Life's Recipe for a Rich Soul - With the Help of the Law of Attraction May 29 2020 Do you want to make more money? Are you looking for that special someone? Do you want that beach house that you always wanted? Are you looking for that dream job? Do you want to be able to follow your dreams and make them come true? Then this book is for you. I wrote this book to be able to relate to everyone. I want people to know how the law of attraction works and how the law of attraction is so real. I wanted to relate to people's problems on what the average person goes through in life and how you can turn all of it around by applying the law of attraction. I realized that I was not the only person who had money problems, relationship problems, loosing someone you loved, always wanting to make my dreams come true. In my book I was able to document what was going on in my life, how I was able to turn my life around, to become a better person, to follow my life's dreams. In my book I was able to put in real documents that show you what really went on in my life. I knew if I was able to turn my life around I truly believe you can too and that is why I wrote this book. I believe that we all can be the next NBA star, NFL star, the next top model, having that dream job, becoming the next millionaire. We all in the world are equal it is the tools that we have to be able to put them to use and these tools are in our minds, this book will show you how to use the tools that life gives us. This book is going to help you get in touch with your inner self which is your soul; your soul wants the best for you. Your soul has all the answers, to be able to help you achieve all your dreams. From the moment you were born your soul has been there trying to pull and lead you the way of everything that you want in life whether you realize that or not. One of the biggest reasons why life seems to be so hard sometimes is because you play tug of war with our soul. This book is going to help you release the pressure of playing tug of war with your soul so you can be happier in life and allow your dreams to come true. This is your first step in making you life that much better. I believe in you.

No Turning Back May 09 2021 New York Times Notable Books of 2018 Financial Times Book of the Year Award-winning journalist Rania Abouzeid presents reportage of unprecedented scope in this engaging, character-driven investigation that exposes the secret dealings that armed and betrayed an uprising. Taking readers deep into Assad's prisons, to clandestine meetings and to the highest levels of Islamic militancy, Abouzeid dissects the tangle of ideologies and allegiances that make up the Syrian conflict, and lays bare the tragedy of the Syrian War through the stories of those seeking safety and freedom in a shattered country. Based on more than five years of frontline reporting, No Turning Back is an utterly engrossing human drama that shows how hope can flourish even amid one of the twenty-first century's greatest humanitarian disasters.

A Life's Journey Turning Pages Jul 23 2022 This collection of poetry has been 35 years in the making, spanning time from the author's adolescence to mature middle age, through love, marriage, divorce, personal loss, and death. It is comprised of a variety of subjects and themes that cover most of the emotional aspects of life that are experienced by all human beings. There are unique poems of humorous and mystical context, as well as some moving descriptions and metaphors on nature. The author believes there are strong common reference points which readers will enjoy and relate to. It reads easy and does not require any formality of poetry structure to be able to appreciate. There are many short poems, and a few longer ones, with both free verse and rhyming schemes. You are invited to come along on this journey of turning pages that reveal the experience of life well lived

Turn of Life's Tide Oct 26 2022 What were the social and economic forces in England that gave rise to the British Labour Party? How did the party function in its formative years? How does the British labor movement compare with its American counterpart? If American labor enters politics.

The Year 1000 Nov 15 2021 THE YEAR 1000 is a vivid evocation of how English people lived a thousand years ago - no spinach, sugar or Caesarean operations in which the mother had any chance of survival, but a world that knew brain surgeons, property developers and, yes, even the occasional gossip columnist. In the spirit of modern investigative journalism, Lacey and Danziger interviewed the leading historians and archaeologists in their field. In the year 1000 the changing seasons shaped a life that was, by our standards, both soothingly quiet and frighteningly hazardous - and if you survived, you could expect to grow to just about the same height and stature as anyone living today. This exuberant and informative book concludes as the shadow of the millennium descends across England and Christendom, with prophets of doom invoking the spectre of the Anti-Christ. Here comes the abacus - the medieval calculating machine - along with bewildering new concepts like infinity and zero. These are portents of the future, and THE YEAR 1000 finishes by examining the human and social ingredients that were to make for survival and success in the next thousand years.

