Instead, Explaining English Grammar is a pedagogical guide, designed to help explain the 'whys' as well as the 'hows' of English grammar. The book is organized into ten chapters. Each chapter covers a specific grammar topic. After an introductory chapter, the topics covered are: - Articles - Tense and aspect - Modals - Conditionals - Prepositions and particles - Indirect objects - Infinitives and gerunds - Relative clauses - Direct and indirect speech This sequence is designed to cover the more basic topics first, and then to go into more complex areas. **Warriors of God** Feb 28 2020 Acclaimed author James Reston, Jr.'s *Warriors of God* is the rich and engaging account of the Third Crusade (1187-1192), a conflict that would shape world history for centuries and which can still be felt in the Middle East and throughout the world today. James Reston, Jr. offers a gripping narrative of the epic battle that left Jerusalem in Muslim hands until the twentieth century, bringing an objective perspective to the gallantry, greed, and religious fervor that fueled the bloody clash between Christians and Muslims. As he recounts this rousing story, Reston brings to life the two legendary figures who led their armies against each other. He offers compelling portraits of Saladin, the wise and highly cultured leader who created a united empire, and Richard the Lionheart, the romantic personification of chivalry who emerges here in his full complexity and contradictions. From its riveting scenes of blood-soaked battles to its pageant of fascinating, larger-than-life characters, *Warriors of God* is essential history, history that helps us understand today's world.
