So, in imitation of you require the book swiftly, you can straight acquire it. Its thus definitely easy and consequently fats, isnt it? You have to favor to in this sky

**Women's History in Global Perspective** Apr 20 2022 The American Historical Association's Committee on Women Historians commissioned some of the pioneering figures in women's history to prepare essays in their respective areas of expertise. This volume, the second in a series of three, collects their efforts. As a counterpoint to the broad themes discussed in the first volume, Volume 2 is concerned with issues that have shaped the history of women in particular places and during particular eras. It examines women in ancient civilizations; including women in China, Japan, and Korea; women and gender in South and South East Asia; Medieval women; women and gender in Colonial Latin America; and the history of women in the US to 1865. Authors included are Sarah Hughes and Brady Hughes, Susan Mann, Barbara N. Ramusack, Judith M. Bennett, Ann Twinam, and Kathleen Brown. Incorporating essays from top scholars ranging over an abundance of regions, dates, and methodologies, the three volumes of Women's History in Global Perspective constitute an invaluable resource for anyone interested in a comprehensive overview on the latest in feminist scholarship.

*Women in Sub-Saharan Africa* Oct 26 2022 "These four volumes in this major series... provide a single-source reference to the status of the field of women's history and to ways that the field can be expanded.... A basic set for all academic libraries." -- Library Journal Academic Newswire Berger and White focus on Sub-Saharan Africa, tracing women's history from earliest times to the present. By exploring their place in social, economic, political, and religious life, the authors highlight the changing societal position of women through shifts over time in ideas about gender and the connections between women's public and private spheres.

**Women's History: Britain, 1850-1945** Oct 14 2021 Women's History: Britain 1850-1945 introduces the main themes and debates of feminist history during this period of change, and brings together the findings of new research. It examines the suffrage movement, race and empire, industrialisation, the impact of war and womens literature. Specialists in their own fields have each written a chapter on a key aspect of womens lives including health, the family, education, sexuality, work and politics. Each contribution provides an overview of the main issues and debates within each area and offers suggestions for further reading. It not only provides an invaluable introduction to every aspect of womens participation in the political, social and economic history of Britain, but also brings the reader up to date with current historical thinking on the study of womens history itself.

*Changing Women, Changing History* Nov 27 2022 Changing Women, Changing History is a bibliographic guide to the scholarship, both English and French, on Canadian's women's history. Organized under broad subject headings, and accompanied by author and subject indices it is accessible and comprehensive.

**A History of Britain in 21 Women** Nov 03 2020 From the bestselling author of A History of the World in 21 Women They were famous queens, unrecognised visionaries, great artists and trailblazing politicians. They all pushed back boundaries and revolutionised our world. Jenni Murray presents the history of Britain as you've never seen it before, through the lives of twenty-one women who refused to succumb to the established laws of society, whose lives embodied hope and change, and who still have the power to inspire us today.

*Chocolate, women and empire* Feb 24 2020 From Charlie and the Chocolate Factory to Chocolat, from romantic gift to guilty indulgence, chocolate has a special place in Western popular culture. But what are the hidden histories behind this luxurious commodity? This book examines chocolate production from cocoa bean to chocolate box,

illuminating the dynamics of gender, race and empire which have structured the cocoa chain. Using a varied range of sources, and drawing on the author's own relationship to the industry, this book reconnects the people and places at different stages of chocolate production. Emma Robertson stresses the need to recognise the complex histories of empire and labour which have made such pleasurable consumption possible. Chocolate, women and empire offers exciting new insights into the lives of women workers in a global industry. It will be invaluable to historians of British imperialism as well as to students of Women's and Gender Studies, Cultural Studies and Business Studies.

**Metaphysical Animals** Sep 20 2019 WINNER OF THE HWA NON-FICTION CROWN AN IRISH TIMES BOOK OF THE YEAR A NEW YORK TIMES BOOK REVIEW NOTABLE BOOK Elizabeth Anscombe: defiantly brilliant, chain-smoking, trouser-wearing Catholic and (eventual) mother of seven. Philippa Foot: pathologically discreet, quietly rebellious granddaughter of a US president. Mary Midgley: witty scholar and careful observer of humans and animals alike. Iris Murdoch: aspiring novelist and Francophile with the power to seduce (almost) anyone. Written with expertise and flair, *Metaphysical Animals* is a vivid portrait of the endeavours and achievements of these four remarkable women. As undergraduates at Oxford during the Second World War, they shared ideas (as well as shoes, sofas and lovers). From the disorder and despair of war, they went on to breathe new life into philosophy, creating a radically fresh way of thinking about freedom, reality and human goodness that is there for us today. 'Evocative and sparkling' New York Times 'A triumph' Mail on Sunday

