**survival wikipedia** Sep 15  
2021 survival or the act of  
surviving is the propensity of  
something to continue existing  
particularly when this is done  
despite conditions that might  
kill or destroy it the concept  
can be applied to humans and  
other living things or  
hypothetically any sentient  
being to physical object and to  
abstract things such as beliefs  
or ideas
