*From Tenements to the Taylor Homes* Mar 03 2020 Authored by prominent scholars, the twelve essays in this volume use the historical perspective to explore American urban housing policy as it unfolded from the late nineteenth through the twentieth centuries. Focusing on the enduring quest of policy makers to restore urban community, the essays examine such topics as the war against the slums, planned suburbs for workers, the rise of government-aided and built housing during the Great Depression, the impact of post-World War II renewal policies, and the retreat from public housing in the Nixon, Carter, and Reagan years.

*Rex Curry's HOT HISTORY* Sep 28 2019 "Hot History" is a juicy jaunt through time with Supermodel and Superwriter Lin Xun as your main-squeeze. Top historical discoveries of the century are revealed, including: (1) Congress and the Flag Code confirm that the military salute was the origin of the Nazi salute. (2) The USA's Pledge of Allegiance inspired Nazi rituals. (3) Public schools spread Nazi behavior. (4) Swastikas represented crossed "S" letter shapes for "socialist" under Hitler. They are eye-popping revelations that are undisputed by the New York Times • The Washington Post • Los Angeles Times • San Francisco Chronicle • Tampa Bay Times • Chicago Tribune • Newsday • The New York Times Book Review • Tampa Tribune • Library Journal • Publishers Weekly • Saint Petersburg Times • History Journal • Scholar's Weekly • Vogue • O: The Oprah Magazine! Because she speaks truth to power with her ground-breaking news, Lin Xun has been subjected to harassment (including racy images of her posted on the internet). She doesn't care! In this book, Lin spans history's bottom, leaving red hand prints. Nazi salutes and Nazi behavior originated from the USA's Pledge of Allegiance to the flag, created by Francis Bellamy, an American socialist. The Nazi salute was performed by public officials in the USA from 1892 through 1942. What happened to old photographs and films of the American Nazi salute performed by federal, state, county, and local officials? Those photos and films are rare because people don't want to know the truth about the government's past. Public officials in the USA who preceded the German socialist (Hitler) and the Italian socialist (Mussolini) were sources for the stiff-armed salute (and robotic chanting) in those countries and other foreign countries. The "ancient Roman salute" myth originated from the city of Rome in the state of New York (not Italy), Francis Bellamy's hometown. Later, Mussolini presented a strange gift to the city of Rome, NY: a statue of two human male infants suckling on a female wolf. That statue remains on display in Rome, NY. Boy Scouts and Girl Scouts helped spread the Nazi salute and the swastika to Germany and elsewhere. Swastikas were used to represent crossed "S"-letters under Adolf Hitler's National Socialist German Workers Party. The author Lin Xun searches for old photos and film footage of the early Pledge of Allegiance showing the origin of the USA's notorious stiff-armed salute. Many of those artifacts have been found among Dr. Rex Curry's historical archival work. Curry's discoveries are changing the history books. Please send any images or inquiries to the email address of the publisher mentioned in the book. Each book is personally handled, wrapped, and mailed by Lin Xun IN THE NUDE! Or by the publisher, depending on who's available. "There is rumor of a Pulitzer Prize for exposing the Pledge of Allegiance as the origin of Nazi salutes and Nazi behavior; and the swastika as alphabetical 'S' letter shaped symbolism for 'socialist.' Hooray!" - R. Yates Bloodsworth, Stop The Pledge (STP) Foundation. "The symbol presently known as Lin Xun wrote a game-changer with this book." - Timothy Cruz

Congress passed Senate Joint Resolution 137 authorizing the Presidential appointed Commission to report on the assassination of President John F. Kennedy, mandating the attendance and testimony of witnesses and the production of evidence. After eleven months of the investigation the Commission presented its findings in 888-page final report. The key findings presented in this report were that President Kennedy was assassinated by Lee Harvey Oswald, that Oswald acted entirely alone and that Jack Ruby also acted alone when he killed Oswald two days later. The Commission's findings have proven controversial and have been both challenged and supported by later studies.

*Hiking Trails of the Great Smoky Mountains* Apr 27 2022 Hiking Trails of the Great Smoky Mountains is an essential guide to one of America's most breathtaking and rugged national parks. The second edition of this compellingly readable and useful book is completely updated, giving outdoor enthusiasts the most current information they need to explore this world-renowned wilderness. Included here are facts on more than 125 official trails recognized by the Park Service. Each one has its own setting, purpose, style, and theme, and author Kenneth Wise describes them in rich and vivid detail. For every route, he includes a set of driving directions to the trailhead, major points of interest, a schedule of distances to each one, a comprehensive outline of the trail's course, specifics about where it begins and ends, references to the U.S. Geological Survey's quadrangle maps, and, when available, historical anecdotes relating to the trail. His colorful descriptions of the area's awe-inspiring beauty are sure to captivate even armchair travelers. Organized by sections that roughly correspond to the seventeen major watersheds in the Smokies, Wise starts in Tennessee and moves south into North Carolina, with two major trails—the Lakeshore and the Appalachian—that traverse several watersheds treated independently. Further enhancing the utility of this volume is the inclusion of the Great Smoky Mountains' official trail map as well as an informative introduction filled with details about the geology, climate, vegetation, wildlife, human history, and environmental concerns of the region. A seasoned outdoorsman with more than thirty years of experience in the area and codirector of the Great Smoky Mountains Regional Project at the University of Tennessee, Knoxville, Wise brings an exceptional depth of knowledge to this guide. Both experienced hikers and novices will find this newly revised edition an invaluable resource for trekking in the splendor of the Smokies.

Lenin, Leon Trotsky, Mao Zedong, Kim Il-sung, Pol Pot, Ho Chi Minh, Karl Marx, Fidel Castro, Che Guevara, Adolf Hitler, and their ilk. To everyone who threw up on Hitler's election night, who sobbed on the bathroom floor at Stalin's power grab, who dry heaved trying to imagine how to tell the children what had happened under Mao, who couldn't stop physically shaking due to the Kim thugs, who felt the horror of what was to come under all socialism, I say this: WE KNEW.