**The Women of Rothschild** May 29 2020 'Captivating, intimate, dazzling epic and revelatory' SIMON SEBAG-MONTEFIORE The story of the family who rose from the Frankfurt ghetto to become synonymous with wealth and power has been much mythologized. Yet half the Rothschilds, the women, remain virtually unknown. From the East End of London to the Eastern seaboard of the United States, from Spitalfields to Scottish castles, from Bletchley Park to Buchenwald, and from the Vatican to Palestine, Natalie Livingstone follows the extraordinary lives of the English branch of the Rothschild women from the dawn of the nineteenth century to the early years of the twenty first. As Jews in a Christian society and women in a deeply patriarchal family, they were outsiders. Determined to challenge and subvert expectations, they supported each other, building on the legacies of their mothers and aunts. They became influential hostesses and talented diplomats, choreographing electoral campaigns, advising prime ministers, advocating for social reform and trading on the stock exchange. Misfits and conformists, conservatives and idealists, performers and introverts, they mixed with Rossini and Mendelssohn, Disraeli, Gladstone and Chaim Weizmann, amphetamine-dealers, temperance campaigners, Queen Victoria, and Albert Einstein. They broke code, played a pioneering role in the environmental movement, scandalised the world of women's tennis by introducing the overarm serve and drag-raced with Miles Davies in Manhattan. Absorbing and compulsive *THE WOMEN OF ROTHSCHILD* gives voice to the complicated, privileged and gifted women whose vision and tenacity shaped history.

**Chronology of Women's History** Feb 06 2021 Provides a chronological history of the status of women and the accomplishments of and barriers to women in government, the arts, religion, business, and other fields

*A History of the World in 21 Women* Jan 17 2022 From the bestselling author of *A History of Britain in 21 Women* The history of the world is the history of great women. Marie Curie discovered radium and revolutionised medical science. Empress Cixi transformed China. Frida Kahlo turned an unflinching eye on life and death. Anna Politkovskaya dared to speak truth to power, no matter the cost. Their names should be shouted from the rooftops. And that is exactly what Jenni Murray is here to do.

**A Vindication of the Rights of Woman** Jun 29 2020 Writing in an age when the call for the rights of man had brought revolution to America and France, Mary Wollstonecraft produced her own declaration of female independence in 1792. Passionate and forthright, *A Vindication of the Rights of Woman* attacked the prevailing view of docile, decorative femininity, and instead laid out the principles of emancipation: an equal education for girls and boys, an end to prejudice, and for women to become defined by their profession, not their partner. Mary Wollstonecraft's work was received with a mixture of admiration and outrage. Hugh Walpole called her "a hyena in petticoats." Yet it established her as the mother of modern feminism.

**A Cultural History of Women in Antiquity** Dec 24 2019 *A Cultural History of Women in Antiquity* explores women's history in the West from 500 BCE to 1000CE. This time period includes women's participation in Greek and Roman civilization, and the Christianization of the Roman Empire up to Late Antiquity. Key issues include the impact of changing cultural forces and discourses on female autonomy and agency, women's relationship to public and religious circles of power, and women's status in domestic and public space. *A Cultural History of Women in Antiquity* presents an overview of the period with essays on female sexual practices, literacy, education and work, medical treatments and authority, ritual office and superstitious practices, cultural transitions and representation, and differences between ideology and actual social practices in identifying women's use of public and private space.

**Women in Medieval History and Historiography** Jan 25 2020 What was the status of women in the Middle Ages? How have women fared in the hands of historians? And, what is the current state of research about women in the Middle Ages? Susan Mosher Stuard addresses these questions in a collection of essays that delve in to the history and historiography of women in medieval England, France, Italy, and Germany. Contributors include Barbara Hanawalt, Diane Owen Hughes, Suzanne Wemple, Denise Kaiser, and Martha Howell. One of the most interesting observations made in *Women in Medieval History and Historiography* is the way in which the history of women in each country has followed a distinct course that is in rhythm with other concerns of national historical writing. *Women in Medieval History and Historiography* will interest historians, scholars of women's studies, and medievalists.

