeable mood of *Back to God's Country* suddenly shifts from a bucolic love story to a genuine nightmare. A murderous criminal Rydal hiding out in the mountains and traveling with his half-breed sidekick, spies Dolores skinny-dipping in a brook and vows to ""have"" her. *Back to God's Country* was based on a typically sensational James Oliver Curwood short story ""Wapi, the Walrus."" Curwood's prototypical storyline was also used in *Back to God's Country*, with Dolores finding an abused, vicious black dog Wapi, her only companion and helpmate in the barren winter landscape where she and Peter are trapped.

God's Country Nov 09 2020 Atheist Cole Vandergrift has a loving family, stable career, and good health, but is in a mid-life struggle to balance all three. Part of his dilemma lies with his twin brothers-in-law, Mark and Matt, who are teaching his teenage sons their ultra-religious beliefs. On his 49th birthday, Cole receives a bittersweet gift. The sweet: he'll be taking an 8-day trip deep into the Rocky Mountains, to unwind and learn how to fly-fish. The bitter: his excursion guides will be none other than the devoutly pious twins. The three men set off on their trip, fully expecting some conflict along the way. But none of them could have been prepared for the test of faith and survival that God's country has in store for them.

For God and Country Feb 10 2021 The author, a Muslim United States Army chaplain, describes how he was wrongly accused of treason and imprisoned at the Guantánamo Bay Naval Base, and his fight to be cleared of the charges.

God's Country Jan 30 2020 *God's Country* takes a hilarious and irreverent swipe at religious dogma in America. Part Jack Kerouac part Sherman Alexie, it is a hilarious and irreverent novel. Two friends take a less-than-ordinary road trip through the American West. On their journey, they repeatedly encounter a religious couple who are on a pilgrimage to find God. Much to the exasperation of the protagonists, the couple continually finds tangible evidence of their devout faith in the most unlikely places. Despite the novel's humorous approach, though, there is an underlying poignant message. Without the central characters recognizing it, their own trip becomes something much deeper - a true spiritual awakening. Their journey brings them new insights about their philosophical and spiritual convictions, the meaning of friendship, and the impact that dogma has on our beliefs, our culture, and our environment.

God's Country and My People Mar 14 2021 Photographs and text merge to create images of a rapidly vanishing America

God's Country Apr 02 2020 The United States is Israel's closest ally in the world. The fact is undeniable, and undeniably controversial, not least because it so often inspires conspiracy theorizing among those who refuse to believe that the special relationship serves America's strategic interests or places the United States on the right side of Israel's enduring conflict with the Palestinians. Some point to the nefarious influence of a powerful "Israel lobby" within the halls of Congress. Others detect the hand of evangelical Protestants who fervently support Israel for their own theological reasons. The underlying assumption of all such accounts is that America's support for Israel must flow from a mixture of collusion, manipulation, and ideologically driven foolishness. Samuel Goldman proposes another explanation. The political culture of the United States, he argues, has been marked from the very beginning by a Christian theology that views the American nation as deeply implicated in the historical fate of biblical Israel. *God's Country* is the first book to tell the complete story of Christian Zionism in American political and religious thought

from the Puritans to 9/11. It identifies three sources of American Christian support for a Jewish state: covenant, or the idea of an ongoing relationship between God and the Jewish people; prophecy, or biblical predictions of return to The Promised Land; and cultural affinity, based on shared values and similar institutions. Combining original research with insights from the work of historians of American religion, Goldman crafts a provocative narrative that chronicles Americans' attachment to the State of Israel.