The Spell Book of a Wicked Witch Sep 01 2020 Sometimes the only way to get justice is to make it for yourself. Many modern witches believe that you should only use magic to bring positive energy into the world, and most spell books teach you those types of spells. This spell book is different. This spell book is wicked. There are times when you will be hurt by someone you loved, betrayed by someone you trusted, maligned by someone you thought was your friend. Times when the magic of light and love just will not do. Thalia Thorne is an experienced witch and falls firmly into the camp that knows that there is no such thing as "white magic" or "black magic". Magic is what you turn to when mundane methods have failed or just won't work. If you're not pushing back against those who would walk all over you, then you're just going to end up being a doormat. This spell book will teach you how to make your own justice and stand up for yourself. For example, you'll find: Agony of Acne Curse - to give someone a pimple Sour Break Up Spell - to end a relationship Banish Your Ex Hex - to drive them away forever Business Butcher Curse - to destroy a business Liar's Lamentation - to find out who has been spreading lies And over 50 other spells that use simple ingredients and provide step-by-step directions that a beginner can follow. The next time someone wrongs you, will you turn the other cheek? Or will you be wicked?

The Punitive Turn in American Life Apr 27 2020 In 1965, President Lyndon Johnson insisted that "the policeman is the frontline soldier in our war against crime," and police forces, arms makers, policy makers, and crime experts heeded this call to arms, bringing weapons and practices from the arena of war back home. The Punitive Turn in American Life offers a political and cultural history of the ways in which punishment and surveillance have moved to the center of American life and become imbued with militarized language and policies. Michael S. Sherry argues that, by the 1990s, the "war on crime" had been successfully broadcast to millions of Americans at an enormous cost--to those arrested, imprisoned, or killed and to the social fabric of the nation--and that the currents of vengeance that ran through the punitive turn, underwriting torture at home and abroad, found a new voice with the election of Donald J. Trump. By 2020, the connections between war-fighting and crime-fighting remained powerful, evident in campaigns against undocumented immigrants and the militarized police response to the nationwide uprisings after George Floyd's murder. Stoked by "forever war," the punitive turn endured even as it met fiercer resistance. From the racist system of mass incarceration and the militarization of criminal justice to gated communities, public schools patrolled by police, and armies of private security, Sherry chronicles the United States' slide into becoming a

meaner, punishment-obsessed nation.

#Chill Sep 20 2019 Stop stressing and learn to chill with this mindfulness and meditation guidebook that can help workaholics and others let go of anxiety and achieve and maintain the healthy work/life balance they need. We all know good health and happiness depends on having proper balance between our professional and private lives. But in today's hectic work environment, in which we must do more in less time with fewer resources, that goal can feel impossible to attain. We stay late at the office rather than being home with our families. We work into the night and on weekends to perfect that presentation or just catch up, rather than relaxing with a hobby or spending time with our friends. Under constant pressure to over-perform, work easily becomes the dominant force in our lives. Licensed psychotherapist and professor Bryan Robinson understands the demands we face. He also knows that it's difficult to stop the cycle of over-work. But there is a solution. In #Chill, Robinson explains how ending the cycle of work addiction can be achieved by reframing priorities and cultivating mindfulness in our daily lives. He provides a month-by-month guide with meditations that help center and soothe us, allowing us to step back, close our eyes, take a long breath, and focus on the moment. Filled with wise advice, inspiring quotes, and gentle guidance, #Chill gives us the tools we need to quiet our anxiety, break our addiction to work, and bring compassion, calm, confidence, and creativity into our daily existence—and at last, have the peaceful, balanced life we all deserve.

Turning the Page of Life Dec 04 2020 Good and evil twins, naughty schoolchildren, not-so-angelic choirboys and walking flowers populate the pages of this collection of stories. Partly a recollection of thirties and forties Britain, and partly a journey into a fantasy dreamscape, Poppy Gooday brings her motley characters to life, telling dark tales of heartache, magic death and discovery. As readers are invited to Turn the Page of Life, nothing is quite as it seems...

Writing From Life Jan 17 2022 This book will show you how your own personal experiences can provide you with an endless supply of ideas for your writing - whether fiction or non-fiction. You will learn how to write about what you know - and you certainly know a lot. The good news is that the older you are, and the older you get, the more experiences you have had - so you'll always have something to write about. The author, Lynne Hackles, will show you how to make your own 'Raking up your past' file - using memories, lists, diaries, newspapers, smells, family trees, etc. Plus how to turn your own anecdotes, recounted to friends and family, into useful prose; and how to fashion the passed-down history of your ancestors into a family saga. With this book you'll also learn how to: * Sell a snippet of conversation * Make money by sharing secrets * Take your boss and your best friend and come up with a new character * Sell one event in your life to several different markets * Impart knowledge you didn't think you had to people who didn't know they needed it * Use the emotions, traumas, joys and experiences of your own life to make your writing stronger and more saleable With this book you'll never run out of ideas, and writer's block will be a thing of the past.