**Fantastically Great Women Who Made History** Jul 23 2022 *Fantastically Great Women Who Made History* is the eagerly anticipated follow up to Kate Pankhurst's hugely successful, *Fantastically Great Women Who Changed the World*, number one best-selling children's non-fiction title. This beautiful title looks at the stories, accomplishments and adventures of many more brilliant women from throughout history. Travel through the Underground Railroad with the brave and courageous Harriet Tubman, turn the pages of the hauntingly brilliant *Frankenstein* with the incredibly talented Mary Shelley and prepare yourself for an unforgettable journey through history with these and many other remarkable women. Overflowing with vibrant and beautiful illustrations, and wonderfully engaging text, *Fantastically Great Women Who Made History* is a celebration of just some of the inspirational women who put their mark on the world we live in. Written by the incredibly talented Kate Pankhurst, prepare to be inspired. List of women featured: Elizabeth Blackwell, Qiu Jin, Boudicca, Flora Drummond, Pocahontas, Noor Inayat Khan, Harriet Tubman, Valentina Tereshkova, Ada Lovelace, Sayyida al-Hurra, Hatshepsut, Josephine Baker, Mary Wollstonecraft, Mary Shelley

**A History of Women in 100 Objects** Jan 05 2021 The history of the world has been told in objects. But what about the objects that tell the history of women? What are the items that symbolise the journey of women from second-class citizens with no legal rights, no vote and no official status to the powerful people they are today? And what are the objects that still oppress women, even now? From the corset to the contraceptive pill, the bones of the first woman to Rosa Parks's mugshot and the iconic Mary Quant cape, *A History of Women in 100 Objects* documents the developing role of women in society through the lens of the inanimate objects that touched women's lives, were created by women or that at some time – perhaps even still – oppressed them. Woven by two leading historians, this complex, fascinating and vital tale of women and womanhood is told with a lightness of touch and depth of experience that will appeal to all those interested in women's history.

**Women in England 1760-1914** Nov 22 2019 A rich and fresh survey of women's lives between George III and the First World War Using diaries, letters, memoirs as well as social and statistical research, this book looks at life-expectancy, sex, marriage and childbirth, and work inside and outside the home, for all classes of women. It charts the poverty and struggles of the working class as well as the leadership roles of middle-class and elite women. It considers the influence of religion, education, and politics, especially the advent of organised feminism and the suffragette movement. It looks, too, at the huge role played by women in the British Empire: how imperialism shaped English women's lives and how women also moulded the Empire.

**Extraordinary Women In History** Sep 25 2022 Discover these remarkable women throughout history with their amazing contributions. Be inspired by their courage, tenacity, dedication, and unwavering resolve to make a difference in big and small ways. We've all heard stories about women who made history from all walks of life, but rarely have we heard about the female daredevils, pioneering innovators, radical reformers, dedicated activists, leaders, wordsmiths, artists, veterans, and others like the women highlighted in this book. Barriers aren't there to stop progress but are meant to be broken. *Extraordinary Women in History: 70 Remarkable Women who Made a Difference*, Inspired, & Broke Barriers showcases some of the greatest women in history, paying homage to these trailblazers and will encourage everyone from all walks of life to dream big, never give up, and believe that barriers aren't there to stop progress but are meant to be broken. Inside this book, you'll learn about these female role models including some of the following: Junko Tabei the first female to reach the summit of Mount Everest. Lily Parr the unstoppable English star of women's football. Mary Eliza Mahoney the first licensed African American Nurse. Marie Curie the pioneer of Radioactivity. Harriet Tubman an icon for anti-slavery. Empress Suiko the first female regnant in Japan's recorded history. Hattie McDaniel the first African American to win an Oscar. Irena Sendler rescued 2,500 Jewish children in World War II. Gudrid Thorbjarnardóttir was the most travelled woman of the Middle Ages. So what are you waiting for? Grab a copy now, scroll up, click "Buy Now" and be inspired, be encouraged by these women who made a difference.

