Yet little is known about this amazing success. This book offers such an insight by telling the story of the genius behind the Inditex Group - Amancio Ortega. Besides being one of the world's richest men, Ortega is the brains behind a modern-day revolution in textiles and fashion retail. Who really is Amancio Ortega? Where is he from? Where is he going? What led him to dream up this empire? Through unprecedented access to Ortega and his closest aides, the author provides a compelling and unique biography of the man responsible for one of this century's most extraordinary business successes. Covadonga O'Shea, who has known Amancio Ortega since 1990, recounts in this first book to be authorised by the man himself, the contents of long hours of conversation held between them, as well as with business colleagues closest to him.