My Life Sep 13 2021 My name is Brenda Bonds. Back in the day I was out there, I should have been dead a long time ago, but by the grace of God I was given a second chance. This book will make you laugh, make you cry, and make you think. So don't judge because you always have the chance to turn it around.

Don't Make Me Turn This Life Around Dec 24 2019 A witty and unexpected novel about a woman trying to keep her family vacation--and yes, her life--from going south by the Amazon Charts bestselling author of *Life and Other Near-Death Experiences*. It's been thirteen years since doctors declared Libby Ross-Velasquez a goner. Yet here she is--cancer free. So why doesn't she feel more alive? Sure, Libby's husband, Shiloh, has been distant. One of their daughters has a serious health condition. And her father's death hovers over Libby like a rain cloud. Still, this eternal optimist knows she's the winner of the existential lottery. But when her forced cheer isn't enough to keep her family from catching her blahs, she decides to fly them all to Vieques. The Puerto Rican island is where she and Shiloh fell in love--and where she decided to fight for her life after her cancer diagnosis. Where better to put their problems into perspective? Then a tropical storm strikes. Libby pretends everything's fine, even as she fears she's doomed her family. What she can't see is that the worst disaster they've faced may be the best thing that ever happened to them. But first, they have to get through it.

Turn Your Life Into Art Feb 06 2021 Analyzing the work of Burning Man, the SF Institute of Possibility, the Jejune Institute, and other groups, this book is a how-to manual for designing transformative or "psychomagical" experiences.

Turning 30 Feb 24 2020 A guide for individuals who are dismayed at the concept of turning thirty offers counsel on how to productively assess one's life, sharing inspirational stories that demonstrate a variety of goal-setting exercises and other strategies for finding personal meaning and direction. Original.

Negaholics Jul 11 2021 Helps readers locate the saboteur within themselves and to stop undercutting their potential through constant negative reinforcement so that they might lead happier and more fulfilling lives

How to Unplug Your Child Aug 12 2021 This sanity-saving collection of ideas and inspiration will help your children swap the screen for the sunshine and start getting more out of life. Split into bite-sized chapters, from fun indoors to activities on the go, food and cooking to science and nature, this book is packed with activities for all ages of children from preschoolers to even the most jaded, screen-obsessed teens and the kid in all of us too. 'How to Unplug Your Child' will give you and your kids a host of things to do after school, at the weekend and during those long holidays.

The Prayer That Changed My Life Jul 31 2020 Have you ever wondered why some people are affected with tragedy over and over while others seem to escape suffering? Why is God good to some people while others experience trials, often through no fault of their own? In January 2015 I asked God that question. 2014 had been our best year ever. My husband and I felt like we had been on a year-long honeymoon. Life couldn't be any better. But for so many others that was not the case. My heart ached for my friends who were hurting. Was I just "special" to God? I worked hard to do right so I would please Him. Was that why He was good to me? This book takes you on my year and a half long journey searching for an answer to my prayer. When Satan thought he could use a tragedy in my life to turn me away from God, God used it to teach me more about Himself. If you are going through a tough time in your life and feel helpless and don't know which way to turn, I challenge you to learn from lessons the Lord taught me and you will find we have a good God all the time, no matter what the trial is. He has become my EVERYTHING! ABOUT THE AUTHOR Nan Weaver was married to her husband for 46 years and a mother of four children, 9 grandchildren and 1 great-granddaughter. Her background is working in the political world but after the untimely death of her husband, her passion has turned to leading workshops for people going through the grief process so that their grief can be turned to joy.

Turning Pro Mar 27 2020 The follow-up to his bestseller *The War of Art*, *Turning Pro* navigates the passage from the amateur life to a professional practice. "You don't need to take a course or buy a product. All you have to do is change your mind." --Steven Pressfield **TURNING PRO IS FREE, BUT IT'S NOT EASY.** When we turn pro, we give up a life that we may have become extremely comfortable with. We give up a self that we have come to identify with and to call our own. **TURNING PRO IS FREE, BUT IT DEMANDS SACRIFICE.** The passage from amateur to professional is often achieved via an interior odyssey whose trials are survived only at great cost, emotionally, psychologically and spiritually. We pass through a membrane when we turn pro. It's messy and it's scary. We tread in blood when we turn pro. **WHAT WE GET WHEN WE TURN PRO.** What we get when we turn pro is we find our power. We find our will and our voice and we find our self-respect. We become who we always were but had, until then, been afraid to embrace and live out.