**Bad Girls from History** Oct 22 2019 You won't be familiar with every one of the huge array of women featured in these pages, but all, familiar or not, leave unanswered questions behind them. The range is extensive, as was the research, with its insight into the lives and minds of women in different centuries, different countries, with diverse

cultures and backgrounds, from the poverty stricken to royalty. Mistresses, murderers, smugglers, pirates, prostitutes and fanatics with hearts and souls that feature every shade of black (and grey!). From Cleopatra to Ruth Ellis, from Bouicca to Bonnie Parker, from Lady Caroline Lamb to Moll Cutpurse, from Jezebel to Ava Gardner. Less familiar names include Mary Jeffries, the Victorian brothel-keeper, Belle Starr, the American gambler and horse thief, La Voisin, the seventeenth-century Queen of all Witches in France but these are random names, to illustrate the variety of the content in store for all those interested in women who defy law and order, for whatever reason. The risqu, the adventurous and the outrageous, the downright nasty and the downright desperate all human (female!) life is here. From the lower strata of society to the aristocracy, class is not a common denominator. Wicked? Misunderstood? Nave? Foolish? Predatory? Manipulative? Or just out of their time? Read and decide.

*U.S. Women's History* Feb 18 2022 The study and teaching of history unexpectedly emerged as the subject of intense public debate.

*Women Building History* Mar 19 2022 History of women during America's Gilded Age. Wanda M. Corn takes as her topic the grand neoclassical Woman's Building at the 1893 Columbian Exposition in Chicago, a structure celebrating modern woman's progress in education, arts, and sciences.

Feminism Sep 01 2020 Starting with the late eighteenth century, this book explores the history of feminism within a range of countries spanning several continents. The use of a broad, comparative approach highlights the varieties of feminism and the different political and social contexts in which they have developed. Hannam identifies broad trends and changes over time and introduces recent interpretations and approaches. Key themes include the challenge made by feminists to prevailing ideas about a 'woman's place', the notions of sisterhood and solidarity and the relationship between feminism and other social and political reform movements, including nationalist struggles, socialist politics and anti-colonial movements. Feminism is suitable for undergraduate students studying feminism as part of a history, politics or sociology course.

**Inventing the American Woman** Dec 04 2020 "This book ... presents an introduction to the history of women in the United States that combines factual knowledge with a specific thesis intended to provoke discussion and further thought. It is my hope that it will inform, enlighten, and expand the thinking of all who read it. In an attempt to achieve these goals, this book necessarily emphasizes what historian Kathryn Kish Sklar terms 'gender specific' experiences. It focuses on those historical episodes that are more germane to one gender than the other. Specifically, women's work, socialization, roles, activities, and cultural values are of primary concern. ... More specifically, this volume compares the model that was to direct American women's behavior with women's reactions to it."--From the introduction.

**History Matters** May 21 2022 Written for everyone interested in women's and gender history, History Matters reaffirms the importance to feminist theory and activism of long-term historical perspectives. Judith M. Bennett, who has been commenting on developments in women's and gender history since the 1980s, argues that the achievement of a more feminist future relies on a rich, plausible, and well-informed knowledge of the past, and she asks her readers to consider what sorts of feminist history can best advance the struggles of the twenty-first century. Bennett takes as her central problem the growing chasm between feminism and history. Closely allied in the 1970s, each has now moved away from the other. Seeking to narrow this gap, Bennett proposes that feminist historians turn their attention to the intellectual challenges posed by the persistence of patriarchy. She posits a "patriarchal equilibrium" whereby, despite many changes in women's experiences over past centuries, women's status vis-à-vis that of men has remained remarkably unchanged. Although, for example, women today find employment in occupations unimaginable to medieval women, medieval and modern women have both encountered the same wage gap, earning on average only three-fourths of the wages earned by men. Bennett argues that the theoretical challenge posed by this patriarchal equilibrium will be best met by long-term historical perspectives that reach back well before the modern era. In chapters focused on women's work and lesbian sexuality, Bennett demonstrates the contemporary relevance of the distant past to feminist theory and politics. She concludes with a chapter that adds a new twist—the challenges of textbooks and classrooms—to viewing women's history from a distance and with feminist intent. A new manifesto, History Matters engages forthrightly with the challenges faced by feminist historians today. It argues for the radical potential of a history that is focused on feminist issues, aware of the distant past, attentive to continuities over time, and alert to the workings of patriarchal power.

