**Diary of a First Street Rambler** Aug 22 2021 It was a time before television sets, Big Macs, video games, and Harry Potter. The Japanese had bombed our naval base at Pearl Harbor. Older brothers, uncles and even fathers were drafted into the Armed Forces. Gene Autry was busy riding the range. Batman and Robin kept our cities safe, and Tarzan swung from vines in a jungle habitat. The magic of radio kept imaginative minds occupied with the adventures of Superman and the Lone Ranger. In spite of the hardships of World War II, it was a marvelous adventure to be a boy growing up in a multicultural Pennsylvania steel town. Join Ralphie and his First Street Rambler teammates "Heads" Pinasko, "Half-Pint" Hayes, Jonesy. and "Jay Boy" Husher in their adventures as they built their own ball fields, swam in sulfur creeks, raided cherry trees and cabbage patches, shined shoes on street corners, and made their own sling shots, go carts and rubber band guns! If you lived during that era, you will find joy in revisiting a past which has long disappeared. If you missed out on those cherished years of a bygone era, you are in for a delightful history lesson!

[This Place of Wrath and Tears](#) Jul 21 2021 What appears to be a tale of progressive development and reversal of a life path in the portrayal of a single individual is, in reality, a quest for answers and a declaration of opinion concerning the questions we ponder. In describing the 78 years of his own chronological development, Dr. Clyde v. Collard has painted a vivid picture of the human condition and the forces explicit in shaping the biological and social existence of each of us. In the generic sense, that which applies to one human applies to all humans. John Donne expressed that sentiment when he wrote, And therefore never send to know for whom the bell tolls; it tolls for thee. [The House on Middle Street](#) Apr 17 2021 Another of the houses that defined my life. These are the stories behind the House on Middle Street and how a large part of my mother's family shaped my own history. Each story tells more than the obvious. There is always a "background" that is so much more than what others see. There is (also) courage needed to record the struggles, joys, hurts, frustrations, fears, and (perhaps) regrets in the context in which they happened. The joy and sadness of a true family history will be lost forever if we do not write or tell our stories.