The Mental Life of Modernism Aug 20 2019 An argument that Modernism is a cognitive phenomenon rather than a cultural one. At the beginning of the twentieth century, poetry, music, and painting all underwent a sea change. Poetry abandoned rhyme and meter; music ceased to be tonally centered; and painting no longer aimed at faithful representation. These artistic developments have been attributed to cultural factors ranging from the Industrial Revolution and the technical innovation of photography to Freudian psychoanalysis. In this book, Samuel Jay Keyser argues that the stylistic innovations of Western modernism reflect not a cultural shift but a cognitive one. Behind modernism is the same cognitive phenomenon that led to the scientific revolution of the seventeenth century: the brain coming up against its natural limitations. Keyser argues that the transformation in poetry,

music, and painting (the so-called sister arts) is the result of the abandonment of a natural aesthetic based on a set of rules shared between artist and audience, and that this is virtually the same cognitive shift that occurred when scientists abandoned the mechanical philosophy of the Galilean revolution. The cultural explanations for Modernism may still be relevant, but they are epiphenomenal rather than causal. Artists felt that traditional forms of art had been exhausted, and they began to resort to private formats—Easter eggs with hidden and often inaccessible meaning. Keyser proposes that when artists discarded their natural rule-governed aesthetic, it marked a cognitive shift; general intelligence took over from hardwired proclivity. Artists used a different part of the brain to create, and audiences were forced to play catch up.

The Mercury Retrograde Book Mar 19 2022 How to use Mercury retrograde to attract new opportunities, by best-selling astrology author. Are you tired of hearing 'Mercury must be in retrograde' every time the slightest thing goes wrong? People blame their break-ups, missed flights and unexpected bills on Mercury retrograde, but often they have little understanding of this astrological phenomenon. The Mercury Retrograde Book is here to flip these beliefs on their head. Bestselling author of Moonology Yasmin Boland and astrology expert Kim Farnell explain: - that the retrograde is actually a chance to revisit, revise and revamp - if you can understand how the retrograde cycle works, you can harness it in your favour - how to place the retrogrades in your personal astrological chart and work out their effect on your elemental and zodiac sign

Stress and Adversity Over the Life Course Jun 10 2021 This book examines the influence of early stressful experiences over the life course.

Customers for Life Apr 20 2022 Happy customers are repeat customers. In Customer Success for C# Developers, author Ed Freitas frames software developers as an essential part of providing exemplary customer service, whether they're part of helpdesk staff or experienced team leaders. By looking at how traditional helpdesks are oriented and the resulting behaviors, Freitas proposes a different approach that transforms customer support from a required, yet often neglected department, to one that can generate recurring and new business for your company. Along the way, Freitas demonstrates how incident management can be handled within the applications you deliver, discusses how to convert customers into company evangelists, and examines different tools that can be used for troubleshooting customer issues. This updated and expanded second edition of Book provides a user-friendly introduction to the subject, Taking a clear structural framework, it guides the reader through the subject's core elements. A flowing writing style combines with the use of illustrations and diagrams throughout the text to ensure the reader understands even the most complex of concepts. This succinct and enlightening overview is a required reading for all those interested in the subject . We hope you find this book useful in shaping your future career & Business.

Improve Your Life by Playing a Game - Jun 22 2022 This book is partly designed as an autobiographical experience focusing on the processes that arise in the life of a chess player that have be translated into everyday life. In part, the book incorporates psychological theories that generally explain these processes, but overall it can be seen as a guide on how to use any activity to learn skills that will enrich your life. There are several activities in life which can be seen in the same way if we know where and how to exploit the opportunities. The truth is that all aspirations are interconnected when we keep an eye on the thematic links. I believe that this book will give you a new insight into how any ability can be transferred from a particular activity to the universal wisdom of life. It will awaken your networking skills and teach you how to turn life activities into lifelong skills that will improve your well-being. The course of the book follows the typical process of playing chess, starting with training, followed by the tournament situation, the course of the game, the time after the game and the tournament. Since I am not a poet, I have often borrowed some quotations from famous, imaginative and clever people from all over the world. I believe that these valuable thoughts have enriched the book. One thing I ask you to do while reading this book is to open your mind and enjoy the inner journey. So let us go and try to become aware of the processes behind our life activities. Let us find out what and why we do what we do in our daily lives.