100 Nasty Women of History Aug 24 2022 'Vital reading' STYLIST '...hooting with laughter - what a swashbuckler that Hannah Jewell is' MARINA HYDE 'Because 100 Nasty Women is so easy to read and witty, I didn't expect it to be the life changing, important book that I'm discovering it to be' PHILIPPA PERRY 'A fantastic addition to your feminist library and historical knowledge.' ANN SHEN, author of *Bad Girls Throughout History* \* \* \* \* \* 100 fascinating and brilliantly written stories about history's bravest, baddest but little known 'nasty' women from across the world. These are the women who were deemed too nasty for their times, too nasty to be recognised, too nasty to be paid for their work and sometimes too nasty to be allowed to live. When you learn about women in history, they're often made out to be shining, glittering souls. But when you hear about these Bad-Yet-Morally-Irreproachable Women of History who were 100% Pure and GoodTM, you're probably not being told the best bits of her life.

You probably missed the part where she: Slept around Wore men's clothes Crashed planes Led a revolution Terrorised the seven seas Wrote ~sensual poetry~ Punched a Nazi (metaphorically, but not always) These are the women you've probably never heard of, but should. Take these stories and tell them to your friends, because everyone should know about the nasty women from history who gave zero f\*cks whatsoever. These are the 100 Nasty Women of History you need to know about.

**Bad Girls Throughout History** Aug 12 2021 *Bad Girls Throughout History: 100 Remarkable Women Who Changed the World* delivers an empowering book for women and girls of all ages, featuring 100 women who made history and made their mark on the world, it's a best-selling book you can be proud to display in your home. The 100 revolutionary women highlighted in this gorgeously illustrated book were bad in the best sense of the word: they challenged the status quo and changed the rules for all who followed. Explored in this history book, include: • Aphra Behn, first female professional writer. • Sojourner Truth, women's rights activist and abolitionist. • Ada Lovelace, first computer programmer. • Marie Curie, first woman to win the Nobel Prize. • Joan Jett, godmother of punk. From pirates to artists, warriors, daredevils, women in science, activists, and spies, the accomplishments of these incredible women who dared to push boundaries vary as much as the eras and places in which they effected change. Featuring bold watercolor portraits and illuminating essays by Ann Shen, *Bad Girls Throughout History* is a distinctive, gift-worthy tribute to rebel girls everywhere. A lovely gift for teen girls, stories to share with a young girl at bedtime, or a book to display on a coffee table, everyone will enjoy learning about and celebrating the accomplishments of these phenomenal women.

**The English Woman in History** Aug 20 2019 First published in 1957, *The English Woman in History* displays the place women have held and the influence they have exerted within the changing pattern of English society. Ever since the days of Queen Elizabeth I the position of women in English society has been a matter of general debate. In the seventeenth century many men produced books in praise of women, following the example of Thomas Heywood. Most of these books were devoted to the praises of individual women, but their authors generally produced arguments against subjection of all women to the unthinking dominance of men. While married women were still legally subject to their husbands and no women were allowed to take part in public affairs it was impossible to write objectively about women's place in the world. The women who at the end of the seventeenth century began to write were generally fired by a sense of injustice, and men tended to write condescendingly of charm and beauty, which interested them more than intelligence and wit. Now that women are bearing public responsibilities with success it is possible for historians to look back dispassionately over the centuries and trace the stages by which this position has been won. It is a survey of this nature which Lady Stenton has attempted in this book. This is a must read for students and scholars of women's history, gender studies and women's movement.

**The History of British Women's Writing, 1880-1920** Jul 11 2021 The ranks of English women writers rose steeply in the late 19th and early 20th centuries, contributing to the era's revolutionary social movements as well as to transforming literary genres in prose and poetry. The phenomena of 'the new' — 'New Women', 'New Unionism', 'New Imperialism', 'New Ethics', 'New Critics', 'New Journalism', 'New Man' — are this moment's touchstones. This book tracks the period's new social phenomena and unfolds its distinctively modern modes of writing. It provides expert introductions amid new insights into women's writing throughout the United Kingdom and around the globe.

**Women's History of the Christian Church** Mar 07 2021 Tracing two thousand years of female leadership, influence, and participation, Elizabeth Gillan Muir examines the various positions women have filled in the church. From the earliest female apostle, and the little known stories of the two Marys - the Virgin Mary and Mary Magdalene - to the enlightened duties espoused by the nun, the abbess, and the anchoress, and the persecutions of female "witches," Muir uncovers the rich and often tumultuous relationship between women and Christianity. Offering broad coverage of both the Catholic and Protestant traditions and extending geographically well beyond North America, *Women's History of the Christian Church* presents a chronological account of how women developed new sects and new churches, such as the Quakers and Christian Science. The book includes a timeline of women in Christian history, over 25 black-and-white illustrations, a glossary, and a list of primary and secondary sources to complement the content in each chapter.

