Press. Good Press publishes a wide range of titles that encompasses every genre. From well-known classics & literary fiction and non-fiction to forgotten—or yet undiscovered gems—of world literature, we issue the books that need to be read. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

Children and Media in India
Jun 11 2020 Is the bicycle, like the loudspeaker, a medium of communication in India? Do Indian children need trade unions as much as they need schools? What would you do with a mobile phone if all your friends were playing tag in the rain or watching Indian Idol? Children and Media in India illuminates the experiences, practices and contexts in which children and young people in diverse locations across India encounter, make, or make meaning from media in the

course of their everyday lives. From textbooks, television, film and comics to mobile phones and digital games, this book examines the media available to different socioeconomic groups of children in India and their articulation with everyday cultures and routines. An authoritative overview of theories and discussions about childhood, agency, social class, caste and gender in India is followed by an analysis of films and television representations of childhood informed by qualitative interview data collected between 2005 and 2015 in urban, small-town and rural contexts with children aged nine to 17. The analysis uncovers and challenges widely held assumptions about the relationships among factors including sociocultural location, media content and technologies, and children's labour and agency. The analysis casts doubt on undifferentiated claims about how new technologies 'affect', 'endanger' and/or 'empower', pointing instead to the importance of social class and

caste - in mediating relationships among children, young people and the poor. The analysis of children's narratives of daily work, education, caring and leisure supports the conclusion that, although unrecognised and underrepresented, subaltern children's agency and resourceful conservation makes a significant contribution to economic, interpretive and social reproduction in India.

Remarkable Healings Jul 01

2019 While most doctors agree that our emotional state affects

our physical health, few would give credence to "spiritual influences".

Dr. Modi

discovered that during

hypnotic therapy many patients claimed to have 'entities'

attached to them, living in their energy fields and affecting

their behavior. This book

demonstrates the technique which she developed to "clear"

these energy fields.

Theatres of Independence Oct

04 2019 Theatres of
Independence is the first
comprehensive study of drama,
theatre, and urban
performance in post-
independence India. Combining
theatre history with theoretical
analysis and literary
interpretation, Aparna
Dharwadker examines the
unprecedented conditions for
writing and performance that
the experience of new
nationhood created in a dozen
major Indian languages and
offers detailed discussions of
the major plays, playwrights,
directors, dramatic genres, and
theories of drama that have
made the contemporary Indian
stage a vital part of
postcolonial and world
theatre. The first part of

Dharwadker's study deals with
the new dramatic canon that
emerged after 1950 and the
variety of ways in which plays
are written, produced,
translated, circulated, and
received in a multi-lingual
national culture. The second
part traces the formation of
significant postcolonial
dramatic genres from their
origins in myth, history, folk
narrative, sociopolitical
experience, and the
intertextual connections
between Indian, European,
British, and American drama.
The book's ten appendixes
collect extensive
documentation of the work of
leading playwrights and
directors, as well as a record of
the contemporary multilingual
performance histories of major
Indian, Western, and non-
Western plays from all periods
and genres. Treating drama
and theatre as strategically
interrelated activities, the
study makes post-
independence Indian theatre
visible as a multifaceted
critical subject to scholars of
modern drama, c

The Loom of Time Oct 16 2020 In her introduction, Chandra Raja discusses what is known of Kalidasa, the origins of Indian drama and lyric poetry, and the themes, background and language of these three works. This volume also includes a key to Sanskrit pronunciation, a glossary, appendices, notes and a bibliography.

Kalidasa Translations of Shakuntala, and Other Works Nov 16 2020

Maharashtra B.Ed.-CET (2Years) Ebook-PDF Jan 31 2022 SGN.The Ebook Maharashtra B.Ed.-CET (2Years) Covers All Sections Of The Exam.

The Recognition of Shakuntala Nov 09 2022 The play Shakuntala was one of the first examples of Indian

literature to be read in translation in Europe. Shakuntala's story is a leitmotiv that recurs in many works of Indian literature and culminates in the master Kalidasa's drama for the stage. The virtuous heroine is forgotten by her betrothed, the king Dushyanta, only to be refound thanks to a distinguishing signet ring discovered by a fisherman in the belly of one of his catch. The final act distills the essence of human forgiveness, in Shakuntala's gracious release of her husband from his guilt.

Perfect Murder Nov 04 2019 Shakuntala Devi the mathematical genius often called the 'Human Computer' turns her attention to study the highly complex mental equations of a human mind gripped by greed, lust and selfishness. A tense drama of the gradual transformation of a successful lawyer into a scheming killer intent upon committing a Perfect Murder.

Sakuntala Sep 02 2019 The figure of Sakuntala appears in many forms throughout South Asian literature, most famously in the Mahabharata and in Kalidasa's fourth-century Sanskrit play, *Sakuntala* and the Ring of Recollection. In these two texts, Sakuntala undergoes a critical transformation, relinquishing her assertiveness and autonomy to become the quintessentially submissive woman, revealing much about the performance of Hindu femininity that would come to dominate South Asian culture. Through a careful analysis of sections from *Sakuntala* and their various iterations in different contexts, Romila Thapar explores the interactions between literature and history, culture and gender, that frame the development of this canonical

figure, as well as a distinct conception of female identity. *Abhigyan Shakuntalam* Sep 14 2020

The Abhijnanasakuntalam of

Kalidasa Jul 13 2020 The *Abhijnanasakuntalam* is an unparalleled work of the great poet and playwright Kalidasa, the brightest star in the firmament of Indian poetry. No other component of this poet displays more the richness of poetical genius, the warmth and play of fancy, the profound knowledge of the human heart that this masterly production. The present edition is unique in several essentials. The editor has adopted the most popular and appropriate version of the text. He has put the variants in the footnotes. He has added a short Sanskrit commentary, copious notes, an exhaustive introduction and several useful appendices. The English translation of the text is literal as well as idiomatic. It is hoped that this edition will meet the long-felt requirement of university students and the general reader alike.
