Last Time I Saw Amelia Earhart Dec 06 2019

"Gabrielle Calvocoressi is a wonderfully talented poet."—Eavan Boland Whether in the title poem, spoken by those who lived longingly and vicariously through the famous missing aviator, or in "Circus Fire, 1944," which intimately recounts a haunting New England tragedy, Gabrielle Calvocoressi uses her prodigious gifts of imagination and empathy to give voice to the hope and heartbreak of small-town America. In painstaking, vernacular verse, she conveys the ambitions and failings of a distraught populace in the edgy jazz portrait, "Suite Billy Strayhorn," for example, or the enthralling, interwoven sequence, "At the Adult Drive-In," which conveys, at once, a personal and communal corruption. Penetrating and compassionate, *The Last Time I Saw Amelia Earhart* portrays, with a storyteller's arc, the troubled landscape of the left-behind.

The Quotable Amelia Earhart Apr 09 2020

"Adventure is worth while in itself."—Amelia Earhart, 1932 A fearless pioneer and a record-breaking pilot, Amelia Earhart engaged the nation and the world when she became the first woman to fly solo across the Atlantic. Today people remember her most for her disappearance on the last leg of her round-the-world flight in 1937. But more than a record breaker or a ghost lost over the Pacific, Earhart was ambitious, driven, and strong at a time when all three of these traits were considered unfeminine. Earhart's words and her example encouraged women to step beyond the narrow confines of their traditional roles. The Quotable Amelia Earhart brings together statements from a variety of sources and covers a wide range of topics, including Earhart's flights and her opinions on politics, work, religion, and gender equality. This definitive resource provides a concise, documented collection of Earhart's quotations so that her words, as well as her achievements, may inspire a new generation.

*Amelia Earhart* Aug 26 2021 When Amelia Earhart disappeared on July 2, 1937, she was flying the longest leg of her around-the-world flight and was only days away from completing her journey. Her plane was never found, and for more than sixty years rumors have persisted about what happened to her. Now, with the recent discovery of long-lost radio messages from Earhart's final flight, we can say with confidence that she ran out of gas just short of her destination of Howland Island in the Pacific

Ocean. From the beginning of her flight, a series of tragic circumstances all but doomed her and her navigator, Fred Noonan. Authors Elgen M. and Marie K. Long spent more than twenty-five years researching the mystery surrounding Earhart's final flight before finally determining what happened. They traveled over one hundred thousand miles to interview more than one hundred people who knew some part of the Earhart story. They draw on authoritative sources to take us inside the cockpit of the Electra plane that Earhart flew and recreate the final flight itself. Because Elgen Long began his own flying career not long after Earhart's disappearance, he can describe the equipment and conditions of the time with a vivid first-hand accuracy. As a result, this book brings to life the primitive conditions under which Earhart flew, in an era before radar, with unreliable communications, grass landing strips, and poorly mapped islands. Amelia Earhart: The Mystery Solved does more than just answer the question, What happened to Amelia Earhart? It reminds us how daring early aviators such as Earhart were as they risked their lives to push the technology of the day to its limits -- and beyond.

**Who Was Amelia Earhart?** Aug 06 2022 Amelia Earhart was a woman of many "firsts." In 1932, she became the first woman to fly solo across the Atlantic Ocean. *I Was Amelia Earhart* Mar 21 2021 In this brilliantly imagined novel, Amelia Earhart tells us what happened after she and her navigator, Fred Noonan, disappeared off the coast of New Guinea one glorious, windy day in 1937. And

she tells us about herself. There is her love affair with flying ("The sky is flesh") . . . . There are her memories of the past: her childhood desire to become a heroine ("Heroines did what they wanted") . . . her marriage to G.P. Putnam, who promoted her to fame, but was willing to gamble her life so that the book she was writing about her round-the-world flight would sell out before Christmas. There is the flight itself -- day after magnificent or perilous or exhilarating or terrifying day ("Noonan once said any fool could have seen I was risking my life but not living it"). And there is, miraculously, an island ("We named it Heaven, as a kind of joke"). And, most important, there is Noonan . . .