**A History of New Zealand Women** Apr 27 2020 What would a history of New Zealand look like that rejected Thomas Carlyle's definition of history as 'the biography of great men', and focused instead on the experiences of women? One that shifted the angle of vision and examined the stages of this country's development from the points of view of wives, daughters, mothers, grandmothers, sisters, and aunts? That considered their lives as distinct from (though often unwillingly influenced by) those of history's 'great men'? In her ground-breaking *History of New Zealand Women*, Barbara Brookes provides just such a history. This is more than an account of women in New Zealand, from those who arrived on the first waka to the Grammy and Man Booker Prize-winning young women of the current decade. It is a comprehensive history of New Zealand seen

through a female lens. Brookes argues that while European men erected the political scaffolding to create a small nation, women created the infrastructure necessary for colonial society to succeed. Concepts of home, marriage and family brought by settler women, and integral to the developing state, transformed the lives of Māori women. The small scale of New Zealand society facilitated rapid change so that, by the twenty-first century, women are no longer defined by family contexts. In her long-awaited book, Barbara Brookes traces the factors that drove that change. Her lively narrative draws on a wide variety of sources to map the importance in women's lives not just of legal and economic changes, but of smaller joys, such as the arrival of a piano from England, or the freedom of riding a bicycle.

**The Greatest Women in History** Dec 28 2022 Science, engineering, activism, poetry, politics and physics. Women of all ages, and from all over the world, have excelled in these fields - and so many more - despite the barriers they've had to overcome. *The Greatest Women in History* is a celebration of just some of the inspirational women who put their mark on the world we live in, and reveals the stories, accomplishments and adventures of many brilliant women from throughout history. Get to know the political trailblazers who achieved greatness through underground resistance or sheer determination. Understand the amount of talent and hard work it takes to excel in mathematics and the sciences. Meet the women who exploded into the world of art and redefined it, and discover the stories of the queens who defied expectations and ushered in golden ages. From Cleopatra, Mary Wollstonecraft and Florence Nightingale to Harriet Tubman, Frida Kahlo and Malala Yousafzai, learn of their achievements, backgrounds, characters and the little-known details that make them even more remarkable.

**Women in Transnational History** May 09 2021 *Women in Transnational History* offers a range of fresh perspectives on the field of women's history, exploring how cross-border connections and global developments since the nineteenth century have shaped diverse women's lives and the gendered social, cultural, political and economic histories of specific localities. The book is divided into three thematically-organised parts, covering gendered histories of transnational networks, women's agency in the intersecting histories of imperialisms and nationalisms, and the concept of localizing the global and globalizing the local. Discussing a broad spectrum of topics from the politics of dress in Philippine mission stations in the early twentieth century to the shifting food practices of British women during the Second World War, the chapters bring women to the centre of the writing of new transnational histories. Illustrated with images and figures, this book throws new light on key global themes from the perspective of women's and gender history. Written by an international team of editors and contributors, it is a valuable and timely resource for students and researchers of both women's history and transnational and global history.

**Britain's Olympic Women** Jun 10 2021 Britain has a long and distinguished history as an Olympic nation. However, most Olympic histories have focused on men's sport. This is the first book to tell the story of Britain's Olympic women, how they changed Olympic spectacle and how, in turn, they have reinterpreted the Games. Exploring the key themes of gender and nationalism, and presenting a wealth of new empirical, archival evidence, the book explores the sporting culture produced by British women who aspired to become Olympians, from the early years of the modern Olympic movement. It shines new light on the frameworks imposed on female athletes, individually and as a group, by the International Olympic Committee (IOC), the British Olympic Association (BOA) and the various affiliated sporting international federations. Using oral history and family history sources, the book tells of the social processes through which British Olympic women have become both heroes and anti-heroes in the public consciousness. Exploring the hidden narratives around women such as Charlotte Cooper, Lottie Dod, Audrey Brown and Pat Smythe, and bringing the story into the modern era of London 2012, Dina Asher-mith and Katarina Johnson-hompson, the book helps us to better understand the complicated relationship between sport, gender, media and wider society. This is fascinating reading for anybody with an interest in sport history, Olympic history, women's history, British history or gender studies.

