The Bedford Introduction to Literature Feb 19 2022 The Bedford Introduction to Literature responds to the teaching and learning needs of all kinds of literature classrooms -- and composition courses where literature is a focus. Author Michael Meyer understands that a particular challenge for instructors is that students do not necessarily see literature as relevant to their lives. They may be new to the study of literature, may have difficulty reading it, and may lack confidence in their critical abilities and writing skills. With these factors in mind, Meyer has put together a lively collection of stories, poems, and plays from many periods, cultures, and themes, with voices ranging from the traditional to the latest and hottest contemporary authors. As an experienced anthologist and instructor of literature, Meyer has a knack for choosing enticing selections -- including humorous works and readings from popular culture -- that students both enjoy and respond to. Complementing this unparalleled collection are proven editorial features that offer students real help with reading, appreciating, and writing about literature. The Bedford Introduction to Literature is a book designed to bring literature to life -- and to make students life-long readers.

When the annual school science fair comes round, Mr Cartwright's class don't get to work on the Soap Factory, the Maggot Farm or the Exploding Custard Tins. To their intense disgust they get the Flour Babies - sweet little six-pound bags of flour that must be cared for at all times. Funny and poignant, Flour Babies is a brilliant depiction of secondary school life.

Literature for Composition, MLA Update May 01 2020 For courses in Literature for Composition, Writing About Literature, and Introduction to Literature. This version of Literature for Composition has been updated to reflect the 8th Edition of the MLA Handbook (April 2016)* The definitive source for composition and introduction to literature courses With an emphasis on critical thinking and argument, Literature for Composition offers superior coverage of reading, writing, and arguing about literature along with an anthology organized around eight thought-provoking themes. Throughout, the authors demonstrate that the skills emphasized in their discussions of communication are relevant not only to literature courses, but to all courses in which students analyze texts or write arguments. * The 8th Edition introduces sweeping changes to the philosophy and details of MLA works cited entries. Responding to the "increasing mobility of texts," MLA now encourages writers to focus on the process of crafting the citation, beginning with the same questions for any source. These changes, then, align with current best practices in the teaching of writing which privilege inquiry and critical thinking over rote recall and rule-following.

The Know-It-All Dec 08 2020 On leaving school or university, you feel pretty pleased with yourself. You've learnt a lot, you're well-read and you know a whole bunch of obscure facts guaranteed at some point to appear in the questions on Mastermind or University Challenge. Then you get a job, and ten years later you're more eloquent and eager to argue about Britney and Big Brother than Beckett and the Brontës. Sound familiar? Well it happened to AJ Jacobs too. As an editor at Esquire, Jacobs had built up a rather impressive knowledge of celebrity trivia - and the cure was going to take a long time. While others might take to reading a broadsheet at the weekend, Jacobs chose to read the Encyclopaedia Britannica. All 33,000 pages of it. Bill Bryson meets Schott's Original Miscellany meets Woody Allen. Part assemblage of fascinating trivia, part journey through adulthood, all laugh-out-loud funny.

Butterfly Burning Oct 25 2019 *Butterfly Burning* brings the brilliantly poetic voice of Zimbabwean writer Yvonne Vera to American readers for the first time. Set in Makokoba, a black township, in the late 1940s, the novel is an intensely bittersweet love story. When Fumbatha, a construction worker, meets the much younger Phephelaphi, he "wants her like the land beneath his feet from which birth had severed him." He in turn fills her "with hope larger than memory." But Phephelaphi is not satisfied with their "one-room" love alone. The qualities that drew Fumbatha to her, her sense of independence and freedom, end up separating them. And the closely woven fabric of township life, where everyone knows everyone else, has a mesh too tight and too intricate to allow her to escape her circumstances on her own. Vera exploits language to peel away the skin of public and private lives. In *Butterfly Burning* she captures the ebullience and the bitterness of township life, as well as the strength and courage of her unforgettable heroine.