Turning Life Into Fiction Mar 07 2021 With lively style, good humor and insight, Robin Hemley helps you turn all that you experience into fresh and powerful fiction. By learning to "reimagine", you'll focus on translating real-world people and events into characters and scenes that happen on paper for the first time. You'll think "what if" instead of "what is" in order to take control of your material and cut loose the inhibitions of real life. In these pages, you'll learn how to hone your observation skills and fill your journal with rich and vivid details. (Because, as Hemley writes, "Life is in the details, and so is good fiction".) You'll see how to decide which ideas to bring to fiction and which ones to let go. And you'll learn how to: find the right form - novel, short story, vignette, memoir - for the story you want to tell; use "triggers" to start your reader's imagination rolling; keep your fiction emotionally honest by making the right choices between "the way it happened" and what the story dictates (ask "Is it believable?", not "Did it happen?"); create composites of real people and places that fit the unique needs of your story and empower your imagination; focus your fiction. Make sure everything, every character counts - and eliminate "people who sit at the end of the bar without a role to play"; fictionalize - ethically and legally - other people's stories. Learn your rights as a writer versus their rights to privacy. (Can you use actual names? When do you need to get permission?). To illustrate how writers feed their fiction with reality, Hemley uses examples from his own work and from fiction masters of yesterday and today. At the end of each chapter, challenging exercises help you apply the basic theories and push them even further. An adventurous read, Turning Life Into Fiction will help you create fiction that's just as strange and wonderful and "real" as the life that inspires it.

Level Up Your Life Apr 08 2021 For the past 5 years, Steve Kamb has transformed himself from wanna-be daydreamer into a real-life superhero and actually turned his life into a gigantic video game: flying stunt planes in New Zealand, gambling in a tuxedo at the Casino de Monte-Carlo, and even finding Nemo on the Great Barrier Reef. To help him accomplish all of these goals, he built a system that allowed him to complete quests, take on boss battles, earn experience points, and literally level up his life. If you have always dreamed of adventure and growth but can't seem to leave your hobbit-hole, Steve's book, Level Up Your Life, is for you. He will teach you exactly how to use your favorite video games, books, and movies as inspiration for adventure rather than an escape from the grind of everyday life. Hundreds of thousands of everyday Joes and Jills have joined Steve's Rebellion through his popular website, NerdFitness.com, and leveled up their lives--losing weight, getting stronger, and living better. In Level Up Your Life, you'll meet more than a dozen of these members of The Rebellion: men and women, young and old, single and married, from all walks of life who have created superhero versions of themselves to live adventurously and happily. Within this guide, you'll follow in their footsteps and learn exactly how to: • Create your own “Alter Ego” with real-life super powers • Build your own Epic Quest List, broken into categories and difficulty levels • Hack your productivity habits to start making progress • Train your body for any adventure • Build in rewards and accountability that will actually motivate you to succeed • Travel the world freely (and cheaply) • Recruit the right allies to your side and find powerful mentors for guidance

Adventure is out there, and the world needs more heroes. Will you heed the call?

Life's Twists and Turns Aug 24 2022 I remember, Youth. I once firmly grasp your passion for life. I ran with your endless energy, flying over hill and dale, the wind straining to catch up and warm sunlight on my face. At night the stars were within my grasp and love surrounded my every move. Your strength pushed me to higher levels, free from pain, fatigue or future cares. Suddenly, somewhere along the joy-filled way of life I stopped to sleep. When I awakened you were gone. I searched for you but found you left me behind. In the accompaniment of a new lover you deserted me. I cry out for your return but to no avail. Now, I find solace in memories and sit a lonely traveler in a grim world filled with challenges I no longer care to take. My dreams are of youth and its thrills. But there is hope for my spirit is still young. In my mind I still run, love, conquer difficulties. I watch you now, in the laughter and song of my children and grandchildren. I find that you never left after all. You are endless.

Life's Turned Upside Down Sep 25 2022 Gabriella Alvarez is the youngest of the Alvarez family. She's watched her best friend marry her brother and another brother find love. Deep down, she's looking for love, but she can't quite shake the college sweetheart that broke her heart. Dr. Ashton Holder works for the famous Alvarez practice. He and Gabriella have always clashed—she continues to see him only has the rough-edged doctor with no bedside manner, but he's really made strides to put this image behind him. When Gabriella discovers a secret from Ashton's past, though, she does her best to help him uncover something that will change his life forever, but a misunderstanding between them rocks him to the core. When he finally uncovers the secret, he must learn to put his past aside and try and move on with a future willed with hope and dreams. *Life's Turned Upside Down* is the third book in Anne Stone's *Show Me* series.