**Women in Science** Jul 31 2020 The first book of its kind to provide a full and comprehensive historical grounding of the contemporary issues of gender and women in science. *Women in Science* includes a detailed survey of the history behind the popular subject and engages the reader with a theoretical and informed understanding with significant issues like science and race, gender and technology and masculinity. It moves beyond the historical work on women and science by avoiding focusing on individual women scientists.

**Fantastically Great Women Who Changed The World** Dec 16 2021 Nominated for the Cilip Carnegie & Kate Greenaway Children's Book Awards 2018. Kate Pankhurst, descendent of Emmeline Pankhurst, has created this wildly wonderful and accessible book about women who really changed the world. **Women and Class in Japanese History** Mar 27 2020 "...marks an important moment not only in the study of gender and women in Japanese society but also in the development of collaborative efforts between Japanese and Western scholars on the subject..."--back cover.

**Women in PR History** Sep 13 2021 The history of PR has received limited attention over the years, and especially the role of women in PR has been an "untold" story thus far. This book is the first attempt, following research presented at the International History of Public Relations Conference, to shed light on the significant role that female pioneers have played in the evolution of PR. This book explores the field in a way that will offer insight of the significance that women had in the evolution of PR, with diverse chapters that provide rich perspectives on women's contributions to PR throughout the years and across the globe. It opens with an overview of women in public relations. Later chapters focus on the case of Turkey, which seems to have a rich history of women in public relations, then focus on specific cases from Oceania (Australia), Europe (Spain), Asia (Malaysia and Thailand) and America (US). The final chapter deals with the case of Inez Kaiser, who was the first African-American woman to open a U.S. public relations agency. This book will add knowledge and understanding to the fields of PR history and historiography. Academics and researchers will find the volume appropriate for research and teaching. Practitioners will also find the book extremely relevant for training, short courses and professional practice.

**The Great Book of Badass Women** Apr 08 2021 There have been countless badass women who have changed the world for the better, yet most people have never even heard of them. Women throughout history have fought for their rights and the rights of others, defended their countries during wartime, healed the sick and the wounded, invented new technologies, led countries, made inspiring art... and so much more! This collection of biographies and quick trivia facts aims to tell the stories of the courageous and tenacious women who have paved the way for the women of the future. In *The Great Book of Badass Women*, you'll get to know: ?Ching Shih: from Prostitute to Pirate Queen ?Ruth Bader Ginsburg: Notorious Supreme Court Justice ?Frida Kahlo: Trailblazer, Artist, Icon ?The Mirabal Sisters: Revolutionaries and Martyrs ?Hedy Lamarr: Inventor and Beauty Queen There have been so many badass women in history, that it was nearly impossible to choose only 15 of them. Women have been badass because they have to be, and they'll continue to fight for their rights until they have them. Although women-especially women of color-have largely been excluded from our history books, these unsung heroes have always been there, kicking ass. By telling their stories, we preserve their legacies and inspire others to follow in their footsteps. These are just a few of those heroes in *The Great Book of Badass Women*, but many women are heroes every day, and we will probably never know most of their names. Grab a copy now and get ready to learn about them all!

**Women's International Thought: A New History** Oct 02 2020 The first cross-disciplinary history of women's international thought, analysing leading international thinkers of the twentieth century.

Women Our History Nov 15 2021 Re-examining history from a female perspective, this book celebrates the numerous important roles women have played in culture and society that are less often told. Includes evocative images, this gloriously illustrated ebook reveals the key events in women's history - from early matriarchal societies through women's suffrage, the Suffragette movement, 20th-century feminism and gender politics, to recent movements such as #MeToo and International Women's Day - and the key role women have had in shaping our past. Learn about the everyday lives of women through the ages as well as the big names of women's history - powerful, inspirational, and trailblazing women such as Cleopatra, Florence Nightingale, Emmeline Pankhurst, Eva Peron, and Rosa Parks - and discover the unsung contributions of lesser-known women who have changed the world, and the "forgotten" events of women's history. Placing women firmly centre stage, Women - Our History shows women where they have come from, and, in celebrating the achievements of women of the past offers positive role models for women of today