Bootstrap Your Life Dec 28 2022 An inspiring, rags-to-riches guide to achieving success in life and business by the founder of Myprotein?. How did a working-class 23-year-old, who left school with almost no qualifications, launch a business with just a ?500 overdraft and turn it into more than ?350 million? In *Bootstrap Your Life*, Oliver Cookson shares how he was able to build Europe's number one online brand using nothing more than his own limited resources and the right mindset. Self-sufficient and self-taught, Oliver always had an eye for opportunities and pursued them obsessively. His breakthrough came when he combined his passion for health and fitness with his skills as a web developer. By embracing a disruptive, agile approach to business, offering unparalleled choice, and identifying trends ahead of the competition, Oliver was able to grow Myprotein? rapidly into a top international, award-winning brand. In *Bootstrap Your Life*, Oliver doesn't just share his journey but uses simple language to break down every aspect of his thinking, providing a thorough step-by-step guide on how to think like an entrepreneur. His approach to marketing, innovation, strategy, leadership and other key elements are explained in great detail using memorable analogies that anyone can relate to. Oliver explains how bootstrapping his life catapulted him from an ordinary life in the suburbs of Greater Manchester to being included in the Sunday Times Rich List with a personal net worth of over a third of a billion pounds. His message is clear: bootstrap your life!

Perils of Life Dec 16 2021 Don't Have a Pity Party... Throw a Faith Fest Finding Hope in God's Word Lorna Lumpris thought her world had ended when she was downsized from her six-figure-salary corporate position. Instead, she found herself embarking on the adventure of her life. During an extended period of unemployment, Lorna came to know and trust God in a way she had never thought possible. Though she had been a faithful churchgoer for years, she had not seriously studied God's Word until she faced a series of overwhelming financial and family setbacks. When she did not have a leg to stand on, she discovered she could rest on the truth of the Bible. Now she wants others to find and grow in the same confidence that God can direct, protect, and provide for you as you trust Him to speak through the pages of scripture. From her years of study and personal, supernatural experiences with God, Lorna explains how you can find hope in the most challenging circumstances, as you look to the Bible.

Life's Runny Eggs Turn Sunny-side Up Nov 27 2022 Looking for those sunny side up eggs in life? It doesn't always pan out that way. Life is similar to eggs in that it can turn out so differently, depending on preparation. This story is about Elaine, her husband Richard, their daughter Mira, granddaughter Leslie and their egg-like situations. Elaine's life is runny, sometimes totally scrambled, and at times cracked, like a hardboiled egg. Richard's life is an omelet; it doesn't matter what is put into it, he remains clueless. Mira was on a continuous hunt for the easy over, soft life. Once out of her shell she finally discovered life can be sunny side up. Leslie turns from poached softly, to overcooked, hard as rubber. This story starts out with Mira's birth but pushes back time to look at the tragic life of her mother, Elaine, and the sad moments of her father Richard.

On Life's Little Twists and Turns May 21 2022 Bill Haywood, an English, working-class, Black Country lad, saw only a lifetime of factory drudgery as his fate when he was young. He left school at fifteen without any academic qualifications and entered the workforce with various engineering companies. For five years, he served in the Royal Air Force in the United Kingdom, Cyprus, and Malta. After his service, he was hired on at one of the largest engineering companies in the UK-Guest, Keen and Nettlefolds. At the age of thirty-six, while still working at GKN, he threw caution to the winds to attend Ruskin College, Oxford, to pursue a dream. At the age of thirty-nine, he earned the first of three university degrees, culminating in a doctorate at the age of forty-five. In this memoir, he expresses strong views that may challenge those who are unwilling to debate the issues, including the environment for education and the social situation in the UK, the apparent goals of the current government, and sport and sportsmanship. He has traveled the world and befriended interesting and stimulating people from places he never thought he would see with his own eyes. His is a journey of discovery, proof that life holds great potential for those who are willing to look beyond their immediate environment or circumstances. He hopes to encourage others to seek something beyond their current factory, office, or shop door, where a more satisfying future may await.

Life Admin Oct 14 2021 "It's a relief just to talk about it. It's heaven to fix it: "admin," the administrative chores that have exploded in our busy lives. Here's the book that will give you many hours of your life back"--
